Every nominee shall submit a financial statement, on forms to be perfected by the Committee, which shall be sworn to by the nominee as to its completeness and accuracy. All such statements shall be made public by the Committee unless the Committee, in executive session, determines that special circumstances require a full or partial exception to this rule.

(c). Members of the Committee are urged to make public a complete disclosure of their financial interests on forms to be perfected by the Committee in the manner required in the case of Presidential nominees.

CONFIDENTIAL TESTIMONY

Rule 9. No confidential testimony taken by, or confidential material presented to the Committee or any report of the proceedings of a closed Committee hearing or business meeting shall be made public in whole or in part, or by way of summary, unless authorized by a majority of the Members of the Committee at a business meeting called for the purpose of making such a determination.

DEFAMATORY STATEMENTS

Rule 10. Any person whose name is mentioned or who is specifically identified in, or who believes that testimony or other evidence presented at, an open Committee hearing tends to defame him or her or otherwise adversely affect his or her reputation may file with the Committee for its consideration and action a sworn statement of facts relevant to such testimony of evidence.

BROADCASTING OF HEARINGS OR MEETINGS

Rule 11. Any meeting or hearing by the Committee which is open to the public may be covered in whole or in part by television, Internet, radio broadcast, or still photography. COMMITTEE ON HOMELAND SECURITY AND GOVERNMENTAL AFFAIRS

RULES OF PROCEDURE

Mr. JOHNSON. Mr. President, rule XXVI, paragraph 2, of the Standing Rules of the Senate requires each committee to adopt rules to govern the procedure of the Committee and to publish those rules in the Congressional Record not later than March 1 of the first year of each Congress. Today the Committee on Homeland Security and Governmental Affairs adopted committee rules of procedure.

Consistent with Standing Rule XXVI, I ask unanimous consent to have a copy of the rules of procedure of the Committee on Homeland Security and Governmental Affairs printed in the RECORD.

There being no objection, the material was ordered to be printed in the RECORD, as follows:

RULES OF PROCEDURE OF THE COMMITTEE ON HOMELAND SECURITY AND GOVERNMENTAL AFFAIRS

PURSUANT TO RULE XXVI, SEC. 2, STANDING RULES OF THE SENATE

RULE 1. MEETINGS AND MEETING PROCEDURES OTHER THAN HEARINGS

A. Meeting dates. The Committee shall hold its regular meetings on the first Wednesday of each month, when the Congress is in session, or at such other times as the Chairman shall determine. Additional meetings may be called by the Chairman as he/she deems necessary to expedite Committee business. (Rule XXVI, Sec. 3, Standing Rules of the Senate.)

B. Calling special Committee meetings. If at least three Members of the Committee desire the Chairman to call a special meeting, they may file in the offices of the Committee a written request therefor, addressed to the Chairman. Immediately thereafter, the clerk of the Committee shall notify the Chairman of such request. If, within 3 calendar days after the filing of such request, the Chairman fails to call the requested special meeting, which is to be held within 7 calendar days after the filing of such request, a majority of the Committee Members may file in the offices of the Committee their written notice that a special Committee meeting will be held, specifying the date and hour thereof, and the Committee shall meet on that date and hour. Immediately upon the filing of such notice, the Committee chief clerk shall notify all Committee Members that such special meeting will be held and inform them of its date and hour. (Rule XXVI, Sec. 3, Standing Rules of the Senate.)

C. Meeting notices and agenda. Written notices of Committee meetings, accompanied by an agenda, enumerating the items of business to be considered, shall be sent to all Committee Members at least 5 days in advance of such meetings, excluding Saturdays, Sundays, and legal holidays in which the Senate is not in session. The written notices required by this Rule may be provided by electronic mail. In the event that unforeseen requirements or Committee business prevent a 5-day notice of either the meeting or agenda, the Committee staff shall communicate such notice and agenda, or any revisions to the agenda, as soon as practicable by telephone or otherwise to Members or appropriate staff assistants in their offices.

D. Open business meetings. Meetings for the transaction of Committee or Sub-

committee business shall be conducted in open session, except that a meeting or series of meetings on the same subject for a period of no more than 14 calendar days may be closed to the public on a motion made and seconded to go into closed session to discuss only whether the matters enumerated in clauses (1) through (6) below would require the meeting to be closed, followed immediately by a record vote in open session by a majority of the Committee or Subcommittee Members when it is determined that the matters to be discussed or the testimony to be taken at such meeting or meetings—

(1) will disclose matters necessary to be kept secret in the interests of national defense or the confidential conduct of foreign relations of the United States;

(2) will relate solely to matters of Committee or Subcommittee staff personnel or internal staff management or procedure;

(3) will tend to charge an individual with crime or misconduct, to disgrace or injure the professional standing of an individual, or otherwise expose an individual to public contempt or obloquy or will represent a clearly unwarranted invasion of the privacy of an individual;

(4) will disclose the identity of an informer or law enforcement agent or will disclose any information relating to the investigation or prosecution of a criminal offense that is required to be kept secret in the interests of effective law enforcement;

(5) will disclose information relating to the trade secrets of financial or commercial information pertaining specifically to a given person if—

(A) an Act of Congress requires the information to be kept confidential by Government officers and employees; or

(B) the information has been obtained by the Government on a confidential basis, other than through an application by such person for a specific Government financial or other benefit, and is required to be kept secret in order to prevent undue injury to the competitive position of such person; or

(6) may divulge matters required to be kept confidential under other provisions of law or Government regulations. (Rule XXVI, Sec. 5(b), Standing Rules of the Senate.) Notwithstanding the foregoing, whenever disorder arises during a Committee or Subcommittee meeting that is open to the public, or any demonstration of approval or disapproval is indulged in by any person in attendance at any such meeting, it shall be the duty of the Chairman to enforce order on his or her own initiative and without any point of order being made by a Member of the Committee or Subcommittee; provided, further, that when the Chairman finds it necessary to maintain order, he/she shall have the power to clear the room, and the Committee or Subcommittee may act in closed session for so long as there is doubt of the assurance of order. (Rule XXVI, Sec. 5(d), Standing Rules of the Senate.)

E. Prior notice of first degree amendments. It shall not be in order for the Committee, or a Subcommittee thereof, to consider any amendment in the first degree proposed to any measure under consideration by the Committee or Subcommittee unless a written copy of such amendment has been delivered to each Member of the Committee or Subcommittee, as the case may be, and to the office of the Committee or Subcommittee, by no later than 4:00 p.m. two days before the meeting of the Committee or Subcommittee at which the amendment is to be proposed, and, in the case of a first degree amendment in the nature of a substitute proposed by the manager of the measure, by no later than 5:00 p.m. five days before the meeting. The written copy of amendments in the first degree required by this Rule may be

provided by electronic mail. This subsection may be waived by a majority of the Members present, or by consent of the Chairman and Ranking Minority Member of the Committee or Subcommittee. This subsection shall apply only when at least 120 hours written notice of a session to mark-up a measure is provided to the Committee or Subcommittee.

F. Meeting transcript. The Committee or Subcommittee shall prepare and keep a complete transcript or electronic recording adequate to fully record the proceeding of each meeting whether or not such meeting or any part thereof is closed to the public, unless a majority of the Committee or Subcommittee Members vote to forgo such a record. (Rule XXVI, Sec. 5(e), Standing Rules of the Senate.)

RULE 2. QUORUMS

A. Reporting measures and matters. A majority of the Members of the Committee shall constitute a quorum for reporting to the Senate any measures, matters or recommendations. (Rule XXVI, Sec. 7(a)(1), Standing Rules of the Senate.)

B. Transaction of routine business. One-third of the membership of the Committee shall constitute a quorum for the transaction of routine business, provided that one Member of the Minority is present. For the purpose of this paragraph, the term "routine business" includes the convening of a meeting and the consideration of any business of the Committee other than reporting to the Senate any measures, matters or recommendations. (Rule XXVI, Sec. 7(a)(1), Standing Rules of the Senate.)

C. Taking testimony. One Member of the Committee shall constitute a quorum for taking sworn or unsworn testimony. (Rule XXVI, Sec. 7(a)(2) and 7(c)(2), Standing Rules of the Senate.)

D. Subcommittee quorums. Subject to the provisions of sections 7(a)(1) and (2) of Rule XXVI of the Standing Rules of the Senate, the Subcommittees of this Committee are authorized to establish their own quorums for the transaction of business and the taking of sworn testimony.

E. Proxies prohibited in establishment of quorum. Proxies shall not be considered for the establishment of a quorum.

RULE 3. VOTING

A. Quorum required. Subject to the provisions of subsection (E), no vote may be taken by the Committee, or any Subcommittee thereof, on any measure or matter unless a quorum, as prescribed in the preceding section, is actually present.

B. Reporting measures and matters. No measure, matter or recommendation shall be reported from the Committee unless a majority of the Committee Members are actually present, and the vote of the Committee to report a measure or matter shall require the concurrence of a majority of those Members who are actually present at the time the vote is taken. (Rule XXVI, Sec. 7(a)(1) and (3), Standing Rules of the Senate.)

C. Proxy voting. Proxy voting shall be allowed on all measures and matters before the Committee, or any Subcommittee thereof, except that, when the Committee, or any Subcommittee thereof, is voting to report a measure or matter, proxy votes shall be allowed solely for the purposes of recording a Member's position on the pending question. Proxy voting shall be allowed only if the absent Committee or Subcommittee Member has been informed of the matter on which he or she is being recorded and has affirmatively requested that he or she be so recorded. All proxies shall be filed with the chief clerk of the Committee or Subcommittee thereof, as the case may be. All proxies shall be in writing and shall contain

sufficient reference to the pending matter as is necessary to identify it and to inform the Committee or Subcommittee as to how the Member establishes his or her vote to be recorded thereon. (Rule XXVI, Sec. 7(a)(3) and 7(c)(1), Standing Rules of the Senate.)

D. Announcement of vote. (1) Whenever the Committee by roll call vote reports any measure or matter, the report of the Committee upon such a measure or matter shall include a tabulation of the votes cast in favor of and the votes cast in opposition to such measure or matter by each Member of the Committee. (Rule XXVI, Sec. 7(c), Standing Rules of the Senate.)

(2) Whenever the Committee by roll call vote acts upon any measure or amendment thereto, other than reporting a measure or matter, the results thereof shall be announced in the Committee report on that measure unless previously announced by the Committee, and such announcement shall include a tabulation of the votes cast in favor of and the votes cast in opposition to each such measure and amendment thereto by each Member of the Committee who was present at the meeting. (Rule XXVI, Sec. 7(b), Standing Rules of the Senate.)

(3) In any case in which a roll call vote is announced, the tabulation of votes shall state separately the proxy vote recorded in favor of and in opposition to that measure, amendment thereto, or matter. (Rule XXVI, Sec. 7(b) and (c), Standing Rules of the Senate.)

E. Polling. (1) The Committee, or any Subcommittee thereof, may poll (a) internal Committee or Subcommittee matters including the Committee's or Subcommittee's staff, records and budget; (b) steps in an investigation, including issuance of subpoenas, applications for immunity orders, and requests for documents from agencies; and (c) other Committee or Subcommittee business other than a vote on reporting to the Senate any measures, matters or recommendations or a vote on closing a meeting or hearing to the public.

(2) Only the Chairman, or a Committee Member or staff officer designated by him/her, may undertake any poll of the Members of the Committee. If any Member requests, any matter to be polled shall be held for meeting rather than being polled. The chief clerk of the Committee shall keep a record of polls; if a majority of the Members of the Committee determine that the polled matter is in one of the areas enumerated in subsection (D) of Rule 1, the record of the poll shall be confidential. Any Committee Member may move at the Committee meeting following the poll for a vote on the polled decision, such motion and vote to be subject to the provisions of subsection (D) of Rule 1, where applicable.

F. Naming postal facilities. The Committee will not consider any legislation that would name a postal facility for a living person with the exception of bills naming facilities after former Presidents and Vice Presidents of the United States, former Members of Congress over 70 years of age, former State or local elected officials over 70 years of age, former judges over 70 years of age, or wounded veterans.

G. Technical and conforming changes. A Committee vote to report a measure to the Senate shall also authorize the Committee Chairman and Ranking Member by mutual agreement to make any required technical and conforming changes to the measure.

RULE 4. CHAIRMANSHIP OF MEETINGS AND HEARINGS

The Chairman shall preside at all Committee meetings and hearings except that he or she shall designate a temporary Chairman to act in his or her place if he or she is un-

able to be present at a scheduled meeting or hearing. If the Chairman (or his or her designee) is absent 10 minutes after the scheduled time set for a meeting or hearing, the Ranking Majority Member present shall preside until the Chairman's arrival. If there is no Member of the Majority present, the Ranking Minority Member present, with the prior approval of the Chairman, may open and conduct the meeting or hearing until such time as a Member of the Majority arrives.

RULE 5. HEARINGS AND HEARING PROCEDURES

A. Announcement of hearings. The Committee, or any Subcommittee thereof, shall make public announcement of the date, time, and subject matter of any hearing to be conducted on any measure or matter at least 5 days in advance of such hearing, excluding Saturdays, Sundays, and legal holidays in which the Senate is not in session, unless the Committee, or Subcommittee, determines that there is good cause to begin such hearing at an earlier date. (Rule XXVI, Sec. 4(a), Standing Rules of the Senate.)

B. Open hearings. Each hearing conducted by the Committee, or any Subcommittee thereof, shall be open to the public, except that a hearing or series of hearings on the same subject for a period of no more than 14 calendar days may be closed to the public on a motion made and seconded to go into closed session to discuss only whether the matters enumerated in clauses (1) through (6) below would require the hearing to be closed, followed immediately by a record vote in open session by a majority of the Committee or Subcommittee Members when it is determined that the matters to be discussed or the testimony to be taken at such hearing or hearings—

(1) will disclose matters necessary to be kept secret in the interests of national defense or the confidential conduct of foreign relations of the United States;

(2) will relate solely to matters of Committee or Subcommittee staff personnel or internal staff management or procedure;

(3) will tend to charge an individual with crime or misconduct, to disgrace or injure the professional standing of an individual, or otherwise expose an individual to public contempt or obloquy or will represent a clearly unwarranted invasion of the privacy of an individual;

(4) will disclose the identity of an informer or law enforcement agent or will disclose any information relating to the investigation or prosecution of a criminal offense that is required to be kept secret in the interests of effective law enforcement;

(5) will disclose information relating to the trade secrets of financial or commercial information pertaining specifically to a given person if—

(A) an Act of Congress requires the information to be kept confidential by Government officers and employees; or

(B) the information has been obtained by the Government on a confidential basis, other than through an application by such person for a specific Government financial or other benefit, and is required to be kept secret in order to prevent undue injury to the competitive position of such person; or

(6) may divulge matters required to be kept confidential under other provisions of law or Government regulations. (Rule XXVI, Sec. 5(b), Standing Rules of the Senate.)

Notwithstanding the foregoing, whenever disorder arises during a Committee or Subcommittee meeting that is open to the public, or any demonstration of approval or disapproval is indulged in by any person in attendance at any such meeting, it shall be the duty of the Chairman to enforce order on his or her own initiative and without any point

of order being made by a Member of the Committee or Subcommittee; provided, further, that when the Chairman finds it necessary to maintain order, he or she shall have the power to clear the room, and the Committee or Subcommittee may act in closed session for so long as there is doubt of the assurance of order. (Rule XXVI, Sec. 5(d), Standing Rules of the Senate.)

C. Full Committee subpoenas. The Chairman, with the approval of the Ranking Minority Member of the Committee, is authorized to subpoena the attendance of witnesses at a hearing or deposition or the production of memoranda, documents, records, or any other materials. The Chairman may subpoena attendance or production without the approval of the Ranking Minority Member where the Chairman has not received a letter of disapproval signed by the Ranking Minority Member within 72 hours, excluding Saturdays, Sundays, and legal holidays in which the Senate is not in session, of the Ranking Minority Member's receipt of a letter signed by the Chairman providing notice of the Chairman's intent to issue a subpoena, including an identification of all individuals and items sought to be subpoenaed. Delivery and receipt of the signed notice and signed disapproval letters and any additional communications related to the subpoena may be carried out by staff officers of the Chairman and Ranking Minority Member, and may occur through electronic mail. If a subpoena is disapproved by the Ranking Minority Member as provided in this subsection, the subpoena may be authorized by vote of the Members of the Committee. When the Committee or Chairman authorizes subpoenas, subpoenas may be issued upon the signature of the Chairman or any other Member of the Committee designated by the Chairman.

D. Witness counsel. Counsel retained by any witness and accompanying such witness shall be permitted to be present during the testimony of such witness at any public or executive hearing or deposition to advise such witness while he or she is testifying, of his or her legal rights; provided, however, that in the case of any witness who is an officer or employee of the Government, or of a corporation or association, the Committee Chairman may rule that representation by counsel from the Government, corporation, or association or by counsel representing other witnesses, creates a conflict of interest, and that the witness may only be represented during interrogation by staff or during testimony before the Committee by personal counsel not from the Government, corporation, or association or by personal counsel not representing other witnesses. This subsection shall not be construed to excuse a witness from testifying in the event his or her counsel is ejected for conducting himself or herself in such manner so as to prevent, impede, disrupt, obstruct or interfere with the orderly administration of the hearings; nor shall this subsection be construed as authorizing counsel to coach the witness or answer for the witness. The failure of any witness to secure counsel shall not excuse such witness from complying with a subpoena or deposition notice.

E. Witness transcripts. An accurate electronic or stenographic record shall be kept of the testimony of all witnesses in executive and public hearings. The record of his or her testimony whether in public or executive session shall be made available for inspection by the witness or his or her counsel under Committee supervision; a copy of any testimony given in public session or that part of the testimony given by the witness in executive session and subsequently quoted or made part of the record in a public session shall be provided to any witness at his or her expense if he or she so requests. Upon in-

specting his or her transcript, within a time limit set by the chief clerk of the Committee, a witness may request changes in the transcript to correct errors of transcription and grammatical errors; the Chairman or a staff officer designated by him/her shall rule on such requests.

F. Impugned persons. Any person whose name is mentioned or is specifically identified, and who believes that evidence presented, or comment made by a Member of the Committee or staff officer, at a public hearing or at a closed hearing concerning which there have been public reports, tends to impugn his or her character or adversely affect his or her reputation may:

(a) File a sworn statement of facts relevant to the evidence or comment, which statement shall be considered for placement in the hearing record by the Committee;

(b) Request the opportunity to appear personally before the Committee to testify in his or her own behalf, which request shall be considered by the Committee; and

(c) Submit questions in writing which he or she requests be used for the cross-examination of other witnesses called by the Committee, which questions shall be considered for use by the Committee.

G. Radio, television, and photography. The Committee, or any Subcommittee thereof, may permit the proceedings of hearings which are open to the public to be photographed and broadcast by radio, television or both, subject to such conditions as the Committee, or Subcommittee, may impose. (Rule XXVI, Sec. 5(c), Standing Rules of the Senate.)

H. Advance statements of witnesses. A witness appearing before the Committee, or any Subcommittee thereof, shall provide electronically a written statement of his or her proposed testimony at least 48 hours prior to his or her appearance. This requirement may be waived by the Chairman and the Ranking Minority Member following their determination that there is good cause for failure of compliance. (Rule XXVI, Sec. 4(b), Standing Rules of the Senate.)

I. Minority witnesses. In any hearings conducted by the Committee, or any Subcommittee thereof, the Minority Members of the Committee or Subcommittee shall be entitled, upon request to the Chairman by a majority of the Minority Members, to call witnesses of their selection during at least 1 day of such hearings. (Rule XXVI, Sec. 4(d), Standing Rules of the Senate.)

J. Swearing in witnesses. In any hearings conducted by the Committee, the Chairman or his or her designee may swear in each witness prior to their testimony.

K. Full Committee depositions. Depositions may be taken prior to or after a hearing as provided in this subsection.

(1) Notices for the taking of depositions shall be authorized and issued by the Chairman, with the approval of the Ranking Minority Member of the Committee. The Chairman may initiate depositions without the approval of the Ranking Minority Member where the Chairman has not received a letter of disapproval of the deposition signed by the Ranking Minority Member within 72 hours, excluding Saturdays, Sundays, and legal holidays in which the Senate is not in session, of the Ranking Minority Member's receipt of a letter signed by the Chairman providing notice of the Chairman's intent to issue a deposition notice, including identification of all individuals sought to be deposed. Delivery and receipt of the signed notice and signed disapproval letter and any additional communications related to the deposition may be carried out by staff officers of the Chairman and Ranking Member, and may occur through electronic mail. If a deposition notice is disapproved by the

Ranking Minority Member as provided in this subsection, the deposition notice may be authorized by a vote of the Members of the Committee. Committee deposition notices shall specify a time and place for examination, and the name of the Committee Member or Members or staff officer or officers who will take the deposition. Unless otherwise specified, the deposition shall be in private. The Committee shall not initiate procedures leading to criminal or civil enforcement proceedings for a witness' failure to appear or produce unless the deposition notice was accompanied by a Committee subpoena.

(2) Witnesses may be accompanied at a deposition by counsel to advise them of their legal rights, subject to the provisions of Rule 5D.

(3) Oaths at depositions may be administered by an individual authorized by local law to administer oaths. Questions shall be propounded orally by a Committee Member or Members or staff. If a witness objects to a question and refuses to testify, the objection shall be noted for the record and the Committee Member or Members or staff may proceed with the remainder of the deposition.

(4) The Committee shall see that the testimony is transcribed or electronically recorded (which may include audio or audio/video recordings). If it is transcribed, the transcript shall be made available for inspection by the witness or his or her counsel under Committee supervision. The witness shall sign a copy of the transcript and may request changes to it, which shall be handled in accordance with the procedure set forth in subsection (E). If the witness fails to sign a copy, the staff shall note that fact on the transcript. The individual administering the oath shall certify on the transcript that the witness was duly sworn in his or her presence, the transcriber shall certify that the transcript is a true record of the testimony, and the transcript shall then be filed with the chief clerk of the Committee. The Chairman or a staff officer designated by him/her may stipulate with the witness to changes in the procedure; deviations from this procedure which do not substantially impair the reliability of the record shall not relieve the witness from his or her obligation to testify truthfully.

RULE 6. COMMITTEE REPORTING PROCEDURES

A. Timely filing. When the Committee has ordered a measure or matter reported, following final action, the report thereon shall be filed in the Senate at the earliest practicable time. (Rule XXVI, Sec. 10(b), Standing Rules of the Senate.)

B. Supplemental, Minority, and additional views. A Member of the Committee who gives notice of his or her intention to file supplemental, Minority, or additional views at the time of final Committee approval of a measure or matter shall be entitled to not less than 3 calendar days in which to file such views, in writing, with the chief clerk of the Committee. Such views shall then be included in the Committee report and printed in the same volume, as a part thereof, and their inclusion shall be noted on the cover of the report. In the absence of timely notice, the Committee report may be filed and printed immediately without such views. (Rule XXVI, Sec. 10(c), Standing Rules of the Senate.)

C. Notice by Subcommittee Chairmen. The Chairman of each Subcommittee shall notify the Chairman in writing whenever any measure has been ordered reported by such Subcommittee and is ready for consideration by the full Committee.

D. Draft reports of Subcommittees. All draft reports prepared by Subcommittees of this Committee on any measure or matter referred to it by the Chairman shall be in the

form, style, and arrangement required to conform to the applicable provisions of the Standing Rules of the Senate, and shall be in accordance with the established practices followed by the Committee. Upon completion of such draft reports, copies thereof shall be filed with the chief clerk of the Committee at the earliest practicable time.

E. Impact statements in reports. All Committee reports, accompanying a bill or joint resolution of a public character reported by the Committee, shall contain (1) an estimate, made by the Committee, of the costs which would be incurred in carrying out the legislation for the then current fiscal year and for each of the next 5 years thereafter (or for the authorized duration of the proposed legislation, if less than 5 years); and (2) a comparison of such cost estimates with any made by a Federal agency; or (3) in lieu of such estimate or comparison, or both, a statement of the reasons for failure by the Committee to comply with these requirements as impracticable, in the event of inability to comply therewith. (Rule XXVI, Sec. 11(a), Standing Rules of the Senate.)

Each such report shall also contain an evaluation, made by the Committee, of the regulatory impact which would be incurred in carrying out the bill or joint resolution. The evaluation shall include (a) an estimate of the numbers of individuals and businesses who would be regulated and a determination of the groups and classes of such individuals and businesses, (b) a determination of the economic impact of such regulation on the individuals, consumers, and businesses affected, (c) a determination of the impact on the personal privacy of the individuals affected, and (d) a determination of the amount of paperwork that will result from the regulations to be promulgated pursuant to the bill or joint resolution, which determination may include, but need not be limited to, estimates of the amount of time and financial costs required of affected parties, showing whether the effects of the bill or joint resolution could be substantial, as well as reasonable estimates of the recordkeeping requirements that may be associated with the bill or joint resolution. Or, in lieu of the foregoing evaluation, the report shall include a statement of the reasons for failure by the Committee to comply with these requirements as impracticable, in the event of inability to comply therewith. (Rule XXVI, Sec. 11(b), Standing Rules of the Senate.)

RULE 7. SUBCOMMITTEES AND SUBCOMMITTEE PROCEDURES

A. Regularly established Subcommittees. The Committee shall have three regularly established Subcommittees. The Subcommittees are as follows:

Permanent Subcommittee on Investigations
Subcommittee on Federal Spending Oversight and Emergency Management
Subcommittee on Regulatory Affairs and Federal Management

B. Ad hoc Subcommittees. Following consultation with the Ranking Minority Member, the Chairman shall, from time to time, establish such ad hoc Subcommittees as he/she deems necessary to expedite Committee business.

C. Subcommittee membership. Following consultation with the Majority Members, and the Ranking Minority Member of the Committee, the Chairman shall announce selections for membership on the Subcommittees referred to in paragraphs A and B, above.

(1) The Chairman and Ranking Minority Member shall serve as nonvoting ex officio members of the subcommittees on which they do not serve as voting members.

(2) Any Member of the Committee may attend hearings held by any subcommittee and

question witnesses testifying before that Subcommittee, subject to the approval of the Subcommittee Chairman and Ranking Member.

D. Subcommittee meetings and hearings. Each Subcommittee of this Committee is authorized to establish meeting dates and adopt rules not inconsistent with the rules of the Committee except as provided in Rules 2(D) and 7(E).

E. Subcommittee subpoenas. Each Subcommittee is authorized to adopt rules concerning subpoenas which need not be consistent with the rules of the Committee; provided, however, that in the event the Subcommittee authorizes the issuance of a subpoena pursuant to its own rules, a written notice of intent to issue the subpoena shall be provided to the Chairman and Ranking Minority Member of the Committee, or staff officers designated by them, by the Subcommittee Chairman or a staff officer designated by him/her immediately upon such authorization, and no subpoena shall be issued for at least 48 hours, excluding Saturdays and Sundays, from delivery to the appropriate offices, unless the Chairman and Ranking Minority Member waive the 48-hour waiting period or unless the Subcommittee Chairman certifies in writing to the Chairman and Ranking Minority Member that, in his or her opinion, it is necessary to issue a subpoena immediately.

F. Subcommittee budgets. During the first year of a new Congress, each Subcommittee that requires authorization for the expenditure of funds for the conduct of inquiries and investigations, shall file with the chief clerk of the Committee, by a date and time prescribed by the Chairman, its request for funds for the two (2) 12-month periods beginning on March 1 and extending through and including the last day of February of the 2 following years, which years comprise that Congress. Each such request shall be submitted on the budget form prescribed by the Committee on Rules and Administration, and shall be accompanied by a written justification addressed to the Chairman of the Committee, which shall include (1) a statement of the Subcommittee's area of activities, (2) its accomplishments during the preceding Congress detailed year by year, and (3) a table showing a comparison between (a) the funds authorized for expenditure during the preceding Congress detailed year by year, (b) the funds actually expended during that Congress detailed year by year, (c) the amount requested for each year of the Congress, and (d) the number of professional and clerical staff members and consultants employed by the Subcommittee during the preceding Congress detailed year by year and the number of such personnel requested for each year of the Congress. The Chairman may request additional reports from the Subcommittees regarding their activities and budgets at any time during a Congress. (Rule XXVI, Sec. 9, Standing Rules of the Senate.)

RULE 8. CONFIRMATION STANDARDS AND PROCEDURES

A. Standards. In considering a nomination, the Committee shall inquire into the nominee's experience, qualifications, suitability, and integrity to serve in the position to which he or she has been nominated. The Committee shall recommend confirmation, upon finding that the nominee has the necessary integrity and is affirmatively qualified by reason of training, education, or experience to carry out the functions of the office to which he or she was nominated.

B. Information concerning the Nominee. Each nominee shall submit the following information to the Committee:

(1) A detailed biographical resume which contains information relating to education, employment, and achievements;

(2) Financial information, in such specificity as the Committee deems necessary, including a list of assets and liabilities of the nominee and tax returns for the 3 years preceding the time of his or her nomination, and copies of other relevant documents requested by the Committee, such as a proposed blind trust agreement, necessary for the Committee's consideration; and,

(3) Copies of other relevant documents the Committee may request, such as responses to questions concerning the policies and programs the nominee intends to pursue upon taking office. At the request of the Chairman or the Ranking Minority Member, a nominee shall be required to submit a certified financial statement compiled by an independent auditor. Information received pursuant to this subsection shall be made available for public inspection; provided, however, that tax returns shall, after review by persons designated in subsection (C) of this rule, be placed under seal to ensure confidentiality.

C. Procedures for Committee inquiry. The Committee shall conduct an inquiry into the experience, qualifications, suitability, and integrity of nominees, and shall give particular attention to the following matters:

(1) A review of the biographical information provided by the nominee, including, but not limited to, any professional activities related to the duties of the office to which he or she is nominated;

(2) A review of the financial information provided by the nominee, including tax returns for the 3 years preceding the time of his or her nomination;

POLICY JUSTIFICATION

Republic of Korea—AGM-65G-2 Maverick Missiles

The Government of the Republic of Korea (ROK) has requested the potential sale of eighty-nine (89) AGM-65G-2 Maverick missiles, missile containers and other related elements of support. The total estimated program cost is \$70 million.

This proposed sale contributes to the foreign policy and national security of the United States. The ROK is one of the major political and economic powers in East Asia and the Western Pacific and a key partner of the United States in ensuring peace and stability in the region. It is vital to U.S. national interests to assist our Korean ally in developing and maintaining a strong and ready self-defense capability. This sale increases the ROK's capability to participate in Pacific regional security operations and improves its national security posture as a key U.S. ally.

The proposed sale will improve the ROK's capability to meet current and future threats. The ROK will use the enhanced capability as a deterrent to regional threats and to strengthen its homeland defense. The ROK, which already has AGM-65G missiles in its inventory, will have no difficulty absorbing these additional missiles.

The proposed sale of this equipment and support does not affect the basic military balance in the region.

The principal contractor is Raytheon, Tucson, AZ. At this time, there are no known offset agreements proposed in connection with this potential sale.

Implementation of this proposed sale will not require the assignment of any additional U.S. Government or contractor representatives to the Republic of Korea.

There is no adverse impact on U.S. defense readiness as a result of this proposed sale.

Annex Item No. vii

(vii) Sensitivity of Technology:

1. The AGM-65G-2 Maverick is an air-to-ground close air support missile with a lock on before launch day or night capability. The G model has an imaging infrared (IIR) guidance system. The infrared Maverick G can track heat generated by a target and provides the pilot a pictorial display of the target during darkness and hazy or inclement weather. The warhead on the Maverick G is a heavyweight penetrator warhead. Maverick hardware is UNCLASSIFIED. Performance and operating logic of the countermeasures circuits are SECRET. Overall system classification is SECRET.

2. If a technologically advanced adversary were to obtain knowledge of the specific hardware and software elements, the information could be used to develop countermeasures or equivalent systems which might reduce weapon effectiveness or be used in the development of a system with similar or advanced capabilities.

3. This sale is necessary to further the U.S. foreign policy and national security objectives outlined in the Policy Justification. Moreover, the benefits derived from this sale, as outlined in the Policy Justification, outweigh the potential damage that could result if the sensitive technology were revealed to unauthorized persons.

4. All defense articles and services listed in this transmittal have been authorized for release and export to the Republic of Korea.
