115TH CONGRESS
2D Session

S. 2680

To address the opioid crisis.

IN THE SENATE OF THE UNITED STATES

APRIL 16, 2018

Mr. ALEXANDER (for himself and Mrs. MURRAY) introduced the following bill; which was read twice and referred to the Committee on Health, Education, Labor, and Pensions

A BILL

To address the opioid crisis.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE; TABLE OF CONTENTS.

(a) SHORT TITLE.—This Act may be cited as the “Opioid Crisis Response Act of 2018”.

(b) TABLE OF CONTENTS.—The table of contents of this Act is as follows:

Sec. 1. Short title; table of contents.

TITLE I—REAUTHORIZATION OF CURES FUNDING

Sec. 101. State response to the opioid abuse crisis.

TITLE II—RESEARCH AND INNOVATION

Sec. 201. Advancing cutting-edge research.

TITLE III—MEDICAL PRODUCTS AND CONTROLLED SUBSTANCES SAFETY

Sec. 301. Clarifying FDA regulation of non-addictive pain products.
Sec. 302. Clarifying FDA packaging authorities.
Sec. 303. Strengthening FDA and CBP coordination and capacity.
Sec. 304. Clarifying FDA post-market authorities.
Sec. 305. First responder training.
Sec. 306. Disposal of controlled substances of a deceased hospice patient by employees of a hospice program.
Sec. 307. GAO study and report on hospice safe drug management.
Sec. 308. Delivery of a controlled substance by a pharmacy to be administered by injection, implantation, or intrathecal pump.

TITLE IV—TREATMENT AND RECOVERY

Sec. 401. Comprehensive opioid recovery centers.
Sec. 402. Program to support coordination and continuation of care for drug overdose patients.
Sec. 403. Alternatives to opioids.
Sec. 404. Peer support technical assistance.
Sec. 405. Medication-assisted treatment for recovery from addiction.
Sec. 407. Addressing economic and workforce impacts of the opioid crisis.
Sec. 408. Youth prevention and recovery.
Sec. 409. Plans of safe care.
Sec. 410. Regulations relating to special registration for telemedicine.
Sec. 411. National Health Service Corps behavioral and mental health professionals providing obligated service in schools and other community-based settings.
Sec. 412. Loan repayment for substance use disorder treatment providers.
Sec. 413. Improving treatment for pregnant and postpartum women.
Sec. 414. Early interventions for pregnant women and infants.

TITLE V—PREVENTION

Sec. 501. Study on prescribing limits.
Sec. 502. Programs for health care workforce.
Sec. 503. Education and awareness campaigns.
Sec. 504. Enhanced controlled substance overdoses data collection, analysis, and dissemination.
Sec. 505. Preventing overdoses of controlled substances.
Sec. 506. CDC surveillance and data collection for child, youth, and adult trauma.
Sec. 507. Reauthorization of NASPER.
Sec. 508. Jessie’s Law.
Sec. 509. Development and dissemination of model training programs for substance use disorder patient records.
Sec. 510. Communication with families during emergencies.
Sec. 511. Prenatal and postnatal health.
Sec. 512. Surveillance and education regarding infections associated with injection drug use and other risk factors.
Sec. 513. Task force to develop best practices for trauma-informed identification, referral, and support.
TITLE I—REAUTHORIZATION OF CURES FUNDING

SEC. 101. STATE RESPONSE TO THE OPIOID ABUSE CRISIS.

(a) IN GENERAL.—Section 1003 of the 21st Century Cures Act (Public Law 114–255) is amended—

(1) in subsection (a)—

(A) by striking “the authorization of appropriations under subsection (b) to carry out the grant program described in subsection (c)” and inserting “subsection (h) to carry out the grant program described in subsection (b)”;

and

(B) by inserting after “and Indian tribes” after “States”;

(2) by striking subsection (b);

(3) by redesignating subsections (c) through (e) as subsections (b) through (d), respectively;

(4) by redesignating subsection (f) as subsection (j);

(5) in subsection (b), as so redesignated—

(A) in paragraph (1)—

(i) in the paragraph heading, by inserting “AND INDIAN TRIBE” after “STATE”;
(ii) by striking “States for the purpose of addressing the opioid abuse crisis within such States” and inserting “States and Indian tribes for the purpose of addressing the opioid abuse crisis within such States and Indian tribes”; 

(iii) by inserting “or Indian tribes” after “preference to States”; and 

(iv) by inserting before the period of the second sentence “or other Indian tribes, as applicable”; and 

(B) in paragraph (2)—

(i) in the matter preceding subparagraph (A), by striking “to a State”; 

(ii) in subparagraph (A), by striking “State”; 

(iii) in subparagraph (C), by inserting “preventing diversion of controlled substances,” after “treatment programs,”; and 

(iv) in subparagraph (E), by striking “as the State determines appropriate, related to addressing the opioid abuse crisis within the State” and inserting “as the State or Indian tribe determines appro-
proiate, related to addressing the opioid
abuse crisis within the State, including di-
recting resources in accordance with local
needs related to substance use disorders”;
(6) in subsection (c), as so redesignated, by
striking “subsection (c)” and inserting “subsection
(b)”;
(7) in subsection (d), as so redesignated—
(A) in the matter preceding paragraph (1),
by striking “the authorization of appropriations
under subsection (b)” and inserting “subsection
(h)”;
(B) in paragraph (1), by striking “sub-
section (c)” and inserting “subsection (b)”;
and
(8) by inserting after subsection (d), as so re-
designated, the following:
“(e) INDIAN TRIBES.—
“(1) DEFINITION.—For purposes of this sec-
tion, the term ‘Indian tribe’ has the meaning given
such term in section 4 of the Indian Self-Determi-
nation and Education Assistance Act (25 U.S.C.
5304).
“(2) APPROPRIATE MECHANISMS.—The Sec-
retary, in consultation with Indian tribes, shall iden-
tify and establish appropriate mechanisms for tribes
to demonstrate or report the information as required under subsections (b), (c), and (d).

“(f) REPORT TO CONGRESS.—Not later than 1 year after the date on which amounts are first awarded, after the date of enactment of the Opioid Crisis Response Act of 2018, pursuant to subsection (b), and annually thereafter, the Secretary shall submit to the Committee on Health, Education, Labor, and Pensions of the Senate and the Committee on Energy and Commerce of the House of Representatives a report summarizing the information provided to the Secretary in reports made pursuant to subsection (c), including the purposes for which grant funds are awarded under this section and the activities of such grant recipients.

“(g) TECHNICAL ASSISTANCE.—The Secretary, including through the Tribal Training and Technical Assistance Center of the Substance Abuse and Mental Health Services Administration, shall provide State agencies and Indian tribes, as applicable, with technical assistance concerning grant application and submission procedures under this section, award management activities, and enhancing outreach and direct support to rural and underserved communities and providers in addressing the opioid crisis.
“(h) Authorization of Appropriations.—For purposes of carrying out the grant program under subsection (b), there are authorized to be appropriated $500,000,000 for each of fiscal years 2019 through 2021, to remain available until expended.

“(i) Set Aside.—Of the amounts made available for each fiscal year to award grants under subsection (b) for a fiscal year, 5 percent of such amount for such fiscal year shall be made available to Indian tribes, and up to 15 percent of such amount for such fiscal year may be set aside for States with the highest age-adjusted mortality rate associated with opioid use disorders based on the ordinal ranking of States according to the age-adjusted overdose mortality rates of the Centers for Disease Control and Prevention.”.

(b) Previously Appropriated Amounts.—

(1) Appropriation of amounts remaining in account.—Any unobligated amounts remaining, on the date of enactment of this Act, in the Account For the State Response to the Opioid Abuse Crisis established under section 1003(b) of the 21st Century Cures Act (Public Law 114–255) (as in effect on the day before the date of enactment of this Act) are hereby appropriated to the Secretary of Health and Human Services for purposes of carrying out
the grant program under subsection (b) of section 1003 of the 21st Century Cures Act (Public Law 114–255) (as redesignated by subsection (a)(3) of this section).

(2) AVAILABLE UNTIL EXPENDED.—Amounts appropriated under paragraph (1) of this subsection or section 1003(b)(3) of the 21st Century Cures Act (as in effect on the day before the date of enactment of this Act) shall remain available until expended.

(c) CONFORMING AMENDMENT.—Section 1004(c) of the 21st Century Cures Act (Public Law 114–255) is amended by striking “, the FDA Innovation Account, or the Account For the State Response to the Opioid Abuse Crisis” and inserting “or the FDA Innovation Account”.

TITLE II—RESEARCH AND INNOVATION

SEC. 201. ADVANCING CUTTING-EDGE RESEARCH.

Section 402(n)(1) of the Public Health Service Act (42 U.S.C. 282(n)(1)) is amended—

(1) in subparagraph (A), by striking “or”;

(2) in subparagraph (B), by striking the period and inserting “; or”; and

(3) by adding at the end the following:

“(C) high impact cutting-edge research that fosters scientific creativity and increases
fundamental biological understanding leading to the prevention, diagnosis, or treatment of diseases and disorders, or research urgently required to respond to a public health threat.”

**SEC. 202. PAIN RESEARCH.**

Section 409J(b) of the Public Health Service Act (42 U.S.C. 284q(b)) is amended—

(1) in paragraph (5)—

(A) in subparagraph (A), by striking “and treatment of pain and diseases and disorders associated with pain” and inserting “treatment, and management of pain and diseases and disorders associated with pain, including information on best practices for utilization of non-pharmacologic treatments, non-addictive medical products, and other drugs approved, or devices approved or cleared, by the Food and Drug Administration”;

(B) in subparagraph (B), by striking “on the symptoms and causes of pain;” and inserting the following: “on—

“(i) the symptoms and causes of pain;

“(ii) the diagnosis, prevention, treatment, and management of pain; and
“(iii) risk factors for, and early warning signs of, substance use disorders; and’’;

(C) by striking subparagraphs (C) through (E) and inserting the following:

“(C) make recommendations to the Director of NIH—

“(i) to ensure that the activities of the National Institutes of Health and other Federal agencies are free of unnecessary duplication of effort;

“(ii) on how best to disseminate information on pain care; and

“(iii) on how to expand partnerships between public entities and private entities to expand collaborative, cross-cutting research.”;

(2) by redesignating paragraph (6) as paragraph (7); and

(3) by inserting after paragraph (5) the following:

“(6) REPORT.—The Director of NIH shall ensure that recommendations and actions taken by the Director with respect to the topics discussed at the meetings described in paragraph (4) are included in appropriate reports to Congress.”.
TITLE III—MEDICAL PRODUCTS AND CONTROLLED SUBSTANCES SAFETY

SEC. 301. CLARIFYING FDA REGULATION OF NON-ADDICTIVE PAIN PRODUCTS.

(a) Public Meetings.—Not later than 1 year after the date of enactment of this Act, the Secretary of Health and Human Services (referred to in this section as the “Secretary”), acting through the Commissioner of Food and Drugs, shall hold not less than one public meeting to address the challenges and barriers of developing non-addictive medical products intended to treat pain or addiction, which may include—

(1) the manner by which the Secretary may incorporate the risks of misuse and abuse of a controlled substance (as defined in section 102 of the Controlled Substances Act (21 U.S.C. 802)) into the risk benefit assessment under section 505(e) of the Federal Food, Drug, and Cosmetic Act (21 U.S.C. 355(e)), section 510(k) of such Act (21 U.S.C. 360(k)), or section 515(c) of such Act (21 U.S.C. 360e(e)), as applicable;

(2) the application of novel clinical trial designs (consistent with section 3021 of the 21st Century Cures Act (Public Law 114–255)), use of real world

(3) the evidentiary standards and the development of opioid sparing data for inclusion in the labeling of medical products; and

(4) the application of eligibility criteria under sections 506 and 515B of the Federal Food, Drug, and Cosmetic Act (21 U.S.C. 356, 360e–3) for non-addictive medical products intended to treat pain or addiction.

(b) GUIDANCE.—Not less than one year after the public meetings are conducted under subsection (a) the Secretary shall issue one or more final guidance documents, or update existing guidance documents, to help address challenges to developing non-addictive medical products to treat pain or addiction. Such guidance documents shall include information regarding—

(1) how the Food and Drug Administration may apply sections 506 and 515B of the Federal Food, Drug, and Cosmetic Act (21 U.S.C. 356,
360e–3) to non-addictive medical products intended
to treat pain or addiction, including the cir-
cumstances under which the Secretary—

(A) may apply the eligibility criteria under
such sections 506 and 515B to non-opioid or
non-addictive medical products intended to
treat pain or addiction;

(B) considers the risk of addiction of con-
trolled substances approved to treat pain when
establishing unmet medical need; and

(C) considers pain, pain control, or pain
management in assessing whether a disease or
condition is a serious or life-threatening disease
or condition;

(2) the methods by which sponsors may evalu-
ate acute and chronic pain, endpoints for non-addict-
ive medical products intended to treat pain, the
manner in which endpoints and evaluations of effi-
cacy will be applied across and within review divi-
sions, taking into consideration the etiology of the
underlying disease, and the manner in which spon-
sors may use surrogate endpoints, intermediate
endpoints, and real world evidence;

(3) the manner in which the Food and Drug
Administration will assess evidence to support the
inclusion of opioid sparing data in the labeling of non-addictive medical products intended to treat pain, including—

(A) data collection methodologies, including the use of novel clinical trial designs (consistent with section 3021 of the 21st Century Cures Act (Public Law 114–255)), and real world evidence (consistent with section 505F of the Federal Food, Drug, and Cosmetic Act (21 U.S.C. 355g)), as appropriate, to support product labeling;

(B) ethical considerations of exposing subjects to controlled substances in clinical trials to develop opioid sparing data and considerations on data collection methods that reduce harm, which may include the reduction of opioid use as a clinical benefit;

(C) endpoints, including primary, secondary, and surrogate endpoints, to evaluate the reduction of opioid use;

(D) best practices for communication between sponsors and the agency on the development of data collection methods, including the initiation of data collection; and
(E) the appropriate format to submit such

data results to the Secretary; and

(4) the circumstances under which the Food
and Drug Administration considers misuse and
abuse of drugs in making determinations of safety
under paragraphs (2) and (4) of subsection (d) of
section 505 of the Federal Food, Drug, and Cos-
metic Act (21 U.S.C. 355) and in finding that a
drug is unsafe under paragraph (1) or (2) of sub-
section (e) of such section.

(c) DEFINITIONS.—In this section—

(1) the term “medical product” means a drug
(as defined in section 201(g)(1) of the Federal
Food, Drug, and Cosmetic Act (21 U.S.C.
321(g)(1))), biological product (as defined in section
351(i) of the Public Health Service Act (42 U.S.C.
262(i))), or device (as defined in section 201(h) of
the Federal Food, Drug, and Cosmetic Act (21
U.S.C. 321(h))); and

(2) the term “opioid sparing” means reducing,
replacing, or avoiding the use of opioids or other
controlled substances.
SEC. 302. CLARIFYING FDA PACKAGING AUTHORITIES.

Section 505–1(e) of the Federal Food, Drug, and Cosmetic Act (21 U.S.C. 355–1(e)) is amended by adding at the end the following:

“(4) SERIOUS ADVERSE DRUG EXPERIENCE.—

The Secretary may require a risk evaluation mitigation strategy for a drug for which there is a serious risk of an adverse drug experience described in subparagraph (B) or (C) of subsection (b)(1), taking into consideration the factors described in subparagraphs (C) and (D) of subsection (f)(2), which may include requiring that—

“(A) the drug be made available for dispensing to certain patients in unit dose packaging, packaging that provides a set duration, or other packaging system that the Secretary determines may help mitigate such serious risk; or

“(B) the drug be dispensed to certain patients with a safe disposal packaging or safe disposal system for purposes of rendering unused drugs non-retrievable (as defined in section 1300.05 of title 21, Code of Federal Regulations (or any successor regulation)) if the Secretary has determines that such safe disposal packaging or system may help mitigate such se-
rious risk and exists in sufficient quantities, in consultation with other relevant Federal agencies with authorities over drug packaging.”.

SEC. 303. STRENGTHENING FDA AND CBP COORDINATION AND CAPACITY.

(a) In General.—The Secretary of Health and Human Services (referred to in this section as the “Secretary”), acting through the Commissioner of Food and Drugs, shall coordinate with the Secretary of Homeland Security to carry out activities related to customs and border protection and response to illegal controlled substances and drug imports, including at sites of import (such as international mail facilities). Such Secretaries may carry out such activities through a memorandum of understanding between the Food and Drug Administration and the United States Customs and Border Protection.

(b) FDA Import Facilities and Inspection Capacity.—In carrying out this section, the Secretary shall—

(1) in collaboration with the Secretary of Homeland Security and the Postmaster General of the United States Postal Service, provide that import facilities in which the Food and Drug Administration operates or carries out activities related to
drug imports within the international mail facilities
include—

(A) facility upgrades and improved capacity in order to increase and improve inspection
and detection capabilities, which may include, as the Secretary determines appropriate—

(i) improvements to facilities, such as upgrades or renovations, and support for
the maintenance of existing import facilities and sites to improve coordination be-
tween Federal agencies;

(ii) the construction of, or upgrades to, laboratory capacity for purposes of de-
tection and testing of imported goods;

(iii) upgrades to the security of import facilities; and

(iv) innovative technology and equipment to facilitate improved and near-real-
time information sharing between the Food
and Drug Administration, the Department
of Homeland Security, and the United
States Postal Service; and

(B) provide import facilities in which the
Food and Drug Administration operates or car-
rries out activities related to drug imports within
the international mail facilities with innovative
technology, including controlled substance de-
tection and testing equipment and other appli-
cable technology, and collaborate with United
States Customs and Border Protection to share
near-real-time information, including informa-
tion about test results, as appropriate, provided
that such technology is interoperable with tech-
nology used by other relevant Federal agencies,
including the United States Customs and Bor-
der Protection, as applicable, and is used in the
time and manner that the Secretary determines
appropriate.

(e) REPORT.—Not later than 6 months after the date
of enactment of this Act, the Secretary, in consultation
with the Secretary of Homeland Security and the Post-
master General of the United States Postal Service, shall
report to the relevant committees of Congress on the im-
plementation of this section, including a summary of
progress made towards near-real-time information sharing
and the interoperability of such technologies.

(d) AUTHORIZATION OF APPROPRIATIONS.—Out of
amounts otherwise available to the Secretary, the Sec-
retary may allocate such sums as may be necessary for
purposes of carrying out this section.
SEC. 304. CLARIFYING FDA POST-MARKET AUTHORITIES.

Section 505–1(b)(1)(E) of the Federal Food, Drug, and Cosmetic Act (21 U.S.C. 355–1(b)(1)(E)) is amended by striking “of the drug” and inserting “of the drug, which may include reduced effectiveness that is not in accordance with the labeling of such drug”.

SEC. 305. FIRST RESPONDER TRAINING.

Section 546 of the Public Health Service Act (42 U.S.C. 290ee–1) is amended—

(1) in subsection (e)—

(A) in paragraph (2), by striking “and” at the end;

(B) in paragraph (3), by striking the period and inserting “; and”; and

(C) by adding at the end the following:

“(4) train and provide resources for first responders and members of other key community sectors on safety around fentanyl and other dangerous illicit drugs to protect themselves from exposure to fentanyl and respond appropriately when exposure occurs.”;

(2) in subsection (d), by inserting “, and safety around fentanyl and other dangerous illicit drugs” before the period;

(3) in subsection (f)—
(A) in paragraph (3), by striking “and” at the end;

(B) in paragraph (4), by striking the period and inserting a semicolon; and

(C) by adding at the end the following:

“(5) the number of first responders and members of other key community sectors trained on safety around fentanyl and other dangerous illicit drugs.”; and

(4) in subsection (g), by striking “$12,000,000 for each of fiscal years 2017 through 2021” and inserting “$36,000,000 for each of fiscal years 2019 through 2023”.

SEC. 306. DISPOSAL OF CONTROLLED SUBSTANCES OF A DECEASED HOSPICE PATIENT BY EMPLOYEES OF A HOSPICE PROGRAM.

(a) In general.—Section 302(g) of the Controlled Substances Act (21 U.S.C. 822(g)) is amended by adding at the end the following:

“(5)(A) An employee of a qualified hospice program acting within the scope of employment may handle, in the place of residence of a hospice patient, any controlled substance that was lawfully dispensed to the hospice patient, for the purpose of assisting in the disposal of the controlled substance after the hospice patient’s death.
“(B) In this paragraph:

“(i) The term ‘employee of a qualified hospice program’ means a physician, physician assistant, or nurse who—

“(I) is employed by, or is acting pursuant to arrangements made with, a qualified hospice program; and

“(II) is licensed or certified to perform such employment or acts in accordance with applicable State law.

“(ii) The terms ‘hospice care’ and ‘hospice program’ have the meanings given those terms in section 1861(dd) of the Social Security Act (42 U.S.C. 1395x(dd)).

“(iii) The term ‘hospice patient’ means an individual receiving hospice care.

“(iv) The term ‘qualified hospice program’ means a hospice program that—

“(I) has written policies and procedures for employees of the hospice program to use assisting in the disposal of the controlled substances of a hospice patient after the hospice patient’s death;

“(II) at the time when the controlled substances are first ordered—
“(aa) provides a copy of the written policies and procedures to the hospice patient or hospice patient representative and the family of the hospice patient;

“(bb) discusses the policies and procedures with the hospice patient or hospice patient’s representative and the hospice patient’s family in a language and manner that such individuals understand to ensure that such individuals are informed regarding the safe disposal of controlled substances; and

“(cc) documents in the clinical record of the hospice patient that the written policies and procedures were provided and discussed with the hospice patient or hospice patient’s representative; and

“(III) at the time when an employee of the hospice program assists in the disposal of controlled substances of a hospice patient, documents in the clinical record of the hospice patient a list of all controlled substances disposed of.

“(C) The Attorney General may, by regulation, include additional types of licensed medical profes-
sionals in the definition of the term ‘employee of a qualified hospice program’ under subparagraph (B).”.

(b) No Registration Required.—Section 302(c) of the Controlled Substances Act (21 U.S.C. 822(c)) is amended by adding at the end the following:

“(4) An employee of a qualified hospice program for the purpose of assisting in the disposal of a controlled substance in accordance with subsection (g)(5).”.

(c) Guidance.—The Attorney General may issue guidance to qualified hospice programs to assist the programs in satisfying the requirements under paragraph (5) of section 302(g) of the Controlled Substances Act (21 U.S.C. 822(g)), as added by subsection (a).

(d) State and Local Authority.—Nothing in this section or the amendments made by this section shall be construed to prevent a State or local government from imposing additional controls or restrictions relating to the regulation of the disposal of controlled substances in hospice care or hospice programs.

SEC. 307. GAO STUDY AND REPORT ON HOSPICE SAFE DRUG MANAGEMENT.

(a) Study.—
(1) IN GENERAL.—The Comptroller General of the United States (in this section referred to as the “Comptroller General”) shall conduct a study on the requirements applicable to and challenges of hospice programs with regard to the management and disposal of controlled substances in the home of an individual.

(2) CONTENTS.—In conducting the study under paragraph (1), the Comptroller General shall include—

(A) an overview of challenges encountered by hospice programs regarding the disposal of controlled substances, such as opioids, in a home setting, including any key changes in policies, procedures, or best practices for the disposal of controlled substances over time; and

(B) a description of Federal requirements, including requirements under the Medicare program, for hospice programs regarding the disposal of controlled substances in a home setting, and oversight of compliance with those requirements.

(b) REPORT.—Not later than 18 months after the date of enactment of this Act, the Comptroller General shall submit to Congress a report containing the results
of the study conducted under subsection (a), together with
recommendations, if any, for such legislation and adminis-
trative action as the Comptroller General determines ap-
propriate.

SEC. 308. DELIVERY OF A CONTROLLED SUBSTANCE BY A
PHARMACY TO BE ADMINISTERED BY INJEC-
TION, IMPLANTATION, OR INTRATHECAL
PUMP.

(a) IN GENERAL.—The Controlled Substances Act is
amended by inserting after section 309 (21 U.S.C. 829)
the following:

“DELIVERY OF A CONTROLLED SUBSTANCE BY A
PHARMACY TO AN ADMINISTERING PRACTITIONER

“Sec. 309A. (a) IN GENERAL.—Notwithstanding
section 102(10), a pharmacy may deliver a controlled sub-
stance to a practitioner in accordance with a prescription
that meets the requirements of this title and the regula-
tions issued by the Attorney General under this title, for
the purpose of administering of the controlled substance
by the practitioner if—

“(1) the controlled substance is delivered by the
pharmacy to the prescribing practitioner or the prac-
titioner administering the controlled substance, as
applicable, at the location listed on the practitioner’s
certificate of registration issued under this title;
“(2)(A) in the case of administering of the controlled substance for the purpose of maintenance or detoxification treatment under section 303(g)(2)—

“(i) the practitioner who issued the prescription is a qualifying practitioner authorized under, and acting within the scope of that section; and

“(ii) the controlled substance is to be administered by injection or implantation; or

“(B) in the case of administering of the controlled substance for a purpose other than maintenance or detoxification treatment, the controlled substance is to be administered by a practitioner through use of an intrathecal pump;

“(3) the pharmacy and the practitioner are authorized to conduct the activities specified in this section under the law of the State in which such activities take place;

“(4) the prescription is not issued to supply any practitioner with a stock of controlled substances for the purpose of general dispensing to patients;

“(5) except as provided in subsection (b), the controlled substance is to be administered only to the patient named on the prescription not later than
14 days after the date of receipt of the controlled substance by the practitioner; and

“(6) notwithstanding any exceptions under section 307, the prescribing practitioner, and the practitioner administering the controlled substance, as applicable, maintain complete and accurate records of all controlled substances delivered, received, administered, or otherwise disposed of under this section, including the persons to whom controlled substances were delivered and such other information as may be required by regulations of the Attorney General.

“(b) Modification of Number of Days Before Which Controlled Substance Shall Be Administered.—

“(1) Initial 2-year period.—During the 2-year period beginning on the date of enactment of this section, the Attorney General, in coordination with the Secretary, may reduce the number of days described in subsection (a)(5) if the Attorney General determines that such reduction will—

“(A) reduce the risk of diversion; or

“(B) protect the public health.

“(2) Modifications after submission of report.—After the date on which the report de-
scribed in subsection (c) is submitted, the Attorney General, in coordination with the Secretary, may modify the number of days described in subsection (a)(5).

“(3) **Minimum number of days.**—Any modification under this subsection shall be for a period of not less than 7 days.”.

(b) **Study and Report.**—Not later than 2 years after the date of enactment of this section, the Comptroller General of the United States shall conduct a study and submit to Congress a report on access to and potential diversion of controlled substances administered by injection, implantation, or through the use of an intrathecal pump.

(c) **Technical and Conforming Amendment.**—The table of contents for the Comprehensive Drug Abuse Prevention and Control Act of 1970 is amended by inserting after the item relating to section 309 the following:

“Sec. 309A. Delivery of a controlled substance by a pharmacy to an administering practitioner.”.

**TITLE IV—TREATMENT AND RECOVERY**

**SEC. 401. COMPREHENSIVE OPIOID RECOVERY CENTERS.**

(a) **In General.**—Part D of title V of the Public Health Service Act is amended by adding at the end the following new section:
“SEC. 550. COMPREHENSIVE OPIOID RECOVERY CENTERS.

“(a) In general.—The Secretary, acting through the Assistant Secretary for Mental Health and Substance Use, shall award grants on a competitive basis to eligible entities to establish or operate a comprehensive opioid recovery center (referred to in this section as a ‘Center’). A Center may be a single entity or an integrated delivery network.

“(b) Grant period.—

“(1) In general.—A grant awarded under subsection (a) shall be for a period not more than 5 years.

“(2) Renewal.—A grant awarded under subsection (a) may be renewed, on a competitive basis, for additional periods of time, as determined by the Secretary. In determining whether to renew a grant under this paragraph, the Secretary shall consider the data submitted under subsection (h).

“(c) Minimum number of grants.—The Secretary shall allocate the amounts made available under subsection (j) such that not fewer than 10 grants may be awarded. Not more than one grant shall be made to entities in a single State for any one period.

“(d) Application.—In order to be eligible for a grant under subsection (a), an entity shall submit an application to the Secretary at such time and in such manner...
as the Secretary may require. Such application shall in-
clude—

“(1) evidence that such entity carries out, or is
capable of coordinating with other entities to carry
out, the activities described in subsection (g); and
“(2) such other information as the Secretary
may require.

“(e) PRIORITY.—In awarding grants under sub-
section (a), the Secretary shall give priority to eligible enti-
ties located in a State with an overdose mortality rate that
is above the national overdose mortality rate, as deter-
mined by the Director of the Centers for Disease Control
and Prevention.

“(f) PREFERENCE.—In awarding grants under sub-
section (a), the Secretary may give preference to eligible
entities utilizing technology-enabled collaborative learning
and capacity building models, including such models as de-

defined in section 2 of the Expanding Capacity for Health
Outcomes Act (Public Law 114–270; 130 Stat. 1395), to
conduct the activities described in this section.

“(g) CENTER ACTIVITIES.—Each Center shall, at a
minimum, carry out the following activities directly,
through referral, or through contractual arrangements,
which may include carrying out such activities through
technology-enabled collaborative learning and capacity
building models described in subsection (f):

“(1) TREATMENT AND RECOVERY SERVICES.—

Each Center shall—

“(A) ensure that intake and evaluations
meet the individualized clinical needs of pa-
tients, including by offering assessments for
services and care recommendations through
independent, evidence-based verification proc-
esses for reviewing patient placement in treat-
ment settings;

“(B) provide the full continuum of treat-
ment services, including—

“(i) all drugs approved by the Food
and Drug Administration to treat sub-
stance use disorders;

“(ii) medically supervised withdrawal
management that includes patient evalua-
tion, stabilization, and readiness for and
entry into treatment;

“(iii) counseling provided by a pro-
gram counselor or other certified profes-
sional who is licensed and qualified by edu-
cation, training, or experience to assess the
psychological and sociological background
of patients, to contribute to the appropriate treatment plan for the patient, and to monitor patient progress;

“(iv) treatment, as appropriate, for patients with co-occurring substance use and mental health disorders;

“(v) residential rehabilitation, and outpatient and intensive outpatient programs;

“(vi) recovery housing;

“(vii) community-based and peer recovery support services;

“(viii) job training, job placement assistance, and continuing education assistance to support reintegration into the workforce; and

“(ix) other best practices to provide the full continuum of treatment and services, as determined by the Secretary;

“(C) periodically conduct patient assessments to support sustained and clinically significant recovery, as defined by the Assistant Secretary for Mental Health and Substance Use;
“(D) administer an onsite pharmacy and provide toxicology services, for purposes of carrying out this section; and

“(E) operate a secure, confidential, and interoperable electronic health information system.

“(2) OUTREACH.—Each Center shall carry out outreach activities to publicize the services offered through the Centers, which may include—

“(A) training and supervising outreach staff, as appropriate, to work with State and local health departments, health care providers, State and local education agencies, institutions of higher education, State and local workforce development boards, State and local community action agencies, public safety officials, first responders, child welfare agencies, as appropriate, and other community partners and the public, including patients, to identify and respond to community needs, and ensuring that such entities are aware of the services of the Center; and

“(B) disseminating and making publicly available, including through the internet, evidence-based resources that educate professionals and the public on opioid use disorder
and other substance use disorders, including co-
occurring substance use and mental health dis-
orders.

“(h) DATA REPORTING AND PROGRAM OVER-
sight.—With respect to a grant awarded under sub-
section (a), not later than 90 days after the end of the
first year of the grant period, and annually thereafter for
the duration of the grant period (including the duration
of any renewal period for such grant), the entity shall sub-
mit data, as appropriate, to the Secretary regarding—

“(1) the programs and activities funded by the
grant;

“(2) health outcomes of the population of indi-
viduals with a substance use disorder who received
services from the Center, evaluated by an inde-
pendent program evaluator through the use of out-
comes measures, as determined by the Secretary;

“(3) the retention rate of program participants;
and

“(4) any other information that the Secretary
may require for the purpose of ensuring that the
Center is complying with all the requirements of the
grant, including providing the full continuum of
services described in subsection (g)(1)(B).
“(i) Privacy.—The provisions of this section, including with respect to data reporting and program oversight, shall be subject to all applicable Federal and State privacy laws.

“(j) Authorization of Appropriations.—There is authorized to be appropriated $10,000,000 for each of fiscal years 2019 through 2023 for purposes of carrying out this section.”.

(b) Reports to Congress.—

(1) Preliminary report.—Not later than 3 years after the date of the enactment of this Act, the Secretary of Health and Human Services shall submit to Congress a preliminary report that analyzes data submitted under section 550(h) of the Public Health Service Act, as added by subsection (a).

(2) Final report.—Not later than 2 years after submitting the preliminary report required under paragraph (1), the Secretary of Health and Human Services shall submit to Congress a final report that includes—

(A) an evaluation of the effectiveness of the comprehensive services provided by the Centers established or operated pursuant to section 550 of the Public Health Service Act, as added by subsection (a), on health outcomes of the
population of individuals with substance use disorder who receive services from the Center, which shall include an evaluation of the effectiveness of services for treatment and recovery support and to reduce relapse, recidivism, and overdose; and

(B) recommendations, as appropriate, regarding ways to improve Federal programs related to substance use disorders, which may include dissemination of best practices for the treatment of substance use disorders to health care professionals.

SEC. 402. PROGRAM TO SUPPORT COORDINATION AND CONTINUATION OF CARE FOR DRUG OVERDOSE PATIENTS.

(a) IN GENERAL.—The Secretary of Health and Human Services (referred to in this section as the “Secretary”) shall identify or facilitate the development of best practices for—

(1) emergency treatment of known or suspected drug overdose;

(2) coordination and continuation of care and treatment, including, as appropriate, through referrals, of individuals after an opioid overdose; and
(3) the provision of overdose reversal medication, as appropriate.

(b) GRANT ESTABLISHMENT AND PARTICIPATION.—

(1) IN GENERAL.—The Secretary shall award grants on a competitive basis to eligible entities to support implementation of voluntary programs for care and treatment of individuals after an opioid overdose, as appropriate, which may include implementation of the best practices described in subsection (a).

(2) ELIGIBLE ENTITY.—In this section, the term “eligible entity” means an entity that offers treatment or other services for individuals in response to, or following, drug overdoses or a drug overdose.

(3) APPLICATION.—An eligible entity desiring a grant under this section, in consultation with the principal agency of a State in which such entity offers treatment or other services that is responsible for carrying out the block grant for prevention and treatment of substance abuse under subpart II of part B of title XIX of the Public Health Service Act (42 U.S.C. 300x–21 et seq.), shall submit an application to the Secretary, at such time and in such
manner as the Secretary may require, that in-
cludes—

(A) evidence that such eligible entity car-
ries out, or is capable of coordinating with
other entities to carry out, the activities de-
scribed in paragraph (4); and

(B) such additional information as the Sec-
retary may require.

(4) USE OF GRANT FUNDS.—An eligible entity
awarded a grant under this section shall use such
grant funds to—

(A) hire or utilize recovery coaches to help
support recovery, including by—

(i) connecting patients to a continuum
of care services, such as—

(I) treatment and recovery sup-
port programs;

(II) programs that provide non-
clinical recovery support services;

(III) peer support networks;

(IV) recovery community organi-
zations;

(V) health care providers, includ-
ing physicians and other providers of
behavioral health and primary care;
(VI) educational and vocational schools;
(VII) employers;
(VIII) housing services; and
(IX) child welfare agencies;
(ii) providing education on overdose prevention to patients; and
(iii) providing other services the Secretary determines necessary to help ensure continued connection with recovery support services;
(B) establish policies and procedures that address the provision of overdose reversal medication, the administration of all drugs approved by the Food and Drug Administration to treat substance use disorder, and subsequent continuation of, or referral to, evidence-based treatment for patients with a substance use disorder who have experienced a non-fatal drug overdose, in order to prevent relapse, and reduce recidivism and future overdose;
(C) develop or implement best practices for treating non-fatal drug overdoses, including, with respect to care coordination and integrated care models, for long term treatment and recov-
ery options for individuals with a substance use
disorder who have experienced a non-fatal drug
overdose; and

(D) establish integrated models of care for
individuals who have experienced a non-fatal
drug overdose which may include patient as-
assessment, follow up, and transportation to and
from treatment facilities.

(5) ADDITIONAL PERMISSIBLE USES.—In addi-
tion to the uses described in paragraph (4), a grant
awarded under this section may be used, directly or
through contractual arrangements, to provide—

(A) all drugs approved by the Food and
Drug Administration to treat substance use dis-
orders, pursuant to Federal and State law;

(B) withdrawal and detoxification services
that include patient evaluation, stabilization,
and preparation for treatment of substance use
disorder, including treatment described in sub-
paragraph (A), as appropriate; or

(C) mental health services provided by a
program counselor, social worker, therapist, or
other certified professional who is licensed and
qualified by education, training, or experience
to assess the psychosocial background of pa-
tients, to contribute to the appropriate treatment plan for patients with substance use disorder, and to monitor patient progress.

(6) PREFERENCE.—In awarding grants under this section, the Secretary shall give preference to eligible entities that meet any or all of the following criteria:

(A) The eligible entity is a critical access hospital (as defined in section 1861(mm)(1) of the Social Security Act (42 U.S.C. 1395x(mm)(1))), a low volume hospital (as defined in section 1886(d)(12)(C)(i) of such Act (42 U.S.C. 1395ww(d)(12)(C)(i))), or a sole community hospital (as defined in section 1886(d)(5)(D)(iii) of such Act (42 U.S.C. 1395ww(d)(5)(D)(iii))).

(B) The eligible entity is located in a State with an overdose mortality rate that is above the national overdose mortality rate, as determined by the Director of the Centers for Disease Control and Prevention.

(C) The eligible entity demonstrates that recovery coaches will be placed in both health care settings and community settings.
(7) Period of Grant.—A grant awarded to an eligible entity under this section shall be for a period of not more than 5 years.

(c) Definition.—In this section, the term "recovery coach" means an individual—

(1) with knowledge of, or experience with, recovery from a substance use disorder; and

(2) who has completed training from, and is determined to be in good standing by, a recovery services organization capable of conducting such training and making such determination.

(d) Reporting Requirements.—

(1) Reports by Grantees.—Each eligible entity awarded a grant under this section shall submit to the Secretary an annual report for each year for which the entity has received such grant that includes information on—

(A) the number of individuals treated by the entity for non-fatal overdoses, including the number of non-fatal overdoses where overdose reversal medication was administered;

(B) the number of individuals administered medication-assisted treatment by the entity;

(C) the number of individuals referred by the entity to other treatment facilities after a
non-fatal overdose, the types of such other fa-
cilities, and the number of such individuals ad-
mitted to such other facilities pursuant to such
referrals; and

(D) the frequency and number of patients
with reoccurrences, including readmissions for
non-fatal overdoses and evidence of relapse re-
lated to substance abuse disorder.

(2) REPORT BY SECRETARY.—Not later than 5
years after the date of enactment of this Act, the
Secretary shall submit to Congress a report that in-
cludes an evaluation of the effectiveness of the grant
program carried out under this section with respect
to long term health outcomes of the population of in-
dividuals who have experienced a drug overdose, the
percentage of patients treated or referred to treat-
ment by grantees, and the frequency and number of
patients who experienced relapse, were readmitted
for treatment, or experienced another overdose.

(e) PRIVACY.—The requirements of this section, in-
cluding with respect to data reporting and program over-
sight, shall be subject to all applicable Federal and State
privacy laws.

(f) AUTHORIZATION OF APPROPRIATIONS.—There is
authorized to be appropriated to carry out this section
such sums as may be necessary for each of fiscal years 2019 through 2023.

SEC. 403. ALTERNATIVES TO OPIOIDS.

(a) In general.—The Secretary of Health and Human Services shall, directly or through grants to, or contracts with, public and private entities, provide technical assistance to hospitals and other acute care settings on alternatives to opioids for pain management. The technical assistance provided shall be for the purpose of—

(1) utilizing information from acute care providers including emergency departments and other providers that have successfully implemented alternatives to opioids programs, promoting non-opioid protocols and medications while appropriately limiting the use of opioids;

(2) identifying or facilitating the development of best practices on the use of alternatives to opioids, which may include pain-management strategies that involve non-addictive medical products, non-pharmacologic treatments, and technologies or techniques to identify patients at-risk for opioid use disorder;

(3) identifying or facilitating the development of best practices on the use of alternatives to opioids that target common painful conditions and include
certain patient populations, such as geriatric pa-
tients, pregnant women, and children;

(4) disseminating information on the use of al-
ternatives to opioids to providers in acute care set-
tings, which may include emergency departments,
outpatient clinics, critical access hospitals, and Fed-
erally qualified health centers; and

(5) collecting data and reporting on health out-
comes associated with the use of alternatives to
opioids.

(b) AUTHORIZATION OF APPROPRIATIONS.—There is
authorized to be appropriated to carry out this section
such sums as may be necessary for each of fiscal years
2019 through 2023.

SEC. 404. PEER SUPPORT TECHNICAL ASSISTANCE.

(a) TECHNICAL ASSISTANCE FOR PEER SUPPORT
SERVICES.—The Secretary of Health and Human Services
(referred to in this section as the “Secretary”), acting
through the Assistant Secretary for Mental Health and
Substance Abuse, shall provide technical assistance and
support to organizations providing peer support services
related to substance use disorder, including technical as-

sistance and support related to—

(1) training on identifying—

(A) signs of substance use disorder;
(B) resources to assist individuals with a substance use disorder, or resources for families of an individual with a substance use disorder; and

(C) best practices for the delivery of recovery support services;

(2) the provision of translation services, interpretation, or other such services for clients with limited English speaking proficiency;

(3) capacity building; and

(4) evaluation and improvement, as necessary, of the effectiveness of such peer support services.

(b) BEST PRACTICES.—The Secretary shall periodically issue best practices related to peer support services for use by organizations that provide peer support services.

(c) AUTHORIZATION OF APPROPRIATIONS.—There is authorized to be appropriated to carry out this section such sums as may be necessary for each of fiscal years 2019 through 2023.

SEC. 405. MEDICATION-ASSISTED TREATMENT FOR RECOVERY FROM ADDICTION.

(a) REPEAL OF REQUIREMENT TO UPDATE REGULATIONS.—Section 303 of the Comprehensive Addiction and
Recovery Act of 2016 (Public Law 114–198; 130 Stat. 720) is amended by striking subsection (c).

(b) CODIFICATION OF EXPANSION OF MAXIMUM NUMBER OF PATIENTS FOR MEDICATION-ASSISTED TREATMENT.—Section 303(g)(2)(B)(iii)(II) of the Controlled Substances Act (21 U.S.C. (g)(2)(B)(iii)(II)) is amended by striking “100” each place it appears and inserting “275”.

SEC. 406. NATIONAL RECOVERY HOUSING BEST PRACTICES.

(a) BEST PRACTICES.—The Secretary of Health and Human Services (referred to in this section as the “Secretary”), in consultation with the Secretary for Housing and Urban Development, patients with a history of opioid use disorder, and other stakeholders, which may include State accrediting entities and reputable providers of, and analysts of, recovery housing services, shall identify or facilitate the development of best practices, which may include model laws for implementing suggested minimum standards, for operating recovery housing.

(b) DISSEMINATION.—The Secretary shall disseminate the best practices identified or developed under subsection (a) to—
section of technical assistance to State agencies seeking
to adopt or implement such best practices;
(2) recovery housing entities; and
(3) the public, as appropriate.

(c) REQUIREMENTS.—In identifying or facilitating
the development of best practices under subsection (a), the
Secretary, in consultation with appropriate stakeholders,
shall consider how recovery housing is able to (including
by improving access and adherence to treatment) support
recovery and prevent relapse, recidivism, or overdose, in-
cluding overdose death.

(d) RULE OF CONSTRUCTION.—Nothing in this sec-

tion shall be construed to provide the Secretary with the
ability to require States to adhere to minimum standards
in the State oversight of recovery housing.

(e) DEFINITION.—In this section, the term “recovery
housing” means a shared living environment free from al-
cohol and illicit drug use and centered on peer support
and connection to services that promote sustained recovery
from substance use disorders.

SEC. 407. ADDRESSING ECONOMIC AND WORKFORCE IM-

PACTS OF THE OPIOID CRISIS.

(a) DEFINITIONS.—Except as otherwise expressly
provided, in this section:
(1) **Education Provider.**—The term “education provider” means—

(A) an institution of higher education, as defined in section 101 of the Higher Education Act of 1965 (20 U.S.C. 1001); or

(B) a postsecondary vocational institution, as defined in section 102(e) of such Act (20 U.S.C. 1002(e)).

(2) **Eligible Entity.**—The term “eligible entity” means—

(A) a State workforce agency;

(B) a State board;

(C) an outlying area, as defined in section 3 of the Workforce Innovation and Opportunity Act (29 U.S.C. 3102); or

(D) a Tribal entity.

(3) **Local Area; Local Board; One-Stop Operator.**—The terms “local area”, “local board”, and “one-stop operator” have the meanings given such terms in section 3 of the Workforce Innovation and Opportunity Act (29 U.S.C. 3102).

(4) **Local Entity.**—The term “local entity” means a local board or one-stop operator.

(5) **Participating Partnership.**—The term “participating partnership” means a partnership es-
established under subsection (e)(1) by a local entity receiving a subgrant under subsection (d).

(6) **Program Participant.**—The term “program participant” means an individual who—

(A) is a member of a population of workers described in subsection (e)(2) that is served by a participating partnership through the pilot program under this section; and

(B) enrolls with the applicable participating partnership to receive any of the services described in subsection (e)(3).

(7) **Secretary.**—The term “Secretary” means the Secretary of Labor.

(8) **State Board.**—The term “State board” has the meaning given the term in section 3 of the Workforce Innovation and Opportunity Act (29 U.S.C. 3102).

(9) **State Workforce Agency.**—The term “State workforce agency” means the lead State agency with responsibility for the administration of a program under chapter 2 or 3 of subtitle B of title I of the Workforce Innovation and Opportunity Act (29 U.S.C. 3161 et seq., 3171 et seq.).

(10) **Substance Use Disorder.**—The term “substance use disorder” means such a disorder
within the meaning of title V of the Public Health Service Act (42 U.S.C. 290aa et seq.).

(11) Supportive services.—The term "supportive services" has the meaning given such term in section 3 of the Workforce Innovation and Opportunity Act (29 U.S.C. 3102).

(12) Treatment provider.—The term "treatment provider"—

(A) means a health care provider that offers services for treating substance use disorders and is licensed in accordance with applicable State law to provide such services;

(B) accepts health insurance for such services, including coverage under title XIX of the Social Security Act (42 U.S.C. 1396 et seq.);

and

(C) may include—

(i) a nonprofit provider of peer recovery support services, as defined by the State involved in regulation or guidance;

(ii) a community health care provider;

or

(iii) a Federally qualified health center (as defined in section 1861(aa) of the Social Security Act (42 U.S.C. 1395x)).
(13) **Tribal entity.**—The term “Tribal entity” includes any Indian tribe, tribal organization, Indian-controlled organization serving Indians, Native Hawaiian organization, or Alaska Native entity, as such terms are defined or used in section 166 of the Workforce Innovation and Opportunity Act (29 U.S.C. 3221).

(b) **Pilot Program and Grants Authorized.**—

(1) **In General.**—The Secretary, in consultation with the Secretary of Health and Human Services, shall carry out a pilot program to address economic and workforce impacts associated with a high rate of a substance use disorder. In carrying out the pilot program, the Secretary shall make grants, on a competitive basis, to eligible entities to enable such entities to make subgrants to local boards and one-stop operators to address the economic and workforce impacts associated with a high rate of a substance use disorder.

(2) **Grant Amounts.**—The Secretary shall make each such grant in an amount that is not less than $500,000, and not more than $5,000,000, for a fiscal year.

(c) **Grant Applications.**—
(1) IN GENERAL.—An eligible entity applying for a grant under this section shall submit an application to the Secretary at such time and in such form and manner as the Secretary may reasonably require, including the information described in this subsection.

(2) SIGNIFICANT IMPACT ON COMMUNITY BY OPIOID ABUSE AND SUBSTANCE USE DISORDER-RELATED PROBLEMS.—

(A) DEMONSTRATION.—An eligible entity shall include in the application information that demonstrates significant impact on the community by problems related to opioid abuse or another substance use disorder, by—

(i) identifying the communities, regions, or local areas that will be served through the grant (each referred to in this section as a “service area”); and

(ii) showing, for each such service area, an increase equal to or greater than the national increase in such problems, between—

(I) 1999; and

(II) 2016 or the latest year for which data are available.
(B) INFORMATION.—In making the showing described in subparagraph (A)(ii), the eligible entity may use information including data on—

(i) the incidence or prevalence of opioid abuse and other substance use disorders;

(ii) the per capita drug overdose mortality rate, as determined by the Director of the Centers for Disease Control and Prevention;

(iii) the rate of non-fatal hospitalizations related to opioid abuse or another substance use disorder; or

(iv) the number of arrests or convictions, or a relevant law enforcement statistic, that reasonably shows an increase in opioid abuse or another substance use disorder.

(C) SUPPORT FOR STATE STRATEGY.—The eligible entity shall also include in the application information describing how the proposed services and activities support the State’s strategy for addressing problems described in sub-
paragraph (A) in specific regions or across the State, outlying area, or Tribal entity.

(3) ECONOMIC AND EMPLOYMENT CONDITIONS DEMONSTRATE ADDITIONAL FEDERAL SUPPORT NEEDED.—

(A) DEMONSTRATION.—An eligible entity shall include in the application information that demonstrates that a high rate of a substance use disorder has caused, or is coincident to, an economic or employment downturn in the service area.

(B) INFORMATION.—In making the demonstration described in subparagraph (A), the eligible entity may use information including—

(i) documentation of any layoff, announced future layoff, legacy industry decline, decrease in an employment or labor market participation rate, or economic impact, whether or not the result described in this clause is overtly related to a high rate of a substance use disorder;

(ii) documentation showing decreased economic activity related to, caused by, or contributing to a high rate of a substance use disorder, including a description of
how the service area has been impacted, or will be impacted, by such a decrease;

(iii) in particular, information on economic indicators, labor market analyses, information from public announcements, and demographic and industry data;

(iv) information on rapid response activities (as defined in section 3 of the Workforce Innovation and Opportunity Act (29 U.S.C. 3102)) that have been or will be conducted, including demographic data gathered by employer or worker surveys or through other methods;

(v) data or documentation, beyond anecdotal evidence, showing that employers face challenges filling job vacancies due to a lack of skilled workers able to pass a drug test; or

(vi) any additional relevant data or information on the economy, workforce, or another aspect of the service area to support the application.

(4) WORKFORCE SHORTAGE RELATED TO TREATMENT WORKFORCE.—
(A) IN GENERAL.—An eligible entity may include in the application a demonstration of the workforce shortage in a professional area to be addressed under the grant. Such professional areas may include—

(i) substance use disorder treatment and related services;

(ii) non-opioid pain therapy and pain management services; or

(iii) mental health care treatment services.

(B) INFORMATION TO BE INCLUDED.—An eligible entity demonstrating a workforce shortage under subparagraph (A) shall demonstrate the workforce shortage through information that may include—

(i) the distance between—

(I) communities affected by opioid abuse or another substance use disorder; and

(II) facilities or professionals offering services in the professional area;

(ii) the maximum capacity of facilities or professionals to serve individuals in an
affected community, or increases in arrests related to opioid abuse or another substance use disorder, overdose deaths, or nonfatal overdose emergencies in the community; or

(iii) other information that can demonstrate such a shortage.

(d) **Subgrant Authorization and Application Process.**—

(1) **Subgrants Authorized.**—

(A) **In General.**—An eligible entity receiving a grant under subsection (b)—

(i) may use not more than 5 percent of the grant funds for the administrative costs of carrying out the grant; and

(ii) shall use the remaining grant funds to make subgrants to local entities in the area served by the eligible entity to carry out the services and activities described in subsection (e).

(B) **Geographic Distribution.**—In making subgrants under this subsection, an eligible entity shall ensure, to the extent practicable, the equitable geographic distribution (such as
urban and rural distribution) of areas receiving subgrant funds.

(2) Subgrant application.—

(A) In general.—A local entity desiring to receive a subgrant under this subsection shall submit an application at such time and in such and manner as the eligible entity may reasonably require, including the information described in this paragraph.

(B) Contents.—Each application described in subparagraph (A) shall include an analysis of the estimated performance of the local entity in carrying out the proposed services and activities under the subgrant that—

(i) uses primary indicators of performance described in section 116(c)(1)(A)(i) of the Workforce Innovation and Opportunity Act (29 U.S.C. 3141(c)(1)(A)(i)), to assess estimated effectiveness of the proposed services and activities, including the estimated number of individuals with a substance use disorder who may be served by the proposed services and activities;
(ii) analyzes the record of the local entity in serving individuals with a barrier to employment; and

(iii) analyzes the ability of the local entity to establish the partnership described in subsection (e)(1).

(C) Analysis.—The analysis described in subparagraph (B) may include or utilize—

(i) data from the National Center for Health Statistics of the Centers for Disease Control and Prevention;

(ii) data from the Center for Behavioral Health Statistics and Quality of the Substance Abuse and Mental Health Services Administration;

(iii) State vital statistics;

(iv) municipal police department records;

(v) reports from local coroners; or

(vi) other relevant data.

(e) Subgrant Services and Activities.—

(1) Formation of partnership.—

(A) In general.—Each local entity that receives a subgrant under subsection (d) shall form a partnership, established through a writ-
ten contract or other agreement, with members described in subparagraph (B), and shall carry out the services and activities described in this subsection through the partnership.

(B) Members of the Partnership.—A partnership described in subparagraph (A) shall include 1 or more of the following:

(i) The eligible entity.

(ii) A treatment provider.

(iii) An employer or industry organization.

(iv) An education provider.

(v) A justice or law enforcement organization.

(vi) A faith-based or community-based organization.

(vii) Other State or local agencies.

(viii) Other organizations, as determined to be necessary by the local entity.

(2) Selection of Population to be Served.—A participating partnership shall elect to provide services and activities under the subgrant to one or both of the following populations of workers:

(A) Workers, including dislocated workers, new entrants in the workforce, or incumbent...
workers (employed or underemployed), who are
directly or indirectly affected by a high rate of
a substance use disorder and each of whom is—

(i) an individual who voluntarily con-

firms that the individual, or a friend or
family member of the individual, has a his-
tory of opioid abuse or another substance
use disorder; or

(ii) an individual who works or resides
in a community substantially impacted by
a high rate of a substance use disorder or
can otherwise demonstrate job loss as a re-
sult of a high rate of a substance use dis-
order.

(B) Workers, including dislocated workers,
new entrants in the workforce, or incumbent
workers (employed or underemployed), who—

(i) seek to transition to professions
that support individuals struggling with a
substance use disorder or at risk for devel-
oping such disorder, such as professions
that provide—

(I) substance use disorder treat-
ment and related services;
(II) peer recovery support services described in subsection (a)(12)(C)(i);

(III) non-opioid pain therapy and pain management services; or

(IV) mental health care; and

(ii) need new or upgraded skills to better serve such a population of struggling or at-risk individuals.

(3) SERVICES AND ACTIVITIES.—Each participating partnership shall use funds available through a subgrant under this subsection to carry out 1 or more of the following:

(A) ENGAGING EMPLOYERS.—Engaging with employers to—

(i) learn about the skill and hiring requirements of employers;

(ii) learn about the support needed by employers to hire and retain program participants, and other individuals with a substance use disorder, and the support needed by such employers to obtain their commitment to testing creative solutions to employing program participants and such individuals;
(iii) connect employers and workers to on-the-job or customized training programs before or after layoff to help facilitate re-employment;

(iv) connect employers with an education provider to develop classroom instruction to complement on-the-job learning for program participants and such individuals;

(v) help employers develop the curriculum design of a work-based learning program for program participants and such individuals; or

(vi) help employers employ program participants or such individuals engaging in a work-based learning program for a transitional period before hiring such a program participant or individual for full-time employment of not less than 30 hours a week.

(B) Screening services.—Providing screening services, which may include—

(i) using an evidence-based screening method to screen each individual seeking participation in the pilot program to deter-
mine whether the individual has a sub-
stance use disorder;

(ii) conducting an assessment of each
such individual to determine the services
needed for such individual to obtain or re-
tain employment, including an assessment
of strengths and general work readiness;
and

(iii) accepting walk-ins or referrals
from employers, labor organizations, or
other entities recommending individuals to
participate in such program.

(C) INDIVIDUAL TREATMENT AND EM-
PLOYMENT PLAN.—Developing an individual
treatment and employment plan for each pro-
gram participant, which shall include providing
a case manager to work with each participant
to develop the plan, which may include—

(i) identifying employment and career
goals;

(ii) exploring career pathways that
lead to in-demand industries and sectors as
determined by the State board and the
head of the State workforce agency;
(iii) setting appropriate achievement objectives to attain the employment and career goals identified under clause (i); or
(iv) developing the appropriate combination of services to enable the participant to achieve the employment and career goals.

(D) OUTPATIENT TREATMENT AND RECOVERY CARE.—In the case of a participating partnership serving program participants described in paragraph (2)(A)(i) with a substance use disorder, providing individualized and group outpatient treatment and recovery services for such program participants that are offered during the day and evening, and on weekends. Such treatment and recovery services—

(i) shall be based on a model that utilizes combined behavioral interventions and other evidence-based or evidence-informed interventions; and
(ii) may include additional services such as—

(I) health, mental health, addiction, or other forms of outpatient treatment that may impact a sub-
stance use disorder and co-occurring conditions;

(II) drug testing for a current substance use disorder prior to enrollment in career or training services or prior to employment;

(III) linkages to community services, including services offered by partner organizations designed to support program participants; and

(IV) referrals to health care, including referrals to substance use disorder treatment and mental health services.

(E) SUPPORTIVE SERVICES.—Providing supportive services, which shall include services such as—

(i) coordinated wraparound services to provide maximum support for program participants to ensure that the program participants maintain employment and recovery for not less than 12 months, as appropriate;

(ii) assistance in establishing eligibility for assistance under Federal, State,
and local programs providing health services, mental health services, housing services, transportation services, or social services;

(iii) peer recovery support services described in subsection (a)(12)(C)(i);

(iv) networking and mentorship opportunities; or

(v) any supportive services determined necessary by the local entity.

(F) CAREER AND JOB TRAINING SERVICES.—Offering career services and training services, and related services, concurrently or sequentially with the services provided under subparagraphs (B) through (E). Such services shall include the following:

(i) Services provided to program participants who are in a pre-employment stage of the program. Such services may include—

(I) initial education and skills assessments;

(II) traditional classroom training funded through individual training accounts under chapter 3 of subtitle B
of title I of the Workforce Innovation and Opportunity Act (29 U.S.C. 3171 et seq.);

(III) services to promote employability skills such as punctuality, personal maintenance skills, and professional conduct;

(IV) in-depth interviewing and evaluation to identify employment barriers and to develop individual employment plans;

(V) career planning that includes—

(aa) career pathways leading to in-demand, high-wage jobs;

and

(bb) job coaching, job matching, and job placement services;

(VI) provision of payments and fees for employment and training-related applications, tests, and certifications; or

(VII) any other appropriate career service or training service de-
scribed in section 134(c) of the Work-
force Innovation and Opportunity Act
(29 U.S.C. 3174(c)).

(ii) Services provided to program par-
ticipants during their first 6 months of
employment to ensure job retention, which
may include—

(I) case management and support
services, including a continuation of
the services described in clause (i);

(II) a continuation of skills train-
ing, and career and technical edu-
cation, described in clause (i) that is
conducted in collaboration with the
employers of such participants;

(III) mentorship services and job
retention support for such partici-
pants; or

(IV) targeted training for man-
agers and workers working with such
participants (such as mentors), and
human resource representatives in the
business in which such participants
are employed.
(iii) Services to assist program participants in maintaining employment for not less than 12 months, as appropriate.

(G) PROVEN AND PROMISING PRACTICES.—Leading efforts in the service area to identify and promote proven and promising strategies and initiatives for meeting the needs of employers and program participants.

(4) LIMITATIONS.—A participating partnership may not use—

(A) more than 5 percent of the funds received under a subgrant under subsection (d) for the administrative costs of the partnership;

(B) more than 10 percent of the funds received under such subgrant for the provision of treatment and recovery services, as described in paragraph (3)(D); or

(C) more than 10 percent of the funds received under such subgrant for the provision of supportive services described in paragraph (3)(E) to program participants.

(f) PERFORMANCE ACCOUNTABILITY.—

(1) REPORTS.—The Secretary shall establish quarterly reporting requirements for recipients of grants and subgrants under this section that, to the
extent practicable, are based on the performance accountability system under section 116 of the Workforce Innovation and Opportunity Act (29 U.S.C. 3141), including the indicators described in subsection (c)(1)(A)(i) of such section and the requirements for local area performance reports under subsection (d) of such section.

(2) Evaluations.—

(A) Authority to enter into agreements.—The Secretary shall ensure that an independent evaluation is conducted on the pilot program carried out under this section to determine the impact of the program on employment of individuals with substance use disorders. The Secretary shall enter into an agreement with eligible entities receiving grants under this section to pay for all or part of such evaluation.

(B) Methodologies to be used.—The independent evaluation required under this paragraph shall use experimental designs using random assignment or, when random assignment is not feasible, other reliable, evidence-based research methodologies that allow for the strongest possible causal inferences.

(g) Funding.—
(1) Covered Fiscal Year.—In this subsection, the term “covered fiscal year” means any of fiscal years 2018 through 2023.

(2) Using Funding for National Dislocated Worker Grants.—Subject to paragraph (4) and notwithstanding section 132(a)(2)(A) and subtitle D of the Workforce Innovation and Opportunity Act (29 U.S.C. 3172(a)(2)(A), 3221 et seq.) or any other provision of law, the Secretary may use, to carry out the pilot program under this section for a covered fiscal year—

(A) funds made available to carry out section 170 of such Act (29 U.S.C. 3225) for that fiscal year;

(B) funds made available to carry out section 170 of such Act that remain available for that fiscal year; and

(C) funds that remain available under section 172(f) of such Act (29 U.S.C. 3227(f)).

(3) Availability of Funds.—Funds appropriated under section 136(c) of such Act (29 U.S.C. 3181(c)) and made available to carry out section 170 of such Act for a fiscal year shall remain available for use under paragraph (2) for a subsequent fiscal year until expended.
(4) LIMITATION.—The Secretary may not use more than $100,000,000 of the funds described in paragraph (2) for any covered fiscal year under this section.

SEC. 408. YOUTH PREVENTION AND RECOVERY.

(a) SUBSTANCE ABUSE TREATMENT SERVICES FOR CHILDREN, ADOLESCENTS, AND YOUNG ADULTS.—Section 514 of the Public Health Service Act (42 U.S.C. 290bb–7) is amended—

(1) in the section heading, by striking “CHILDREN AND ADOLESCENTS” and inserting “CHILDREN, ADOLESCENTS, AND YOUNG ADULTS”;

(2) in subsection (a)(2), by striking “children, including” and inserting “children, adolescents, and young adults, including”; and

(3) by striking “children and adolescents” each place it appears and inserting “children, adolescents, and young adults”.

(b) YOUTH PREVENTION AND RECOVERY INITIATIVE.—

(1) DEFINITIONS.—In this subsection:

(A) ELIGIBLE ENTITY.—The term “eligible entity” means—

(i) a local educational agency that is seeking to establish or expand substance
use prevention and recovery support services at one or more high schools;

(ii) an institution of higher education;

(iii) a recovery program at an institution of higher education;

(iv) a local board or one-stop operator; or

(v) a nonprofit organization, excluding a school.

(B) High School.—The term “high school” has the meaning given such term in section 8101 of the Elementary and Secondary Education Act of 1965 (20 U.S.C. 7801).

(C) Institution of Higher Education.—The term “institution of higher education” has the meaning given such term in section 101 of the Higher Education Act of 1965 (20 U.S.C. 1001) and includes a “post-secondary vocational institution” as defined in section 102(c) of such Act (20 U.S.C. 1002(c)).

(D) Local Education Agency.—The term “local educational agency” has the meaning given the term in section 8101 of the Elementary and Secondary Education Act of 1965.
(E) LOCAL BOARD; ONE-STOP OPERATOR.—The terms “local board” and “one-stop operator” have the meanings given such terms in section 3 of the Workforce Innovation and Opportunity Act (29 U.S.C. 3102).

(F) RECOVERY PROGRAM.—The term “recovery program” means a program—

(i) to help children, adolescents, or young adults who are recovering from substance use disorders to initiate, stabilize, and maintain healthy and productive lives in the community; and

(ii) that includes peer-to-peer support delivered by individuals with lived experience in recovery, and communal activities to build recovery skills and supportive social networks.

(G) SECRETARY.—The term “Secretary” means the Secretary of Health and Human Services, except as otherwise specified.

(2) BEST PRACTICES.—The Secretary, in consultation with the Secretary of Education, shall—

(A) identify or facilitate the development of evidence-based best practices for prevention of substance misuse and abuse by children, adoles-
cents, and young adults, for appropriate recovery support services, and for appropriate use of medication-assisted treatment for such individuals, if applicable;

(B) disseminate such best practices to local educational agencies, institutions of higher education, recovery programs at institutions of higher education, local boards, one-stop operators, and nonprofit organizations, as appropriate;

(C) conduct a rigorous, independent evaluation of each grant funded under this subsection, particularly its impact on the indicators described in paragraph (5)(B); and

(D) provide technical assistance for grantees under this subsection.

(3) GRANTS AUTHORIZED.—The Secretary, in consultation with the Secretary of Education, shall award 3-year grants, on a competitive basis, to eligible entities to enable such entities, in coordination with State agencies responsible for carrying out substance use disorder prevention and treatment programs, to carry out evidence-based or promising programs for—
(A) prevention of substance abuse and misuse by children, adolescents, and young adults;

(B) recovery support services for children, adolescents, and young adults, which may include counseling, job training, linkages to community-based services, family support groups, and recovery coaching; and

(C) treatment or referrals for treatment of substance use disorders, as appropriate.

(4) APPLICATION.—To be eligible for a grant under this subsection, an entity shall submit to the Secretary an application at such time, in such manner, and containing such information as the Secretary may require. Such application shall include—

(A) a description of the impact of substance use disorders on children, adolescents, and young adults enrolled in the local educational agency, one-stop operator, local board, or institution of higher education;

(B) a description of how the eligible entity has solicited input from faculty, teachers, staff, families, students, and experts in substance use prevention and treatment in developing such application;
(C) how the eligible entity plans to use grant funds for evidence-based or promising activities, in accordance with this subsection to prevent, provide recovery support for, and treat substance use disorders amongst such individuals;

(D) an assurance that the eligible entity will participate in the evaluation described in paragraph (2)(C); and

(E) a description of how the eligible entity will collaborate with local service providers, including substance use disorder treatment programs, providers of mental health services, and primary care providers, in carrying out the grant program.

(5) REPORT.—Each eligible entity awarded a grant under this section shall submit to the appropriate committees of Congress, a report at such time and in such manner as the Secretary may require. Such report shall include—

(A) a description of how the eligible entity used grant funds, in accordance with this subsection, including the number of children, adolescents, and young adults reached through programming; and
(B) a description of how the grant program has made an impact on—

(i) indicators of student success, including student well-being and academic achievement; and

(ii) substance use disorders amongst children, adolescents, and young adults, including the number of overdoses and deaths amongst children, adolescents, and young adults during the grant period.

(6) AUTHORIZATION OF APPROPRIATIONS.—There is authorized to be appropriated, such sums as may be necessary to carry out this subsection.

SEC. 409. PLANS OF SAFE CARE.

(a) IN GENERAL.—Section 105(a) of the Child Abuse Prevention and Treatment Act (42 U.S.C. 5106(a)) is amended by adding at the end the following:

“(7) GRANTS TO STATES TO IMPROVE AND COORDINATE THEIR RESPONSE TO ENSURE THE SAFETY, PERMANENCY, AND WELL-BEING OF INFANTS AFFECTED BY SUBSTANCE USE.—

“(A) PROGRAM AUTHORIZED.—The Secretary shall make grants to States for the purpose of assisting child welfare agencies, social services agencies, substance use disorder treat-
ment agencies, public health and mental health agencies, and maternal and child health agen-
cies to facilitate collaboration in developing, up-
dating, and implementing plans of safe care de-
scribed in section 106(b)(2)(B)(iii).

“(B) DISTRIBUTION OF FUNDS.—

“(i) Reservations.—Of the amounts appropriated under subparagraph (H), the
Secretary shall reserve—

“(I) no more than 3 percent for
the purposes described in subpara-
graph (G); and

“(II) up to 3 percent for grants to Indian Tribes and tribal organiza-
tions for purposes consistent with this
section, as the Secretary determines
appropriate.

“(ii) Allotments to States and Territories.—The Secretary shall allot the amount appropriated under subpar-
graph (H) that remains after application of clause (i) on a competitive basis to
States that apply for such a grant.

“(iii) Selection Criteria.—The Secretary shall allot funds to States that
demonstrate a strong need for such funds, and a strong commitment to using such funds, to meet the purposes described in subparagraph (A) in accordance with subparagraph (D).

“(C) APPLICATION.—A State desiring a grant under this paragraph shall submit an application to the Secretary at such time and in such manner as the Secretary may require. Such application shall include—

“(i) a description of—

“(I) the impact of substance use disorder in such State, including with respect to the substance or class of substances with the highest incidence of abuse in the previous year in such State, including—

“(aa) the prevalence of substance use disorder in such State;

“(bb) the aggregate rate of births in the State of infants affected by substance abuse or withdrawal symptoms or a fetal alcohol spectrum disorder (as determined by hospitals, insurance
claims, claims submitted to the
State Medicaid program, or other
records), if available and to the
extent practicable; and

“(cc) the number of infants
identified, for whom a plan of
safe care was developed, and for
whom a referral was made for
appropriate services, as reported
under section 106(d)(18);

“(II) the challenges the State
faces in developing and implementing
plans of safe care in accordance with
section 106(b)(2)(B)(iii);

“(III) the State’s lead agency for
the grant program and how that agen-
ency will coordinate with relevant State
entities and programs, including the
child welfare agency, the substance
use disorder treatment agency, the
public health and mental health agen-
cies, programs funded by the Residen-
tial Treatment for Pregnant and
Postpartum Women grant program of
the Substance Abuse and Mental
Health Services Administration under section 508 of the Public Health Service Act (42 U.S.C. 290bb–1), the State Medicaid program, the State agency administering the block grant program under title V of the Social Security Act (42 U.S.C. 701 et seq.), the State agency administering the programs funded under part C of the Individuals with Disabilities Education Act (20 U.S.C. 1431 et seq.), the maternal, infant, and early childhood home visiting program under section 511 of the Social Security Act (42 U.S.C. 711), the State judicial system, and other agencies, as determined by the Secretary;

“(IV) how the State will monitor local implementation of plans of safe care, in accordance with section 106(b)(2)(B)(iii)(II);

“(V) how the State meets the requirements of section 1927 of the Public Health Service Act (42 U.S.C. 300x–27);
“(VI) how the State plans to utilize funding authorized under part E of title IV of the Social Security Act (42 U.S.C. 670 et seq.) to assist in carrying out any plan of safe care, including such funding authorized under section 471(e) of such Act (as in effect on October 1, 2018) for mental health and substance abuse prevention and treatment services and in-home parent skill-based programs and funding authorized under such section 472(j) (as in effect on October 1, 2018) for children with a parent in a licensed residential family-based treatment facility for substance abuse; and

“(VII) an assessment of the treatment and other services and programs available in the State, to effectively carry out any plan of safe care developed, including identification of needed treatment, and other services and programs to ensure the wellbeing of young children and their families affected by substance use disorder,
such as programs carried out under part C of the Individuals with Disabilities Education Act and comprehensive early childhood development services and programs such as Head Start programs;

“(ii) a description of how the State plans to use funds for activities described in subparagraph (D) for the purposes of ensuring State compliance with requirements under clauses (ii) and (iii) of section 106(b)(2)(B); and

“(iii) an assurance that the State will—

“(I) comply with this Act and parts B and E of title IV of the Social Security Act (42 U.S.C. 621 et seq., 670 et seq.); and

“(II) comply with requirements to refer a child identified as substance-exposed to early intervention services as required pursuant to a grant under part C of the Individuals with Disabilities Education Act (20 U.S.C. 1431 et seq.).
“(D) Uses of funds.—Funds awarded to a State under this paragraph may be used for the following activities, which may be carried out by the State directly, or through grants or subgrants, contracts, or cooperative agreements:

“(i) Improving State and local systems with respect to the development and implementation of plans of safe care, which—

“(I) shall include parent and caregiver engagement, as required under section 106(b)(2)(B)(iii)(I), regarding available treatment and service options, which may include resources available for pregnant, perinatal, and postnatal women; and

“(II) may include activities such as—

“(aa) developing policies, procedures, or protocols for the administration of evidence-based and validated screening tools for infants who may be affected by substance use withdrawal symptoms or a fetal alcohol spectrum
disorder and pregnant, perinatal, and postnatal women whose infants may be affected by substance use withdrawal symptoms or a fetal alcohol spectrum disorder;

“(bb) improving assessments used to determine the needs of the infant and family;

“(cc) improving ongoing case management services; and

“(dd) improving access to treatment services, which may be prior to the pregnant woman’s delivery date.

“(ii) Developing policies, procedures, or protocols in consultation and coordination with health professionals, public and private health facilities, and substance use disorder treatment agencies to ensure that—

“(I) appropriate notification to child protective services is made in a timely manner;
“(II) a plan of safe care is in place, where needed, before the infant is discharged from the birth or health care facility; and

“(III) such health and related agency professionals are trained on how to follow such protocols and are aware of the supports that may be provided under a plan of safe care.

“(iii) Training health professionals and health system leaders, child welfare workers, substance use disorder treatment agencies, and other related professionals such as home visiting agency staff and law enforcement in relevant topics including—

“(I) State mandatory reporting laws and the referral and notification process;

“(II) the co-occurrence of pregnancy and substance use disorder;

“(III) the clinical guidance about treating substance use disorder in pregnant and postpartum women;

“(IV) appropriate screening and interventions for infants affected by
substance use disorder, withdrawal
symptoms, or a fetal alcohol spectrum
disorder and the requirements under
section 106(b)(2)(B)(iii); and

“(V) appropriate strategies to ad-
dress the mental health needs of the
parent and child together.

“(iv) Establishing partnerships, agree-
ments, or memoranda of understanding be-
tween the lead agency and health profes-
sionals, health facilities, child welfare pro-
essionals, substance use disorder and
mental health disorder treatment pro-
grams, early childhood education pro-
grams, and maternal and child health and
early intervention professionals, including
home visiting providers, peer-to-peer recov-
ery programs such as parent mentoring
programs, and housing agencies to facili-
tate the implementation of, and compliance
with section 106(b)(2) and clause (ii) of
this subparagraph, in areas which may in-
clude—

“(I) developing a comprehensive,
multi-disciplinary assessment and
intervention process for infants and their families who are affected by substance use disorder, withdrawal symptoms, or a fetal alcohol spectrum disorder, that includes meaningful engagement with and takes into account the unique needs of each family and addresses differences between legal, medically supervised substance use, and substance use disorder;

“(II) ensuring that treatment approaches for serving infants, pregnant women, and perinatal and postnatal women whose infants may be affected by substance use, withdrawal symptoms, or a fetal alcohol spectrum disorder, are designed to, where appropriate, keep infants with their mothers during both inpatient and outpatient treatment; and

“(III) increasing access to evidence-based medication-assisted treatment approved by the Food and Drug Administration, behavioral therapy, and counseling services for the treat-
ment of substance use disorders, as appropriate.

“(v) Developing and updating systems of technology for improved data collection and monitoring under section 106(b)(2)(B)(iii), including existing electronic medical records, to measure the outcomes achieved through the plans of safe care, including monitoring systems to meet the requirements of this Act and submission of performance measures.

“(E) REPORTING.—Each State that receives funds under this paragraph, for each year such funds are received, shall submit a report to the Secretary, disaggregated by geographic location, economic status, and major racial and ethnic groups, except that such disaggregation shall not be required if the results would reveal personally identifiable information, on the following:

“(i) The number of the infants identified under section 106(b)(2)(B)(ii) who experienced removal due to parental substance use concerns who are reunified with
parents, and the length of time between such removal and reunification.

“(ii) The number of the infants identified under section 106(b)(2)(B)(ii) who experienced substantiated reports of child abuse or neglect and received differential response while in the care of their birth parents or within 1 year after a reunification has occurred.

“(iii) The number of the infants identified under section 106(b)(2)(B)(ii) who experienced a return to out-of-home care within one year after reunification.

“(F) SECRETARY’S REPORT TO CONGRESS.—The Secretary shall submit an annual report to the Committee on Health, Education, Labor, and Pensions and the Committee on Appropriations of the Senate and the Committee on Education and the Workforce and the Committee on Appropriations of the House of Representatives that includes the information described in subparagraph (E) and recommendations or observations on the challenges, successes, and lessons derived from implementation of the grant program.
“(G) Reservation of Funds.—The Secretary shall use the amount reserved under subparagraph (B)(i)(I) for the purposes of—

“(i) providing technical assistance, including programs of in-depth technical assistance, to additional States, territories, and Indian tribes in accordance with the substance-exposed infant initiative developed by the National Center on Substance Abuse and Child Welfare;

“(ii) issuing guidance on the requirements of this Act with respect to infants born with and identified as being affected by substance use or withdrawal symptoms or fetal alcohol spectrum disorder, as described in clauses (ii) and (iii) of section 106(b)(2)(B), including by—

“(I) clarifying key terms; and

“(II) disseminating best practices on implementation of plans of safe care, on such topics as differential response, collaboration and coordination, and identification and delivery of services, for different populations;
“(iii) supporting State efforts to develop information technology systems to manage plans of safe care; and

“(iv) preparing the Secretary’s report to Congress described in subparagraph (F).

“(H) AUTHORIZATION OF APPROPRIATIONS.—To carry out the program under this paragraph, there are authorized to be appropriated $60,000,000 for each of fiscal years 2019 through 2023.”.

(b) DEFINITION.—Section 3 of the Child Abuse Prevention and Treatment Act (42 U.S.C. 5101 note) is amended—

(1) in paragraph (7), by striking “; and” and inserting a semicolon;

(2) by redesignating paragraph (8) as paragraph (9); and

(3) by inserting after paragraph (7) the following:

“(8) the term ‘substance use disorder’ means the abuse of alcohol or other drugs; and’.”
SEC. 410. REGULATIONS RELATING TO SPECIAL REGISTRATION FOR TELEMEDICINE.

Section 311(h) of the Controlled Substances Act (21 U.S.C. 831(h)) is amended by striking paragraph (2) and inserting the following:

“(2) REGULATIONS.—

“(A) IN GENERAL.—Not later than 1 year after the date of enactment of the Opioid Crisis Response Act of 2018, in consultation with the Secretary, and in accordance with the procedure described in subparagraph (B), the Attorney General shall promulgate final regulations specifying—

“(i) the limited circumstances in which a special registration under this subsection may be issued; and

“(ii) the procedure for obtaining a special registration under this subsection.

“(B) PROCEDURE.—In promulgating final regulations under subparagraph (A), the Attorney General shall—

“(i) issue a notice of proposed rulemaking that includes a copy of the proposed regulations;
“(ii) provide a period of not less than 60 days for comments on the proposed regulations;

“(iii) finalize the proposed regulation not later than 6 months after the close of the comment period; and

“(iv) publish the final regulations not later than 30 days before the effective date of the final regulations.”.

SEC. 411. NATIONAL HEALTH SERVICE CORPS BEHAVIORAL AND MENTAL HEALTH PROFESSIONALS PROVIDING OBLIGATED SERVICE IN SCHOOLS AND OTHER COMMUNITY-BASED SETTINGS.

Subpart III of part D of title III of the Public Health Service Act (42 U.S.C. 254l et seq.) is amended by adding at the end the following:

“SEC. 338N. BEHAVIORAL AND MENTAL HEALTH PROFESSIONALS PROVIDING OBLIGATED SERVICE IN SCHOOLS AND OTHER COMMUNITY-BASED SETTINGS.

“(a) SCHOOLS AND COMMUNITY-BASED SETTINGS.—An entity to which a Corps member is assigned under section 333 may direct such Corps member to provide service as a behavioral and mental health professional at a school
or other community-based setting located in a health professional shortage area.

“(b) Obligated Service.—

“(1) In general.—Any service described in subsection (a) that a Corps member provides may count towards such Corps member’s completion of any obligated service requirements under the Scholarship Program or the Loan Repayment Program, subject to any limitation imposed under paragraph (2).

“(2) Limitation.—The Secretary may impose a limitation on the number of hours of service described in subsection (a) that a Corps member may credit towards completing obligated service requirements, provided that the limitation allows a member to credit service described in subsection (a) for not less than 50 percent of the total hours required to complete such obligated service requirements.

“(c) Rule of construction.—The authorization under subsection (a) shall be notwithstanding any other provision of this subpart or subpart II.”.

SEC. 412. LOAN REPAYMENT FOR SUBSTANCE USE DISORDER TREATMENT PROVIDERS.

(a) Loan Repayment for Substance Use Treatment Providers.—The Secretary of Health and Human
Services (referred to in this section as the “Secretary”) shall enter into contracts under section 338B of the Public Health Service Act (42 U.S.C. 254l–1) with eligible health professionals providing substance use disorder treatment services in substance use disorder treatment facilities, as defined by the Secretary.

(b) Provision of Substance Use Disorder Treatment.—In carrying out the activities described in subsection (a)—

(1) such facilities shall be located in mental health professional shortage areas designated under section 332 of the Public Health Service Act (42 U.S.C. 254e);

(2) section 331(a)(3)(D) of such Act (42 U.S.C. 254d(a)(3)(D)) shall be applied as if the term “primary health services” includes health services regarding substance use disorder treatment;

(3) section 331(a)(3)(E)(i) of such Act (42 U.S.C. 254d(a)(3)(E)(i)) shall be applied as if the term “behavioral and mental health professionals” includes masters level, licensed substance use disorder treatment counselors; and

(4) such professionals and facilities shall provide—
(A) counseling by a program counselor or other certified professional who is licensed and qualified by education, training, or experience to assess the psychological and sociological background of patients, to contribute to the appropriate treatment plan for the patient, and to monitor progress; and

(B) all drugs approved by the Food and Drug Administration to treat substance use disorders.

(c) Authorization of Appropriations.—There is authorized to be appropriated to carry out this section, $25,000,000 for each of fiscal years 2019 through 2023.

SEC. 413. IMPROVING TREATMENT FOR PREGNANT AND POSTPARTUM WOMEN.

(a) Report.—

(1) In general.—Not later than 60 days after the date of enactment of this Act, the Secretary of Health and Human Services (referred to in this subsection as the “Secretary”) shall submit to the appropriate committees of Congress and make available to the public on the internet website of the Department of Health and Human Services a report regarding the implementation of the recommendations in the strategy relating to prenatal opioid use,
including neonatal abstinence syndrome, developed pursuant to section 2 of the Protecting Our Infants Act of 2015 (Public Law 114–91). Such report shall include—

(A) an update on the implementation of the recommendations in the strategy, including information regarding the agencies involved in the implementation; and

(B) information on additional funding or authority the Secretary requires, if any, to implement the strategy, which may include authorities needed to coordinate implementation of such strategy across the Department of Health and Human Services.

(2) Periodic updates.—The Secretary shall periodically update the report under paragraph (1).

(b) Residential Treatment Programs for Pregnant and Postpartum Women.—Section 508(s) of the Public Health Service Act (42 U.S.C. 290bb–1(s)) is amended by striking “$16,900,000 for each of fiscal years 2017 through 2021” and inserting “$29,931,000 for each of fiscal years 2019 through 2023”.

S 2680 IS
SEC. 414. EARLY INTERVENTIONS FOR PREGNANT WOMEN
AND INFANTS.

(a) Development of Educational Materials by Center for Substance Abuse Prevention.—Section
515(b) of the Public Health Service Act (42 U.S.C.
290bb–21(b)) is amended—

(1) in paragraph (13), by striking “and” at the
end;

(2) in paragraph (14), by striking the period at
the end and inserting “; and”; and

(3) by adding at the end the following:

“(15) in cooperation with relevant stakeholders
and the Director of the Centers for Disease Control
and Prevention, develop educational materials for
clinicians to use with pregnant women for shared de-
cisionmaking regarding pain management during
pregnancy.”.

(b) Guidelines and Recommendations by Center for Substance Abuse Treatment.—Section
507(b) of the Public Health Service Act (42 U.S.C.
290bb(b)) is amended—

(1) in paragraph (13), by striking “and” at the
end;

(2) in paragraph (14), by striking the period at
the end and inserting a semicolon; and

(3) by adding at the end the following:
“(15) in cooperation with the Secretary, implement and disseminate, as appropriate, the recommendations in the report entitled ‘Protecting Our Infants Act: Final Strategy’ issued by the Department of Health and Human Services in 2017; and’.

(c) Support of Partnerships by Center for Substance Abuse Treatment.—Section 507(b) of the Public Health Service Act (42 U.S.C. 290bb(b)), as amended by subsection (b), is further amended by adding at the end the following:

“(16) in cooperation with relevant stakeholders, support public-private partnerships to assist with education about, and support with respect to, substance use disorder for pregnant women and health care providers who treat pregnant women and babies.”.

**TITLE V—PREVENTION**

**SEC. 501. STUDY ON PRESCRIBING LIMITS.**

Not later than 2 years after the date of enactment of this Act, the Secretary of Health and Human Services, in consultation with the Attorney General, shall submit to the Committee on Health, Education, Labor, and Pensions of the Senate and the Committee on Energy and Commerce of the House of Representatives a report on the impact of Federal and State laws and regulations that
limit the length, quantity, or dosage of opioid prescriptions. Such report shall address—

(1) the impact of such limits on—

(A) the incidence and prevalence of overdose related to prescription opioids;

(B) the incidence and prevalence of overdose related to illicit opioids;

(C) the prevalence of opioid use disorders; and

(D) medically appropriate use of, and access to, opioids, including any impact on travel expenses and pain management outcomes for patients, whether such limits are associated with significantly higher rates of negative health outcomes, including suicide, and whether the impact of such limits differs based on clinical indication for which opioids are prescribed;

(2) whether such limits lead to a significant increase in burden for prescribers of opioids or prescribers of treatments for opioid use disorder, including any impact on patient access to treatment, and whether any such burden is mitigated by any factors such as electronic prescribing; and

(3) the impact of such limits on diversion or misuse of any controlled substance in schedule II,
III, or IV of section 202(c) of the Controlled Substances Act (21 U.S.C. 812(c)).

SEC. 502. PROGRAMS FOR HEALTH CARE WORKFORCE.

(a) Program for Education and Training in Pain Care.—Section 759 of the Public Health Service Act (42 U.S.C. 294i) is amended—

(1) in subsection (a), by inserting “nonprofit” after “private”;

(2) in subsection (b)—

(A) in the matter preceding paragraph (1), by striking “award may be made under subsection (a) only if the applicant for the award agrees that the program carried out with the award will include” and inserting “entity receiving an award under this section shall develop a comprehensive education and training plan that includes”;

(B) in paragraph (1)—

(i) by inserting “preventing,” after “diagnosing,”; and

(ii) by inserting “non-addictive medical products and non-pharmacologic treatments and” after “including”;

(C) in paragraph (2)—
(i) by inserting “Federal, State, and local” after “applicable”; and

(ii) by striking “the degree to which” and all that follows through “effective pain care” and inserting “opioids”;

(D) in paragraph (3), by inserting “and, as appropriate, non-pharmacotherapy” before the semicolon;

(E) in paragraph (4)—

(i) by inserting “any” before “cultural”; and

(ii) by striking “; and” and inserting “;”;

(F) in paragraph (5), by striking “provision of pain care.” and inserting “scientific basis of pain and the provision of pain care, including through non-addictive medical products and non-pharmacologic treatments; and”; and

(G) by adding at the end the following:

“(6) the dangers of opioid abuse, detection of early warning signs of opioid use disorders, and safe disposal options for prescription medications, including such options provided by law enforcement, or other innovative deactivation mechanisms.”;
(3) in subsection (d), by inserting “prevention,” after “diagnosis,”; and
(4) in subsection (e), by striking “2010 through 2012” and inserting “2019 through 2023”.

(b) MENTAL AND BEHAVIORAL HEALTH EDUCATION AND TRAINING PROGRAM.—Section 756(a) of the Public Health Service Act (42 U.S.C. 294e–1(a)) is amended—
(1) in paragraph (1), by inserting “, trauma,” after “focus on child and adolescent mental health”; and
(2) in paragraphs (2) and (3), by inserting “trauma-informed care and” before “substance use disorder prevention and treatment services”.

SEC. 503. EDUCATION AND AWARENESS CAMPAIGNS.

Section 102 of the Comprehensive Addiction and Recovery Act of 2016 (Public Law 114–198) is amended—
(1) by amending subsection (a) to read as follows:
“(a) IN GENERAL.—The Secretary of Health and Human Services, acting through the Director of the Centers for Disease Control and Prevention and in coordination with the heads of other departments and agencies, shall advance education and awareness regarding the risks related to misuse and abuse of opioids, as appropriate, which may include developing or improving existing pro-
grams, conducting activities, and awarding grants that advance the education and awareness of—

“(1) the public, including patients and consumers;

“(2) patients, consumers, and other appropriate members of the public, regarding such risks related to unused opioids and the dispensing options under section 309(f) of the Controlled Substances Act, as applicable;

“(3) providers, which may include—

“(A) providing for continuing education on appropriate prescribing practices;

“(B) education related to applicable State or local prescriber limit laws, information on the use of non-addictive or non-opioid alternatives for pain management, and the use of overdose reversal drugs, as appropriate;

“(C) disseminating and improving the use of evidence-based opioid prescribing guidelines across relevant health care settings, as appropriate, and updating guidelines as necessary;

“(D) implementing strategies, such as best practices, to encourage and facilitate the use of prescriber guidelines, in accordance with State and local law; and
“(E) disseminating information to providers about prescribing options for controlled substances, including such options under section 309(f) of the Controlled Substances Act, as applicable; and

“(4) other appropriate entities.”; and

(2) in subsection (b)—

(A) by striking “opioid abuse” each place such term appears and inserting “opioid misuse and abuse”; and

(B) in paragraph (2), by striking “safe disposal of prescription medications and other” and inserting “non-addictive or non-opioid treatment options, safe disposal options for prescription medications, and other applicable”.

SEC. 504. ENHANCED CONTROLLED SUBSTANCE OVERDOSES DATA COLLECTION, ANALYSIS, AND DISSEMINATION.

Part J of title III of the Public Health Service Act is amended by inserting after section 392 (42 U.S.C. 280b–1) the following:
“SEC. 392A. ENHANCED CONTROLLED SUBSTANCE
OVERDOSES DATA COLLECTION, ANALYSIS,
AND DISSEMINATION.

“(a) In general.—The Director of the Centers for
Disease Control and Prevention, using the authority pro-
vided to the Director under section 392, may—

“(1) to the extent practicable, carry out and ex-
and any controlled substance overdose data collect-
ion, analysis, and dissemination activity described
in subsection (b);

“(2) provide training and technical assistance
to States, localities, and Indian tribes for the pur-
pose of carrying out any such activity; and

“(3) award grants to States, localities, and In-
dian tribes for the purpose of carrying out any such
activity.

“(b) Controlled Substance Overdose Data
Collection and Analysis Activities.—A controlled
substance overdose data collection, analysis, and dissemi-
nation activity described in this subsection is any of the
following activities:

“(1) Improving the timeliness of reporting ag-
gregate data to the public, including data on fatal
and nonfatal controlled substance overdoses.

“(2) Enhancing the comprehensiveness of con-
trolled substance overdose data by collecting infor-
information on such overdoses from appropriate sources such as toxicology reports, death scene investigations, and emergency department services.

“(3) Modernizing the system for coding causes of death related to controlled substance overdoses to use an electronic-based system.

“(4) Using data to help identify risk factors associated with controlled substance overdoses, including the delivery of certain health care services.

“(5) Supporting entities involved in reporting information on controlled substance overdoses, such as coroners and medical examiners, to improve accurate testing and reporting of causes and contributing factors of such overdoses, and analysis of various opioid analogues to controlled substances overdoses.

“(6) Working to enable and encourage the access, exchange, and use of data regarding controlled substances overdoses among data sources and entities.

“(c) CONTROLLED SUBSTANCE DEFINED.—In this section, the term ‘controlled substance’ has the meaning given that term in section 102 of the Controlled Substances Act.”.
SEC. 505. PREVENTING OVERDOSES OF CONTROLLED SUB-
STANCES.

Part J of title III of the Public Health Service Act (42 U.S.C. 280b et seq.), as amended by section 504, is further amended by inserting after section 392A the follow-

“SEC. 392B. PREVENTING OVERDOSES OF CONTROLLED
SUBSTANCES.

“(a) Prevention Activities.—

“(1) In General.—The Director of the Cen-
ters for Disease Control and Prevention (referred to in this section as the ‘Director’), using the authority provided to the Director under section 392, may—

“(A) to the extent practicable, carry out and expand any prevention activity described in paragraph (2);

“(B) provide training and technical assist-
ance to States, localities, and Indian tribes to carrying out any such activity; and

“(C) award grants to States, localities, and tribes for the purpose of carrying out any such activity.

“(2) Prevention Activities.—A prevention activity described in this paragraph is an activity to improve the efficiency and use of a new or currently operating prescription drug monitoring program—
“(A) encouraging all authorized users (as specified by the State or other entity) to register with and use the program;

“(B) enabling such users to access any data updates in as close to real-time as practicable;

“(C) providing for a mechanism for the program to notify authorized users of any potential misuse or abuse of controlled substances and any detection of inappropriate prescribing practices relating to such substances;

“(D) encouraging the analysis of prescription drug monitoring data for purposes of providing de-identified, aggregate reports based on such analysis to State public health agencies, State licensing boards, and other appropriate State agencies, as permitted under applicable Federal and State law and the policies of the prescription drug monitoring program and not containing any protected health information, to prevent inappropriate prescribing, drug diversion, or abuse and misuse of controlled substances, and to facilitate better coordination among agencies;
“(E) enhancing interoperability between the program and any health information technology (including certified health information technology), including by integrating program data into such technology;

“(F) updating program capabilities to respond to technological innovation for purposes of appropriately addressing the occurrence and evolution of controlled substance overdoses; and

“(G) facilitating and encouraging data exchange between the program and the prescription drug monitoring programs of other States.

“(b) ADDITIONAL GRANTS.—The Director may award grants to States, localities, and Indian tribes—

“(1) to carry out innovative projects for grantees to rapidly respond to controlled substance misuse, abuse, and overdoses, including changes in patterns of controlled substance use; and

“(2) for any other evidence-based activity for preventing controlled substance misuse, abuse, and overdoses as the Director determines appropriate.

“(c) RESEARCH.—The Director may conduct studies and evaluations to address substance use disorders, including preventing substance use disorders or other related topics the Director determines appropriate.
“(d) PUBLIC AND PRESCRIPTOR EDUCATION.—Pursuant to section 102 of the Comprehensive Addiction and Recovery Act of 2016, the Director may advance the education and awareness of prescribers and the public regarding the risk of abuse of prescription opioids.

“(e) CONTROLLED SUBSTANCE DEFINED.—In this section, the term ‘controlled substance’ has the meaning given that term in section 102 of the Controlled Substances Act.

“(f) AUTHORIZATION OF APPROPRIATIONS.—For purposes of carrying out this section, section 392A of this Act, and section 102 of the Comprehensive Addiction and Recovery Act of 2016, there is authorized to be appropriated $486,000,000 for each of fiscal years 2019 through 2024.”.

SEC. 506. CDC SURVEILLANCE AND DATA COLLECTION FOR CHILD, YOUTH, AND ADULT TRAUMA.

(a) DATA COLLECTION.—The Director of the Centers for Disease Control and Prevention (referred to in this section as the “Director”) may, in cooperation with the States, collect and report data on adverse childhood experiences through the Behavioral Risk Factor Surveillance System, the Youth Risk Behavior Surveillance System, and other relevant public health surveys or questionnaires.
(b) TIMING.—The collection of data under subsection (a) may occur in fiscal year 2019 and every 2 years thereafter.

c) DATA FROM TRIBAL AND RURAL AREAS.—The Director shall encourage each State that participates in collecting and reporting data under subsection (a) to collect and report data from tribal and rural areas within such State, in order to generate a statistically reliable representation of such areas.

d) AUTHORIZATION OF APPROPRIATIONS.—To carry out this section, there are authorized to be appropriated such sums as may be necessary for the period of fiscal years 2019 through 2021.

SEC. 507. REAUTHORIZATION OF NASPER.

Section 399O of the Public Health Service Act (42 U.S.C. 280g–3) is amended—

(1) in subsection (a)—

(A) in paragraph (1), in the matter preceding subparagraph (A), by striking “Administrator of the Substance Abuse and Mental Health Services Administration and Director of the Centers for Disease Control and Prevention” and inserting “Director of the Centers for Disease Control and Prevention and the Assist-
ant Secretary for Mental Health and Substance Use Disorders”; and

(B) by adding at the end the following:

“(4) STATES AND LOCAL GOVERNMENTS.—

“(A) IN GENERAL.—In the case of a State that does not have a prescription drug monitoring program, a county or other unit of local government within the State that has a prescription drug monitoring program shall be treated as a State for purposes of this section, including for purposes of eligibility for grants under paragraph (1).

“(B) PLAN FOR INTEROPERABILITY.—For purposes of meeting the interoperability requirements under subsection (c)(3), a county or other unit of local government shall submit a plan outlining the methods such county or unit of local government will use to ensure the capability of data sharing with other counties and units of local government within the State and with other States, as applicable.”;

(2) in subsection (c)—

(A) in paragraph (1)(A)(iii)—
(i) by inserting “as such standards become available,” after “interoperability standards,”; and

(ii) by striking “generated or identified by the Secretary or his or her designee” and inserting “recognized by the Office of the National Coordinator for Health Information Technology”; and

(B) in paragraph (3)(A), by inserting “including electronic health records,” after “technology systems,”;

(3) in subsection (d)(1), by striking “not later than 1 week after the date of such dispensing” and inserting “in as close to real time as practicable”;

(4) in subsection (f)(1)(D), by striking “medicaid” and inserting “Medicaid”;

(5) in subsection (i), by inserting “, in collaboration with the National Coordinator for Health Information Technology and the Director of the National Institute of Standards and Technology,” after “The Secretary”; and

(6) in subsection (n), by striking “2021” and inserting “2026”.

SEC. 508. JESSIE’S LAW.

(a) Best Practices.—
(1) IN GENERAL.—Not later than 1 year after the date of enactment of this Act, the Secretary of Health and Human Services (referred to in this section as the “Secretary”), in consultation with appropriate stakeholders, including a patient with a history of opioid use disorder, an expert in electronic health records, an expert in the confidentiality of patient health information and records, and a health care provider, shall identify or facilitate the development of best practices regarding—

(A) the circumstances under which information that a patient has provided to a health care provider regarding such patient’s history of opioid use disorder should, only at the patient’s request, be prominently displayed in the medical records (including electronic health records) of such patient;

(B) what constitutes the patient’s request for the purpose described in subparagraph (A); and

(C) the process and methods by which the information should be so displayed.

(2) DISSEMINATION.—The Secretary shall disseminate the best practices developed under para-
(b) REQUIREMENTS.—In identifying or facilitating
the development of best practices under subsection (a), as
applicable, the Secretary, in consultation with appropriate
stakeholders, shall consider the following:

(1) The potential for addiction relapse or over-
dose, including overdose death, when opioid medica-
tions are prescribed to a patient recovering from
opioid use disorder.

(2) The benefits of displaying information
about a patient’s opioid use disorder history in a
manner similar to other potentially lethal medical
concerns, including drug allergies and contraindica-
tions.

(3) The importance of prominently displaying
information about a patient’s opioid use disorder
when a physician or medical professional is pre-
scribing medication, including methods for avoiding
alert fatigue in providers.

(4) The importance of a variety of appropriate
medical professionals, including physicians, nurses,
and pharmacists, having access to information de-
scribed in this section when prescribing or dis-
pensing opioid medication, consistent with Federal
and State laws and regulations.

(5) The importance of protecting patient pri-

vacy, including the requirements related to consent
for disclosure of substance use disorder information
under all applicable laws and regulations.

(6) All applicable Federal and State laws and
regulations.

SEC. 509. DEVELOPMENT AND DISSEMINATION OF MODEL
TRAINING PROGRAMS FOR SUBSTANCE USE
DISORDER PATIENT RECORDS.

(a) INITIAL PROGRAMS AND MATERIALS.—Not later
than 1 year after the date of the enactment of this Act,
the Secretary of Health and Human Services (referred to
in this section as the “Secretary”), in consultation with
appropriate experts, shall identify the following model pro-
gress and materials (or if no such programs or materials
exist, recognize private or public entities to develop and
disseminate such programs and materials):

(1) Model programs and materials for training
health care providers (including physicians, emer-
gency medical personnel, psychiatrists, psychologists,
counselors, therapists, nurse practitioners, physician
assistants, behavioral health facilities and clinics,
care managers, and hospitals, including individuals
such as general counsels or regulatory compliance
staff who are responsible for establishing provider
privacy policies) concerning the permitted uses and
disclosures, consistent with the standards and regu-
lations governing the privacy and security of sub-
stance use disorder patient records promulgated by
the Secretary under section 543 of the Public
Health Service Act (42 U.S.C. 290dd–2) for the
confidentiality of patient records.

(2) Model programs and materials for training
patients and their families regarding their rights to
protect and obtain information under the standards
and regulations described in paragraph (1).

(b) REQUIREMENTS.—The model programs and ma-
terials described in paragraphs (1) and (2) of subsection
(a) shall address circumstances under which disclosure of
substance use disorder patient records is needed to—

(1) facilitate communication between substance
use disorder treatment providers and other health
care providers to promote and provide the best pos-
sible integrated care;

(2) avoid inappropriate prescribing that can
lead to dangerous drug interactions, overdose, or re-
lapse; and
(3) notify and involve families and caregivers when individuals experience an overdose.

(c) Periodic Updates.—The Secretary shall—

(1) periodically review and update the model program and materials identified or developed under subsection (a); and

(2) disseminate such updated programs and materials to the individuals described in subsection (a)(1).

(d) Input of Certain Entities.—In identifying, reviewing, or updating the model programs and materials under this section, the Secretary shall solicit the input of relevant stakeholders.

(e) Authorization of Appropriations.—There is authorized to be appropriated to carry out this section, such sums as may be necessary for each of fiscal years 2019 through 2023.

SEC. 510. COMMUNICATION WITH FAMILIES DURING EMERGENCIES.

(a) Promoting Awareness of Authorized Disclosures During Emergencies.—The Secretary of Health and Human Services shall annually notify health care providers regarding permitted disclosures during emergencies, including overdoses, of certain health infor-
mation to families and caregivers under Federal health
care privacy laws and regulations.

(b) USE OF MATERIAL.—For the purposes of car-
yrying out subsection (a), the Secretary of Health and
Human Services may use material produced under section
509 of this Act or under section 11004 of the 21st Cen-

SEC. 511. PRENATAL AND POSTNATAL HEALTH.

Section 317L of the Public Health Service Act (42
U.S.C. 247b–13) is amended—

(1) in subsection (a)—

(A) by amending paragraph (1) to read as
follows:

“(1) to collect, analyze, and make available data
on prenatal smoking, alcohol and substance abuse
and misuse, including—

“(A) data on—

“(i) the incidence, prevalence, and im-

(i) the incidence, prevalence, and im-

(ii) the incidence and prevalence of

(ii) the incidence and prevalence of

implications of such activities; and

implications and outcomes, including neo-

implications and outcomes, including neo-

outcomes associated with such activities; and

outcomes associated with such activities; and

“(B) to inform such analysis, additional in-

“(B) to inform such analysis, additional in-

formation or data on family health history,
medication exposures during pregnancy, demographic information, such as race, ethnicity, geographic location, and family history, and other relevant information, as appropriate;”;

(B) in paragraph (2)—

(i) by striking “prevention of” and inserting “prevention and long-term outcomes associated with”; and

(ii) by striking “illegal drug use” and inserting “substance abuse and misuse”;:

(C) in paragraph (3), by striking “and cessation programs; and” and inserting “, treatment, and cessation programs;”;

(D) in paragraph (4), by striking “illegal drug use.” and inserting “substance abuse and misuse; and”; and

(E) by adding at the end the following:

“(5) to issue public reports on the analysis of data described in paragraph (1), including analysis of—

“(A) long-term outcomes of children affected by neonatal abstinence syndrome;

“(B) health outcomes associated with prenatal smoking, alcohol, and substance abuse and misuse; and
“(C) relevant studies, evaluations, or information the Secretary determines to be appropriate.”;

(2) in subsection (b), by inserting “tribal entities,” after “local governments,”;

(3) by redesignating subsection (c) as subsection (d);

(4) by inserting after subsection (b) the following:

“(c) COORDINATING ACTIVITIES.—To carry out this section, the Secretary may—

“(1) provide technical and consultative assistance to entities receiving grants under subsection (b);

“(2) ensure a pathway for data sharing between States, tribal entities, and the Centers for Disease Control and Prevention;

“(3) ensure data collection under this section is consistent with applicable State, Federal, and Tribal privacy laws; and

“(4) coordinate with the National Coordinator for Health Information Technology, as appropriate, to assist States and tribes in implementing systems that use standards recognized by such National Coordinator, as such recognized standards are avail-
able, in order to facilitate interoperability between such systems and health information technology systems, including certified health information technology.”; and

(5) in subsection (d), as so redesignated, by striking “2001 through 2005” and inserting “2019 through 2023”.

SEC. 512. SURVEILLANCE AND EDUCATION REGARDING INFECTIONS ASSOCIATED WITH INJECTION DRUG USE AND OTHER RISK FACTORS.

Section 317N of the Public Health Service Act (42 U.S.C. 247b–15) is amended—

(1) by amending the section heading to read as follows: “SURVEILLANCE AND EDUCATION REGARDING INFECTIONS ASSOCIATED WITH INJECTION DRUG USE AND OTHER RISK FACTORS”;

(2) in subsection (a)—

(A) in the matter preceding paragraph (1), by inserting “activities” before the colon;

(B) in paragraph (1)—

(i) by inserting “or maintaining” after “implementing”;

(ii) by striking “hepatitis C virus infection (in this section referred to as ‘HCV”
infection’’ and inserting “infections commonly associated with injection drug use, including viral hepatitis and human immunodeficiency virus,”; and

(iii) by striking “such infection” and all that follows through the period at the end and inserting “such infections, which may include the reporting of cases of such infections.”;

(C) in paragraph (2), by striking “HCV infection” and all that follows through the period at the end and inserting “infections as a result of injection drug use, receiving blood transfusions prior to July 1992, or other risk factors.”;

(D) in paragraphs (4) and (5), by striking “HCV infection” each place such term appears and inserting “infections described in paragraph (1)”;

(E) in paragraph (5), by striking “pediatricians and other primary care physicians, and obstetricians and gynecologists” and inserting “substance use disorder treatment providers, pediatricians, other primary care providers, and obstetrician-gynecologists”;
(3) in subsection (b)—

(A) by striking “directly and” and inserting “directly or”; and

(B) by striking “hepatitis C,” and all that

follows through the period at the end and inserting “infections described in subsection

(a)(1).”;

(4) by redesignating subsection (c) as subsection (d);

(5) by inserting after subsection (b) the follow-

ing:

“(c) DEFINITION.—In this section, the term ‘injec-

tion drug use’ means—

“(1) intravenous administration of a substance

in schedule I of section 202(c) of the Controlled

Substances Act;

“(2) intravenous administration of a substance

in schedule II, III, IV, or V of section 202(c) of the

Controlled Substances Act that has not been ap-

proved for intravenous use under section 505 of the

Federal Food, Drug and Cosmetic Act or section

351 of the Public Health Service Act; or

“(3) intravenous administration of a substance

in schedule II, III, IV, or V of section 202(c) of the

Controlled Substances Act that has not been pre-
scribed to the person using the substance.”; and

(6) in subsection (d), as so redesignated, by
striking “such sums as may be necessary for each of
the fiscal years 2001 through 2005” and inserting
“$40,000,000 for each of fiscal years 2019 through
2023”.

SEC. 513. TASK FORCE TO DEVELOP BEST PRACTICES FOR
TRAUMA-INFORMED IDENTIFICATION, RE-
FERRAL, AND SUPPORT.

(a) Establishment.—There is established a task
force, to be known as the Interagency Task Force on
Trauma-Informed Care (in this section referred to as the
“task force”) that shall identify, evaluate, and make rec-
ommendations regarding best practices with respect to
children and youth, and their families as appropriate, who
have experienced or are at risk of experiencing trauma.

(b) Membership.—

(1) Composition.—The task force shall be
composed of the heads of the following Federal de-
partments and agencies, or their designees:

(A) The Centers for Medicare & Medicaid
Services.

(B) The Substance Abuse and Mental
Health Services Administration.
(C) The Agency for Healthcare Research and Quality.

(D) The Centers for Disease Control and Prevention.

(E) The Indian Health Service.

(F) The Department of Veterans Affairs.

(G) The National Institutes of Health.

(H) The Food and Drug Administration.

(I) The Health Resources and Services Administration.

(J) The Department of Defense.

(K) The Office of Minority Health.

(L) The Administration for Children and Families.

(M) The Office of the Assistant Secretary for Planning and Evaluation.

(N) The Office for Civil Rights at the Department of Health and Human Services.

(O) The Office of Juvenile Justice and Delinquency Prevention of the Department of Justice.

(P) The Office of Community Oriented Policing Services of the Department of Justice.

(Q) The Office on Violence Against Women of the Department of Justice.
(R) The National Center for Education Evaluation and Regional Assistance of the Department of Education.

(S) The National Center for Special Education Research of the Institute of Education Science.

(T) The Office of Elementary and Secondary Education of the Department of Education.

(U) The Office for Civil Rights at the Department of Education.

(V) The Office of Special Education and the Rehabilitative Services of the Department of Education.

(W) the Bureau of Indian Affairs of the Department of the Interior.

(X) The Veterans Health Administration of the Department of Veterans Affairs.

(Y) The Office of Special Needs Assistance Programs of the Department of Housing and Urban Development.

(Z) The Office of Head Start of the Administration for Children and Families.

(BB) The Bureau of Indian Education of the Department of the Interior.

(CC) Such other Federal agencies as the Secretaries determine to be appropriate.

(2) DATE OF APPOINTMENTS.—The heads of Federal departments and agencies shall appoint the corresponding members of the task force not later than 6 months after the date of enactment of this Act.

(3) CHAIRPERSON.—The task force shall be chaired by the Assistant Secretary for Mental Health and Substance Use.

(c) TASK FORCE DUTIES.—The task force shall—

(1) solicit input from stakeholders, including frontline service providers, educators, mental health professionals, researchers, experts in infant, child, and youth trauma, child welfare professionals, and the public, in order to inform the activities under paragraph (2); and

(2) identify, evaluate, make recommendations, and update such recommendations not less than annually, to the general public, the Secretary of Education, the Secretary of Health and Human Services, the Secretary of Labor, the Secretary of the Inte-
rior, the Attorney General, and other relevant cabinet Secretaries, and Congress regarding—

(A) a set of evidence-based, evidence-informed, and promising best practices with respect to—

(i) the identification of infants, children and youth, and their families as appropriate, who have experienced or are at risk of experiencing trauma; and

(ii) the expeditious referral to and implementation of trauma-informed practices and supports that prevent and mitigate the effects of trauma;

(B) a national strategy on how the task force and member agencies will collaborate, prioritize options for, and implement a coordinated approach which may include data sharing and the awarding of grants that support children and their families as appropriate, who have experienced or are at risk of experiencing trauma; and

(C) existing Federal authorities at the Department of Education, Department of Health and Human Services, Department of Justice, Department of Labor, Department of Interior,
and other relevant agencies, and specific Fed-
eral grant programs to disseminate best prac-
tices on, provide training in, or deliver services
through, trauma-informed practices, and dis-
seminate such information—

(i) in writing to relevant program of-
ices at such agencies to encourage grant
applicants in writing to use such funds,
where appropriate, for trauma-informed
practices; and

(ii) to the general public through the
internet website of the task force.

(d) Best Practices.—In identifying, evaluating,
and recommending the set of best practices under sub-
section (c), the task force shall—

(1) include guidelines for providing professional
development for front-line services providers, includ-
ing school personnel, providers from child- or youth-
serving organizations, primary and behavioral health
care providers, child welfare and social services pro-
viders, family and juvenile court judges and attor-
neys, health care providers, individuals who are
mandatory reporters of child abuse or neglect,
trained nonclinical providers (including peer mentors
and clergy), and first responders, in—
(A) understanding and identifying early signs and risk factors of trauma in children and youth, and their families as appropriate, including through screening processes;

(B) providing practices to prevent and mitigate the impact of trauma, including by fostering safe and stable environments and relationships; and

(C) developing and implementing procedures or systems that—

(i) are designed to quickly refer infants, children, youth, and their families as appropriate, who have experienced or are at risk of experiencing trauma to the appropriate trauma-informed screening and support, including treatment appropriate to the age of the child, and to ensure such infants, children, youth, and family members receive such support;

(ii) utilize and develop partnerships with local social services organizations, such as organizations serving youth, and clinical mental health or health care service providers with expertise in providing support services (including trauma-informed
and evidence-based treatment appropriate to the age of the child) aimed at preventing or mitigating the effects of trauma;

(iii) educate children and youth to—

(I) understand and identify the signs, effects, or symptoms of trauma; and

(II) build the resilience and coping skills to mitigate the effects of experiencing trauma;

(iv) promote and support multigenerational practices that assist parents, foster parents, and kinship and other caregivers in accessing resources related to, and developing environments conducive to, the prevention and mitigation of trauma; and

(v) collect and utilize data from screenings, referrals, or the provision of services and supports, conducted in the covered settings, to evaluate and improve processes for trauma-informed support and outcomes that are culturally sensitive, lin-
guistically appropriate, and specific to age
ranges and sex, as applicable; and
(2) recommend best practices that are designed
to avoid unwarranted custody loss or criminal pen-
alities for parents or guardians in connection with in-
fants, children, and youth who have experienced or
are at risk of experiencing trauma.
(c) OPERATING PLAN.—Not later than 1 year after
the date of enactment of this Act, the task force shall hold
the first meeting. Not later than 2 years after such date
of enactment, the task force shall submit to the Secretary
of Education, Secretary of Health and Human Services,
Secretary of Labor, Secretary of the Interior, the Attorney
General, and Congress an operating plan for carrying out
the activities of the task force described in paragraphs (2)
and (3) of subsection (c). Such operating plan shall in-
clude—
(1) a list of specific activities that the task
force plans to carry out for purposes of carrying out
duties described in subsection (c)(2), which may in-
clude public engagement;
(2) a plan for carrying out the activities under
paragraphs (2) and (3) of subsection (c);
(3) a list of members of the task force and
other individuals who are not members of the task
force that may be consulted to carry out such activities;

(4) an explanation of Federal agency involvement and coordination needed to carry out such activities, including any statutory or regulatory barriers to such coordination;

(5) a budget for carrying out such activities; and

(6) other information that the task force determines appropriate.

(f) Final Report.—Not later than 3 years after the date of the first meeting of the task force, the task force shall submit to the general public, Secretary of Education, Secretary of Health and Human Services, Secretary of Labor, Secretary of the Interior, the Attorney General, and other relevant cabinet Secretaries, and Congress, a final report containing all of the findings and recommendations required under this section.

(g) Authorization of Appropriations.—To carry out this section, there are authorized to be appropriated such sums as may be necessary for each of fiscal years 2019 through 2022.

(h) Sunset.—The task force shall on the date that is 60 days after the submission of the final report under subsection (f), but not later than September 30, 2022.
SEC. 514. GRANTS TO IMPROVE TRAUMA SUPPORT SERVICES AND MENTAL HEALTH CARE FOR CHILDREN AND YOUTH IN EDUCATIONAL SETTINGS.

(a) Grants, Contracts, and Cooperative Agreements Authorized.—The Secretary, in coordination with the Director of Substance Abuse and Mental Health Services Administration, is authorized to award grants to, or enter into contracts or cooperative agreements with, State educational agencies, local educational agencies, Head Start agencies (including Early Head Start agencies), State or local agencies that administer public preschool programs, Indian tribes or their tribal educational agencies, a school operated by the Bureau of Indian Education, a Regional Corporation (as defined in section 3 of the Alaska Native Claims Settlement Act (43 U.S.C. 1602)), or a Native Hawaiian educational organization (as defined in section 6207 of the Elementary and Secondary Education Act of 1965 (20 U.S.C. 7517)), for the purpose of increasing student access to evidence-based trauma support services and mental health care by developing innovative initiatives, activities, or programs to link local school systems with local trauma-informed support and mental health systems, including those under the Indian Health Service.
(b) Duration.—With respect to a grant, contract, or cooperative agreement awarded or entered into under this section, the period during which payments under such grant, contract or agreement are made to the recipient may not exceed 4 years.

(c) Use of Funds.—An entity that receives a grant, contract, or cooperative agreement under this section shall use amounts made available through such grant, contract, or cooperative agreement for evidence-based or promising activities, which shall include any of the following:

(1) Collaborative efforts between school-based service systems and trauma-informed support and mental health service systems to provide, develop, or improve prevention, screening, referral, and treatment services to students, such as by providing universal trauma screenings to identify students in need of specialized support.

(2) To implement multi-tiered positive behavioral interventions and supports, or other trauma-informed models of support.

(3) To provide professional development to teachers, teacher assistants, school leaders, specialized instructional support personnel, and mental health professionals that—
(A) fosters safe and stable learning environments that prevent and mitigate the effects of trauma, including through social and emotional learning;

(B) improves school capacity to identify, refer, and provide services to students in need of trauma support or behavioral health services; or

(C) reflects the best practices developed by the Interagency Task Force on Trauma-Informed Care established under section 513.

(4) Engaging families and communities in efforts to increase awareness of child and youth trauma, which may include sharing best practices with law enforcement regarding trauma-informed care and working with mental health professionals to provide interventions, as well as longer term coordinated care within the community for children and youth who have experienced trauma and their families.

(5) To provide technical assistance to school systems and mental health agencies.

(6) To evaluate the effectiveness of the program carried out under this section in increasing student
access to evidence-based trauma support services
and mental health care.

(d) APPLICATIONS.—To be eligible to receive a grant,
contract, or cooperative agreement under this section, an
entity described in subsection (a) shall submit an applica-
tion to the Secretary at such time, in such manner, and
containing such information as the Secretary may reason-
ably require, which shall include the following:

(1) A description of the program to be funded
under the grant, contract, or cooperative agreement,
including how such program will increase access to
evidence-based trauma support services and mental
health care for students, and, as applicable, the fam-
ilies of the students.

(2) A description of how the program will pro-
vide linguistically appropriate and culturally com-
petent services.

(3) A description of how the program will sup-
port students and the school in improving the school
climate in order to support an environment condu-
cive to learning.

(4) An assurance that—

(A) persons providing services under the
grant, contract, or cooperative agreement are
adequately trained to provide such services; and
(B) teachers, school leaders, administrators, specialized instructional support personnel, representatives of local Indian tribes as appropriate, other school personnel, and parents or guardians of students participating in services under this section will be engaged and involved in the design and implementation of the services.

(5) A description of how the applicant will support and integrate existing school-based services with the program in order to provide mental health services for students, as appropriate.

(e) INTERAGENCY AGREEMENTS.—

(1) DESIGNATION OF LEAD AGENCY.—A recipient of a grant, contract, or cooperative agreement under this section shall designate a lead agency to direct the establishment of an interagency agreement among local educational agencies, juvenile justice authorities, mental health agencies, child welfare agencies, and other relevant entities in the State, in collaboration with local entities, such as Indian tribes.

(2) CONTENTS.—The interagency agreement shall ensure the provision of the services described in subsection (c), specifying with respect to each agency, authority, or entity—
(A) the financial responsibility for the services;
(B) the conditions and terms of responsibility for the services, including quality, accountability, and coordination of the services; and
(C) the conditions and terms of reimbursement among the agencies, authorities, or entities that are parties to the interagency agreement, including procedures for dispute resolution.
(f) EVALUATION.—The Secretary shall reserve not to exceed 3 percent of the funds made available under subsection (l) for each fiscal year to—
(1) conduct a rigorous, independent evaluation of the activities funded under this section; and
(2) disseminate and promote the utilization of evidence-based practices regarding trauma support services and mental health care.
(g) DISTRIBUTION OF AWARDS.—The Secretary shall ensure that grants, contracts, and cooperative agreements awarded or entered into under this section are equitably distributed among the geographical regions of the United States and among tribal, urban, suburban, and rural populations.
(h) **Rule of Construction.**—Nothing in this section shall be construed—

(1) to prohibit an entity involved with a program carried out under this section from reporting a crime that is committed by a student to appropriate authorities; or

(2) to prevent Federal, State, and tribal law enforcement and judicial authorities from exercising their responsibilities with regard to the application of Federal, tribal, and State law to crimes committed by a student.

(i) **Supplement, Not Supplant.**—Any services provided through programs carried out under this section shall supplement, and not supplant, existing mental health services, including any special education and related services provided under the Individuals with Disabilities Education Act.

(j) **Consultation With Indian Tribes.**—In carrying out subsection (a), the Secretary shall, in a timely manner, meaningfully consult, engage, and cooperate with Indian tribes and their representatives to ensure notice of eligibility.

(k) **Definitions.**—In this section:

(1) **Elementary or Secondary School.**—The term “elementary or secondary school” means a
public elementary and secondary school as such term
is defined in section 8101 of the Elementary and

(2) Evidence-based.—The term “evidence-
based” has the meaning given such term in section
8101(21)(A)(i) of the Elementary and Secondary
Education Act of 1965 (20 U.S.C. 7801(21)(A)(i)).

(3) School leader.—The term “school lead-
er” has the meaning given such term in section
8101 of the Elementary and Secondary Education

(4) Secretary.—The term “Secretary” means
the Secretary of Education.

(5) Specialized Instructional Support
Personnel.—The term “specialized instructional
support personnel” has the meaning given such term
in 8101 of the Elementary and Secondary Education

(l) Authorization of Appropriations.—There is
authorized to be appropriated to carry out this section,
such sums as may be necessary for each of fiscal years
2019 through 2023.
SEC. 515. NATIONAL CHILD TRAUMATIC STRESS INITIA-
TIVE.

Section 582(j) of the Public Health Service Act (42 U.S.C. 290hh–1(j)) is amended by striking “$46,887,000 for each of fiscal years 2018 through 2022” and inserting “$53,887,000 for each of fiscal years 2019 through 2023”.
