To require the use of prescription drug monitoring programs and to facilitate information sharing among States.

IN THE SENATE OF THE UNITED STATES

MARCH 30, 2017

Ms. KLOBUCHAR (for herself, Mr. PORTMAN, Mr. MANCHIN, and Mr. KING) introduced the following bill; which was read twice and referred to the Committee on Health, Education, Labor, and Pensions

A BILL

To require the use of prescription drug monitoring programs and to facilitate information sharing among States.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE.

This Act may be cited as the “Prescription Drug Monitoring Act of 2017”.

SEC. 2. DEFINITIONS.

In this Act:

(1) CONTROLLED SUBSTANCE.—The term “controlled substance” has the meaning given the

(2) COVERED STATE.—The term “covered State” means a State that receives funding under the Harold Rogers Prescription Drug Monitoring Program established under the Departments of Commerce, Justice, and State, the Judiciary, and Related Agencies Appropriations Act, 2002 (Public Law 107–77; 115 Stat. 748) or the controlled substance monitoring program under section 399O of the Public Health Service Act (42 U.S.C. 280g–3).

(3) DISPENSER.—The term “dispenser”—

(A) means a person licensed or otherwise authorized by a State to deliver a prescription drug product to a patient or an agent of the patient; and

(B) does not include a person involved in oversight or payment for prescription drugs.

(4) PDMP.—The term “PDMP” means a prescription drug monitoring program.

(5) PRACTITIONER.—The term “practitioner” means a practitioner registered under section 303(f) of the Controlled Substances Act (21 U.S.C. 823(f)) to prescribe, administer, or dispense controlled substances.
(6) STATE.—The term “State” means each of the several States and the District of Columbia.

SEC. 3. PRESCRIPTION DRUG MONITORING PROGRAM REQUIREMENTS.

(a) IN GENERAL.—Beginning 2 years after the date of enactment of this Act, each covered State shall require—

(1) each prescribing practitioner within the covered State or their designee, who shall be licensed or registered healthcare professionals or other employees who report directly to the practitioner, to consult the PDMP of the covered State before initiating treatment with a prescription for a controlled substance listed in schedule II, III, or IV of section 202(c) of the Controlled Substances Act (21 U.S.C. 812(c)), and every 3 months thereafter as long as the treatment continues;

(2) the PDMP of the covered State to provide proactive notification to a practitioner when patterns indicative of controlled substance misuse, including opioid misuse, are detected;

(3) each dispenser within the covered State to report each prescription for a controlled substance dispensed by the dispenser to the PDMP not later
than 24 hours after the controlled substance is dispensed to the patient;

(4) that the PDMP make available a quarterly de-identified data set and an annual report for public and private use, which shall, at a minimum, meet requirements established by the Attorney General, in coordination with the Secretary of Health and Human Services; and

(5) that the data contained in the PDMP of the covered State is made available to other States.

(b) NONCOMPLIANCE.—If a covered State fails to comply with subsection (a), the Attorney General or the Secretary of Health and Human Services, as appropriate, may withhold grant funds from being awarded to the covered State under the Harold Rogers Prescription Drug Monitoring Program established under the Departments of Commerce, Justice, and State, the Judiciary, and Related Agencies Appropriations Act, 2002 (Public Law 107–77; 115 Stat. 748) or the controlled substance monitoring program under section 399O of the Public Health Service Act (42 U.S.C. 280g–3).

(c) DATA-SHARING SINGLE TECHNOLOGY SOLUTION.—

(1) IN GENERAL.—For the purpose of assisting States in complying with subsection (a)(5), the At-
torney General, in coordination with the Secretary of Health and Human Services, acting through the Comprehensive Opioid Abuse Grant Program established under section 3021 of title I of the Omnibus Crime Control and Safe Streets Act of 1968 (42 U.S.C. 3797ff), shall award, on a competitive basis, a grant to an eligible entity to establish and maintain an inter-State data-sharing single hub to facilitate the sharing of PDMP data among States and the accessing of such data by practitioners.

(2) REQUIREMENTS.—The data-sharing single hub established under paragraph (1)—

(A) shall—

(i) allow States to retain ownership of the data submitted by the States;

(ii) provide a source of de-identified data that can be used for statistical, research, or educational purposes;

(iii) allow State authorized users to access data from a PDMP of a covered State without requiring a user fee; and

(iv) conform with the standards of the Prescription Monitoring Information Exchange; and

(B) may not—
(i) distribute, in whole or in part, any PDMP data without the express written consent of the PDMP State authority; and (ii) limit, in whole or in part, distribution of PDMP data as approved by the PDMP State authority.
