

Millions of them, from the first generation of Americans until the present time.

Louise Epting was one of these. She was a beloved mother, daughter, sister and grandmother. Born in New York City, the former bobbysoxer and Frank Sinatra devotee became a nurse before settling down to raise her three children with her then-husband. Following their divorce in the 1970s, Louise continued to work hard to support her children and ensure their needs were met. Later in life, Louise followed her children to California in order to be closer to them and her future grandchildren. Louise embraced her role as the family's matriarch.

Known by her nickname "Sugar," Louise was also a dedicated volunteer for many Republican causes. She worked tirelessly for everything she believed in, dedicating time and energy to a wide variety of candidates and issues. Working to better her community, she spent countless hours volunteering at the schools her grandchildren attended in Huntington Beach, California.

A fiercely proud American, Louise "Sugar" Epting represents true patriotism, and is among the best our country has produced. A devout Catholic, she departs this world to enter the realm of heaven where we know she joins so many of her loved ones. Compassionate, caring, and cherished by many, Louise leaves behind a lasting legacy of love for her faith, family, friends, and country.

TRIBUTE TO TERI HUYCK

HON. GWEN MOORE

OF WISCONSIN

IN THE HOUSE OF REPRESENTATIVES

Thursday, February 2, 2017

Ms. MOORE. Mr. Speaker, Planned Parenthood of Wisconsin (PPWI) President and CEO Teri Huyck will retire on February 3, 2017, after leading Wisconsin's largest most trusted non-profit health care organization for nine years.

Teri Huyck came to Planned Parenthood of Wisconsin during a difficult time as interim director in 2008. She had been the Vice President and Chief Operating Officer of Planned Parenthood Chicago. Upon her arrival, the morale and financial stability of the Wisconsin Chapter of Planned Parenthood improved and eight months later, Teri Huyck dropped "interim" from her title and officially took over as president and CEO. She began an aggressive fundraising campaign that raised an additional \$500,000 and reorganized the organization.

Currently, Planned Parenthood of Wisconsin employs about 200 people and has a \$21 million annual budget that comes from state and federal funding, Medicaid and private-pay patients and private donations. Planned Parenthood provides health care to about 70,000 men and women a year across the state providing services that include: annual exams, cancer screening, colonoscopies, pregnancy testing and counseling, sexually transmitted disease testing and treatment, and abortions. Family planning and prevention accounts for more than 95 percent of the services Planned Parenthood of Wisconsin performs. The organization gives out 200,000 cycles of birth control pills per year. The majority of the women and men who come here are not seeking an abortion.

Ms. Huyck has made it her mission to be transparent and tells the unvarnished truth to everyone she meets. A self-proclaimed "farm girl from Ohio," she joined the Planned Parenthood organization following a career as a hospital administrator in Ohio and Illinois who wanted to combine her skills in the health care field with her passion for women's issues. Teri remembers when *Roe v. Wade* was decided and learned her passion for women's issues from her mother. Teri's childhood friend was raped and as a result became pregnant in the mid-1970s. The friend chose abortion and was treated poorly. This incident left a lasting impression on her as well.

Teri has a Bachelor's degree in Psychology with high honors from Ohio State University and a Master's degree in Hospital and Health Administration from Xavier University in Cincinnati.

I am grateful to have had the opportunity to know and work with Teri since she assumed her role at Planned Parenthood of Wisconsin. We have stood together on many issues to ensure both women and men in Wisconsin have access to health care. I join with her family, friends and colleagues to congratulate her on her retirement. I wish her much success as she transitions into a different phase of her life with her husband, Perry who recently retired, as well. Mr. Speaker, I am proud to honor Teri Huyck. The citizens of the Fourth Congressional District and the State of Wisconsin are privileged to have someone of her ability and dedicated service working on their behalf for so many years. I am honored for these reasons to pay tribute to Ted Huyck.
