### 1 **SEC. 2. FINDINGS.**

2 Congress finds the following:

3 (1) Over 1 in 3 women experience sexual vio-  
 4 lence, and 1 in 5 women have survived completed or  
 5 attempted rape. Such violence has a devastating im-  
 6 pact on women’s physical and emotional health, fi-  
 7 nancial security, and ability to maintain their jobs,  
 8 and thus impacts interstate commerce and economic  
 9 security.

10 (2) The Office on Violence Against Women of  
 11 the Department of Justice defines domestic violence  
 12 as a pattern of abusive behavior in any relationship  
 13 that is used by one intimate partner to gain or  
 14 maintain power and control over another intimate  
 15 partner. Domestic violence can include physical, sex-  
 16 ual, emotional, economic, or psychological actions or  
 17 threats of actions that influence another person. Do-  
 18 mestic violence includes any behaviors that intimi-  
 19 date, manipulate, humiliate, isolate, frighten, ter-  
 20 rorize, coerce, threaten, blame, hurt, injure, or  
 21 wound an individual.

22 (3) The Centers for Disease Control and Pre-  
 23 vention report that domestic violence or intimate

1 partner violence is a serious public health issue for  
2 millions of individuals in the United States. Nearly  
3 1 in 4 women and 1 in 9 men in the United States  
4 have suffered sexual violence, physical violence, or  
5 stalking by an intimate partner.

6 (4) Homicide is one of the leading causes of  
7 death for women on the job. Domestic partners or  
8 relatives commit 43 percent of workplace homicides  
9 against women. One study found that intimate part-  
10 ner violence resulted in 142 homicides among women  
11 at work in the United States from 2003 to 2008, a  
12 figure which represents 22 percent of the 648 work-  
13 place homicides among women during the period. In  
14 fact, in 2010, homicides against women at work in-  
15 creased by 13 percent despite continuous declines in  
16 overall workplace homicides in recent years.

17 (5) Women in the United States are 11 times  
18 more likely to be murdered with guns than women  
19 in other high-income countries. Female intimate  
20 partners are more likely to be murdered with a fire-  
21 arm than all other means combined. The presence of  
22 a gun in domestic violence situations increases the  
23 risk of homicide for women by 500 percent.

24 (6) Violence can have a dramatic impact on the  
25 survivor of such violence. Studies indicate that 44

1 percent of surveyed employed adults experienced the  
2 effect of domestic violence in the workplace, and 64  
3 percent indicated their workplace performance was  
4 affected by such violence. Another recent survey  
5 found that 78 percent of offenders used workplace  
6 resources to express anger, check up on, pressure, or  
7 threaten a survivor. Sexual assault, whether occur-  
8 ring in or out of the workplace, can impair an em-  
9 ployee's work performance, require time away from  
10 work, and undermine the employee's ability to main-  
11 tain a job. Nearly 50 percent of sexual assault sur-  
12 vivors lose their jobs or are forced to quit in the  
13 aftermath of the assaults.

14 (7) Studies find that 60 percent of single  
15 women lack economic security and 81 percent of  
16 households with single mothers live in economic inse-  
17 curity. Significant barriers that survivors confront  
18 include access to housing, transportation, and child  
19 care. Ninety-two percent of homeless women have  
20 experienced domestic violence, and more than 50  
21 percent of such women cite domestic violence as the  
22 direct cause for homelessness. Survivors are deprived  
23 of their autonomy, liberty, and security, and face  
24 tremendous threats to their health and safety.

1           (8) The Centers for Disease Control and Pre-  
2           vention report that survivors of severe intimate part-  
3           ner violence lose nearly 8,000,000 days of paid work,  
4           which is the equivalent of more than 32,000 full-  
5           time jobs and almost 5,600,000 days of household  
6           productivity each year. Therefore, women dispropor-  
7           tionately need time off to care for their health or to  
8           find safety solutions, such as obtaining a restraining  
9           order or finding housing, to avoid or prevent further  
10          violence.

11          (9) Annual costs of intimate partner violence  
12          are estimated to be more than \$8,300,000,000. Ac-  
13          cording to the Centers for Disease Control and Pre-  
14          vention, the costs of intimate partner violence  
15          against women in 1995 exceeded an estimated  
16          \$5,800,000,000. These costs included nearly  
17          \$4,100,000,000 in the direct costs of medical and  
18          mental health care and nearly \$1,800,000,000 in the  
19          indirect costs of lost productivity. These statistics  
20          are generally considered to be underestimated be-  
21          cause the costs associated with the criminal justice  
22          system are not included.

23          (10) Fifty-five percent of senior executives re-  
24          cently surveyed said domestic violence has a harmful  
25          effect on their company's productivity, and more

1       than 70 percent said domestic violence negatively af-  
2       fects attendance. Seventy-eight percent of human re-  
3       sources professionals consider partner violence a  
4       workplace issue. However, more than 70 percent of  
5       United States workplaces have no formal program or  
6       policy that addresses workplace violence, let alone  
7       domestic violence. In fact, only four percent of em-  
8       ployers provided training on domestic violence.

9           (11) Studies indicate that one of the best pre-  
10       dictors of whether a survivor will be able to stay  
11       away from his or her abuser is the degree of his or  
12       her economic independence. However, domestic vio-  
13       lence, dating violence, sexual assault, and stalking  
14       often negatively impact a survivor's ability to main-  
15       tain employment.

16          (12) Abusers frequently seek to exert financial  
17       control over their partners by actively interfering  
18       with their ability to work, including preventing their  
19       partners from going to work, harassing their part-  
20       ners at work, limiting their partners' access to cash  
21       or transportation, and sabotaging their partners'  
22       child care arrangements.

23          (13) Economic abuse refers to behaviors that  
24       control an intimate partner's ability to acquire, use,  
25       and maintain access to, money, credit, ownership of

1        assets, or access to governmental or private financial  
2        benefits, including defaulting on joint obligations  
3        (such as school loans, credit card debt, mortgages,  
4        or rent). Other forms of such abuse may include pre-  
5        venting someone from attending school, threatening  
6        to or actually terminating employment, controlling  
7        or withholding access to cash, checking, or credit ac-  
8        counts, and attempting to damage or sabotage the  
9        creditworthiness of an intimate partner, including  
10       forcing an intimate partner to write bad checks,  
11       forcing an intimate partner to default on payments  
12       related to household needs, such as housing, or forc-  
13       ing an intimate partner into bankruptcy.

14       (14) The Patient Protection and Affordable  
15       Care Act (Public Law 111–148), and the amend-  
16       ments made by such Act, ensures that most health  
17       plans must cover preventive services, including  
18       screening and counseling for domestic violence, at no  
19       additional cost. In addition, it prohibits insurance  
20       companies from discriminating against patients for  
21       preexisting conditions, like domestic violence.

22       (15) Yet, more can be done to help survivors.  
23       Federal law in effect on the day before the date of  
24       enactment of this Act does not explicitly—

1 (A) authorize survivors of domestic vio-  
2 lence, dating violence, sexual assault, or stalk-  
3 ing to take leave from work to seek legal assist-  
4 ance and redress, counseling, or assistance with  
5 safety planning activities;

6 (B) address the eligibility of survivors of  
7 domestic violence, dating violence, sexual as-  
8 sault, or stalking for unemployment compensa-  
9 tion;

10 (C) provide job protection to survivors of  
11 domestic violence, dating violence, sexual as-  
12 sault, or stalking;

13 (D) prohibit insurers and employers who  
14 self-insure employee benefits from discrimi-  
15 nating against survivors of domestic violence,  
16 dating violence, sexual assault, or stalking and  
17 those who help them in determining eligibility,  
18 rates charged, and standards for payment of  
19 claims; or

20 (E) prohibit insurers from disclosing infor-  
21 mation about abuse and the location of the sur-  
22 vivors through insurance databases and other  
23 means.

24 (16) October is National Domestic Violence  
25 Awareness Month.

1           (17) This Act aims to empower survivors of do-  
2       mestic violence, dating violence, sexual assault, or  
3       stalking to be free from violence, hardship, and con-  
4       trol, which restrains basic human rights to freedom  
5       and safety in the United States.

15                   **DOMESTIC VIOLENCE, DATING VIOLENCE,**  
16                   **SEXUAL ASSAULT, OR STALKING.**

17          (a) SAFE LEAVE GENERALLY.—An employer shall  
18          provide each employee employed by the employer not less  
19          than 30 days of safe leave in a 12-month period. The leave  
20          may be unpaid leave, unless the employee uses paid leave  
21          from the portion earned under subsection (b) or sub-  
22          stitutes leave under section 203. An employee may take  
23          not more than a total of 30 days of safe leave in a 12-  
24          month period under this section, including the portion of  
25          the leave described in subsection (b), in addition to any

1 leave taken (directly or indirectly) under title I of the  
 2 Family and Medical Leave Act of 1993 (29 U.S.C. 2611  
 3 et seq.), or subchapter V of chapter 63 of title 5, United  
 4 States Code.

5 (b) SAFE LEAVE.—

6 (1) IN GENERAL.—As a portion of the 30 days  
 7 of safe leave described in subsection (a), the em-  
 8 ployer shall provide each employee employed by the  
 9 employer not less than one hour of earned paid safe  
 10 leave for every 30 hours worked, to be used as de-  
 11 scribed in subsection (c). An employer shall not be  
 12 required, under this subsection, to permit an em-  
 13 ployee to earn or use more than 56 hours of such  
 14 leave at a time, unless the employer chooses to set  
 15 a higher limit.

16 (2) EXEMPT EMPLOYEES.—

17 (A) IN GENERAL.—Except as provided in  
 18 paragraph (3), for purposes of this subsection,  
 19 an employee who is exempt from overtime re-  
 20 quirements under section 13(a)(1) of the Fair

3 week.

5 SAFE LEAVE AND USE.—Employees shall begin to  
6 earn paid safe leave under this subsection at the  
7 commencement of their employment. An employee  
8 shall be entitled to use the earned paid safe leave be-  
9 ginning on the 60th calendar day following com-  
10 mencement of the employee’s employment. After  
11 that 60th calendar day, the employee may use the  
12 paid safe leave as the leave is earned. An employer  
13 may, at the discretion of the employer, loan paid  
14 safe leave to an employee for use by such employee  
15 in advance of the employee earning such safe leave  
16 as provided in this subsection and may permit use  
17 before the 60th day of employment.

18 (4) CARRYOVER.—

19 (A) IN GENERAL.—Except as provided in  
20 subparagraph (B), paid safe leave earned under  
21 this subsection shall carry over from one year  
22 to the next.

24 be construed to require an employer to permit

1 an employee to earn or use more than 56 hours  
2 of paid safe leave at a given time.

3 (5) EMPLOYERS WITH EXISTING POLICIES.—

4 Any employer with a paid leave policy who makes  
5 available an amount of safe paid leave that is suffi-  
6 cient to meet the requirements of this subsection  
7 and that may be used for the same purposes and  
8 under the same conditions as the purposes and con-  
9 ditions outlined in subsection (c) shall not be re-  
10 quired to permit an employee to earn additional paid  
11 safe leave under this subsection.

12 (6) CONSTRUCTION.—Nothing in this section  
13 shall be construed as requiring financial or other re-  
14 imbursement to an employee from an employer upon  
15 the employee's termination, resignation, retirement,  
16 or other separation from employment for earned  
17 paid safe leave that has not been used.

18 (7) REINSTATEMENT.—If an employee is sepa-  
19 rated from employment with an employer and is re-

 10 loss of any employment benefit accrued prior to  
 11 the date on which the leave commenced.

12 (C) LIMITATIONS.—Nothing in this sub-  
 13 section shall be construed to entitle any re-

12          (II) of subparagraph (B)(ii) to provide,  
13          within a reasonable period after making  
14          the claim, certification to the employer  
15          that the employee is unable to return to
