

II, the musicians still found ways to practice and keep the group active. In 1961, the Mattatuck Drum Band travelled to Washington to participate in the inaugural parade of President-Elect John F. Kennedy. They received a standing ovation and applause for their performance.

Today the Mattatuck Drum Band performs at many parades and celebrations, using their powerful drum beats to continue the patriotic tunes and traditions that have inspired so many Americans over generations. I would like to congratulate the Mattatuck Drum Band on their incredible history of service and inspiration. It is my hope that the band continues this incredible musical tradition for many more years to come.●
