#### DENNY AND CAROLL YULE RECEIVE PRESIDENT'S AWARD FROM THE VVC FOUNDATION

#### HON. PAUL COOK

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Monday, February 27, 2017

Mr. COOK. Mr. Speaker, I rise today to recognize the outstanding service of Denny and Carol Yule who will be presented the President's Award from the Victor Valley College Foundation on February 25, 2017.

Dennis and Carol were nominated for this award for their collaborative impact and contributions to Victor Valley College education and the Victor Valley Community. Dennis and Carol have sponsored numerous college scholarships that have enabled students, who otherwise could not afford a degree, to pursue higher education. Without such generous donations from the Yules to the college foundation, some VVC students would not have received their associate degrees. Besides their monetary donations, Carol has volunteered many hours of personal time to guest lecture at Victor Valley College. As described by Victor Valley College Foundation President, the

Yules are "irreplaceable members of our community."

On behalf of the U.S. House of Representatives, I would like to thank Denny and Carol Yule for their tireless work and dedication to the students of the Victor Valley. I congratulate the Yules on receiving the President's Award from the Victor Valley College Foundation.

#### HONORING THE NAPA OPEN SPACE DISTRICT

#### HON. MIKE THOMPSON

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Monday, February 27, 2017

Mr. THOMPSON of California. Mr. Speaker, I rise today to honor the Napa Open Space District which is celebrating its 10th Anniversary. This special District has played a vital role in conversation and recreation in our community for the past decade and will continue to protect open spaces for future generations.

Napa County residents voted to establish the Napa County Regional Park and Open Space District in November 2006 with the goal to preserve wildlife habitat and nature areas. The District does so by conserving open space and creating recreation opportunities including a system of public parks, trails, outdoor recreational facilities for Napa County residents.

The District has had incredible success during its first decade of operation. It has preserved over 5000 acres of open space and parks and maintains over 100 miles of multiuse trails in our community. Community education programs are a major priority for the District, and it runs outdoor science and conservation education programs to reach people of all ages. The District has also facilitated and funded outdoor field trips for thousands of Napa County children, allowing them the opportunity to experience and learn about their local environment.

The parks and recreation opportunities provided by the Napa Open Space District have been tremendously successful and popular. The District's work enhances current Napa's quality of life and also ensures that future generations have the ability to experience the outdoors. Through its work, the District fosters a greater sense of community and pride within our Napa Valley.

Mr. Speaker, the Napa Open Space District conserves our natural resources and provides residents with magnificent open spaces and an enhanced quality of life. Therefore, it is fitting and proper that we honor Napa Open Space District here today.
