OPPOSITION TO H.R. 21

HON. EARL BLUMENAUER

OF OREGON

IN THE HOUSE OF REPRESENTATIVES

Thursday, January 5, 2017

Mr. BLUMENAUER. Mr. Speaker, today, I voted against H.R. 21, a bill that would allow Congress to summarily reject any regulation finalized during the final year of a President's administration.

Current law, under the Congressional Review Act (CRA), already allows Congress to invalidate rules adopted in the final 60 legislative days of an outgoing Administration on a case-by-case basis, preventing agencies from promulgating that rule or any substantially similar rule.

Today's bill, however, would allow Republicans to invalidate important regulations protecting public health, consumer rights, and the environment en bloc, without debating each rule individually or providing the transparency and accountability that would come from a rule-by-rule vote.

This means that rules finalized after the thorough and public process set forth by law—or extended by lawsuits—that agencies must follow are invalidated, even if the underlying problems remain, and with no plan to fix those underlying problems. For instance, rules limiting horse soring or strengthening consumer protections regarding organic food could be blocked under this rule.

The voters elected President Obama to a second, full four-year term. This deeply anti-democratic effort by the Republican majority not only undermines the President, it also leaves Americans and our environment holding the bag. H.R. 21 is perhaps more detrimental than the Senate's refusal to fill the Supreme Court vacancy because this bill would allow Congress to invalidate an entire year of an entire administration's work.

Most notably, Joel contributed to his community through his Eagle Scout project.

IN RECOGNITION OF SHERIFF GLYNN COOPER

HON. SANFORD D. BISHOP, JR.

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, January 5, 2017

Mr. BISHOP of Georgia. Mr. Speaker, it is my honor and pleasure to extend my personal congratulations and best wishes to an outstanding leader and exceptional public servant, Chattahoochee County Sheriff Glynn Cooper. Sheriff Cooper will be retiring from his position as Sheriff and a surprise celebration will be held for him on Saturday, January 7, 2017 at 2:00 p.m. at the Roscoe Robinson Recreation Center in Cusseta, Georgia.

Glynn Cooper was born in Schley County, Georgia on April 15, 1934 to Wesley and Mozelle Cooper. He, along with his brothers, Fred, Leonard, and Drane, worked on farms in Stewart and Webster counties in Georgia.

He met the love of his life, Estelle, at a dance and they married on December 11, 1954. As a newlywed couple, they lived with his parents until Sheriff Cooper could secure a home in Cusseta, Georgia, where he still lives today. They welcomed a daughter, Glynda, on October 12, 1957. Estelle was Sheriff Cooper's partner, supporter, and best friend until she passed away in 1998.

Growing up on a farm taught Sheriff Cooper to be a jack of all trades. He worked at Preston's Garage in Columbus, Georgia until he opened Cooper's Garage in Cusseta. He and Estelle, who was Senior Clerk at the Post Office, began purchasing and building Cooper Rental Properties, a business which remains in the family to this day.

He had set his sights on being elected Sheriff of Chattahoochee County but initially suffered a loss. Never a quitter, he was elected Sheriff in 1973 and maintained a one-man office with the radio call number 651. He soon dubbed Estelle as 651½ on the radio. With his family's support, Sheriff Cooper has been a faithful servant to the people of Chattahoo-

chee County for a remarkable 43 years. He has earned the distinction of being the second-longest-serving Sheriff in the state of Georgia.

Sheriff Cooper is also actively involved in the community. He previously served on the school board and City Council. He also volunteered his time and efforts to serving on numerous civic organizations. Raised in a Christian home, he joined Louvale Missionary Baptist Church at a young age. Today, he is a faithful member of Cusseta Baptist Church.

Dr. Benjamin E. Mays often said: "You make your living by what you get; you make your life by what you give." Not only has Sheriff Cooper made his living by keeping watch over the citizens of Chattahoochee County, but he has also made his life by giving back to the County in so many ways. We are all very grateful for his tireless advocacy in keeping our community safe. A man of great integrity, his efforts, his dedication, and his work ethic are unparalleled, but his heart for helping others utilizing these qualities has made his life's work truly special.

Mr. Speaker, I ask my colleagues to join me, my wife Vivian, and the more than 730,000 residents of Georgia's Second Congressional District in honoring Sheriff Glynn Cooper for his dedicated service to the people of Chattahoochee County as he retires from his position as Sheriff.

INTRODUCTION OF CONSTITUTIONAL AMENDMENT TO ELIMINATE THE ELECTORAL COLLEGE AND PROVIDE FOR THE DIRECT ELECTION OF THE PRESIDENT AND VICE PRESIDENT

HON. STEVE COHEN

OF TENNESSEE

IN THE HOUSE OF REPRESENTATIVES

Thursday, January 5, 2017

Mr. COHEN. Mr. Speaker, I rise today in support of a constitutional amendment I introduced today to eliminate the electoral college and provide for the direct election of our nation's President and Vice President.

As Founding Father Thomas Jefferson said, "I am not an advocate for frequent changes in laws and constitutions, but laws and institutions must go hand in hand with the progress of the human mind. As that becomes more developed, more enlightened, as new discoveries are made, new truths discovered and manners and opinions change, with the change of circumstances, institutions must advance also to keep pace with the times. We might well as require a man to wear still the coat which fitted him when a boy as civilized society to remain ever under the regimen of their barbarous ancestors."

For the second time in recent memory, and for the fifth time in our history, the national popular vote winner will not become President because of the electoral college. This has happened twice to candidates from Tennessee: Al Gore and Andrew Jackson.

The reason is because the electoral college, established to prevent an uninformed citizenry from directly electing our nation's President, no longer fits our nation's needs.

When the Founders established the electoral college it was in an era of limited nationwide communication. The electoral structure
