ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore (during the vote). There are 2 minutes remaining.

□ 1650

So the joint resolution was passed.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

THE JOURNAL

The SPEAKER pro tempore. The unfinished business is the question on agreeing to the Speaker's approval of the Journal, which the Chair will put de novo.

The question is on the Speaker's approval of the Journal.

Pursuant to clause 1, rule I, the Journal stands approved.

MOMENT OF SILENCE HONORING VICTIMS OF QUEBEC TERRORIST ATTACK

(Mrs. WATSON COLEMAN asked and was given permission to address the House for 1 minute.)

Mrs. WATSON COLEMAN. Mr. Speaker, I thank my colleagues for joining me tonight to stand in solidarity with our neighbors in Canada, and honor the victims of the January 29 terrorist attack at the Quebec Islamic Cultural Center in Quebec City.

A house of worship is a place of refuge, peace, and reflection, but for the 6 people killed, the 19 wounded, and the entire community, that hallowed ground is now tainted—yet, shall always remain covered in love.

Let our presence here serve as a reminder that we will stand up against bigotry and hatred wherever it takes place.

I now ask my colleagues to bow their heads and join us for a moment of silence.

REMOVAL OF NAME OF MEMBER AS COSPONSOR OF H.R. 611

Mr. LAMBORN. Mr. Speaker, I ask unanimous consent that Representative HIMES be removed as a cosponsor of H.R. 611.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Colorado?

There was no objection.

AMERICA DOES NOT NEED THE STREAM PROTECTION RULE

(Mr. CRAMER asked and was given permission to address the House for 1 minute.)

Mr. CRAMER. Madam Speaker, North Dakota does not need the stream protection rule and neither does the Nation. By passing this resolution today disapproving the Office of Surface Mining edict, we are responding to the cries of the American people who are tired of nationwide job-killing regulations from Washington.

Madam Speaker, the Obama administration took nearly an entire term and over 10 million taxpayer dollars developing this job killer designed to prevent billions of dollars of coal reserves from ever being developed with absolutely no environmental benefit.

Today's action prevents further destruction of jobs and low-cost energy for the American people.

I urge the Senate to swiftly send this resolution to the President's desk.

ATTORNEY GENERAL NOMINEE

(Ms. JACKSON LEE asked and was given permission to address the House for 1 minute.)

Ms. JACKSON LEE. Madam Speaker, first of all, I would like to acknowledge the fallen Navy SEAL officer in Yemen and offer my concern to his family. I will rise tomorrow to continue my questioning on that, but today I wanted to make sure that I prayerfully acknowledged the sacrifice he made for this Nation.

I rise today because we are one step further for the nominee for the Attorney General of the United States of America. And I join my colleagues in the Senate, the other body, who raised concern of not being able to inquire of Mr. SESSIONS what his position would be on what has been determined by five courts, at least, of the unconstitutionality of the executive order. It is a ban on Muslims, it is a violation of the First Amendment, equal protection of the law, and due process—First Amendment being freedom of religion.

Therefore, we now have an Attorney General making the first step, Mr. SESSIONS, where we do not know whether you will be able to embrace the laws that protect the most vulnerable women, children, the civil rights of many, and the voting rights of many, and, frankly, I believe those questions should be answered.

I conclude by saying, when you questioned Deputy Attorney General Yates, she was able to say that she would stand as an independent, objective person Attorney General having oversight over the White House. Will you be able to do the same?

TRAFFICKING AT THE SUPER BOWL—NOT IN OUR TOWN

(Mr. POE of Texas asked and was given permission to address the House for 1 minute.)

Mr. POE of Texas. Madam Speaker, as the United States is gearing up for the Super Bowl in Houston, unfortunately, so are many human sex traffickers.

Just a few days ago, a 21-year-old trafficking victim with mental special needs was rescued in Houston. The young girl was kidnapped off the streets of Ohio by a dastardly trafficker. He put her in his car and told her: Now you work for me. She was brought to Houston specifically to be trafficked at the Houston Super Bowl. However, the woman's mental disabilities and seizures became too much for the moral-less trafficker, so he dropped the victim off downtown Houston where she later was sexually assaulted by a local criminal.

A Good Samaritan rescued the girl and brought her to the hospital. As exploiters and buyers roam the streets looking for prey in Houston, they should know that Mayor Turner, the Department of Homeland Security, and local law enforcement are prepared to jail traffickers and rescue victims.

No trafficking. Not in our town. We will protect victims and prosecute the slave trafficking deviants and buyers.

And that is just the way it is.

GET AMERICA MOVING BY INFRASTRUCTURE INVESTMENT

(Mr. DEFAZIO asked and was given permission to address the House for 1 minute.)

Mr. DEFAZIO. Madam Speaker, the clock is ticking. Not that clock, but the new clock that I put up on the Democratic side of the Transportation and Infrastructure Committee, which is the cost of congestion clock.

The President has proposed \$1 trillion investment in infrastructure. He went to the Republican Conference last week and said: Fix it first, and we want it in the first 100 days. I am with him on that, we should do that, and I have proposals to actually fund a way to get there. Not to \$1 trillion, but a good part of the way.

So this clock indicates, from the day he was sworn in, noon a week ago Friday to today, the cost of congestion for American commerce, the movement of goods, and the American people. It is \$438 million per day.

So the clock is ticking. Let's get America moving again, and let's invest in our infrastructure.

UNITED IN REINING IN REGULATIONS

(Mr. ALLEN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. ALLEN. Madam Speaker, for the last 8 years, Americans have felt the burden of excessive and intense regulatory overreach having to comply with time-consuming rules and regulations. But that ends now. For the first time in 8 years, the legislative branch

and the executive branch are on the same page. We must get the government out of the way.

Last week, I joined my colleagues on the One In, One Out Act, which requires Federal agencies to repeal or revise a rule before they can issue a new one, and any new rule must be of equal or lesser cost to Americans.

And in true Trump fashion this week, the President announced his own version, the one in, two out executive order.

These measures are commonsense at their core. To begin growing our economy and creating jobs, we have got to reduce the size and scope of the Federal Government and tackle the mountain of red tape surrounding our Nation's job creators. Americans are ready for growth and innovation, and, for the first time in a long time, the President is on our side.

SCALING BACK BURDENSOME REGULATIONS IMPLEMENTED BY THE OBAMA ADMINISTRATION

(Mr. LAMALFA asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. LAMALFA. Madam Speaker, this week, House Republicans have undertaken the effort to scale back some of the burdensome regulations implemented by the previous administration.

The use of so-called midnight rules to slip in regulations at the last minute and without congressional approval was a favorite tool of the last President. Many of these regulations would negatively impact, and have, American people by destroying their jobs, hamstringing our economy, often for no good reason.

That is why, at the very start of the 115th Congress, we passed the Midnight Rules Relief Act, which utilizes the Congressional Review Act, to allow Congress to review multiple midnight rules en bloc.

Additionally, we now have the unique opportunity to utilize the CRA, Congressional Review Act, and express our disapproval for some of these harmful, burdensome regulations that hurt jobs and stunt the economy, in order to protect the American people from these harmful effects.

The regulatory state has been rapidly expanding in recent years for too long, and I am happy to see that Congress is taking action to reverse this destructive behavior.

U.S.-MEXICO RELATIONSHIP

The SPEAKER pro tempore (Ms. TENNEY). Under the Speaker's announced policy of January 3, 2017, the gentleman from Texas (Mr. O'ROURKE) is recognized for 60 minutes as the designee of the minority leader.

GENERAL LEAVE

Mr. O'ROURKE. Madam Speaker, I ask unanimous consent that all Members have 5 legislative days to revise
