PERVERSE TORTURE PERPETRATED BY HEARTLESS YOUNG ADULTS

(Mr. MURPHY of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. MURPHY of Pennsylvania. Mr. Speaker, today, four people were charged with a violent crime after a Facebook showed 30 minutes of horror. The criminal charges barely scratch the surface in describing the terror experienced by an 18-year-old boy who suffers from mental disabilities.

He was forced for 5 hours to cower in a corner scared, stunned, and powerless by people he thought were his friends. His mouth was duct taped shut. His hands and feet were tied. They cut his clothes, his hair, and scalp with a knife. He was burned, punched, and beaten. He was humiliated and berated. This was not just bullying, this was violent, perverse torture perpetrated by heartless young adults. His psychological trauma will haunt him for years.

He is not alone because children with disabilities are four times more likely to be assaulted than the general population.

We enacted major mental health reforms just a few weeks ago. Unfortunately, we cannot litigate compassion, mandate morality, nor legislate common decency for perpetrators who have no sense of shame. But today, as a Nation, we should all be ashamed and recommit to teach our children there is never any excuse to harm a disabled person. Never. I pray for the victim and his family.

IMPACT OF ACA REPEAL ON MOMS AND BABIES

(Ms. ROYBAL-ALLARD asked and was given permission to address the House for 1 minute.)

Ms. ROYBAL-ALLARD. Mr. Speaker, as co-chair of the Maternity Care Caucus, I rise on behalf of mothers and babies who will suffer if Republicans repeal the Affordable Care Act.

It is undisputable that, with prenatal care, babies are born healthier. Before the ACA, approximately 10 percent of childbearing women had no health insurance, and the plans of 60 percent of all insured women had no maternity coverage.

With ObamaCare's Medicaid expansion and insurance subsidies, more than half of these women who were uninsured became eligible for maternity care. In addition, the ACA also requires health plans to cover maternity care and preexisting conditions. All of this will be lost with ACA repeal.

Women will also lose coverage for lactation counseling and the cost of breast pumps, a known barrier to successful breastfeeding which is one of the most effective ways to protect the health of babies.

I urge my Republican colleagues to consider the negative impacts repealing ObamaCare will have on our Nation's mothers and babies. We must protect the future health of our children by ensuring all moms have access to maternity care and breastfeeding support.

RECOGNIZING ACHIEVEMENTS OF LEROY BALDWIN

(Mr. YOHO asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. YOHO. Mr. Speaker, I rise today to recognize the life and achievements of Leroy Baldwin. A true American original, Leroy Baldwin was born and raised in Ocala, Florida, on December 15, 1932. Not coming from a family with a rich ag background, Mr. Baldwin bought his first calf when he was 6 years of age from the money he earned delivering newspapers.
