HON. MIKE BOST

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 1, 2017

Mr. BOST. Mr. Speaker, I rise today in recognition of the 100th Anniversary of the Rotary Club of St. Clair County (West).

On March 1, 1917, the Rotary Club of St. Clair County (West) received its first charter with 30 members in attendance, becoming the first Rotary Club activated in Southern Illinois. Since its activation, the Rotary Club has been a support group to countless business owners through the Great Depression, World War II, and beyond. Not only do its members focus on strengthening businesses, but they also focus on enriching the community through charitable work.

The Red Cross, Salvation Army, Boys and Girl Scouts of America, and YMCA are only a few of the organizations with which St. Clair County (West) has been instrumental in strengthening Southern Illinois, including creating the Edgemont YMCA facility and a college scholarship program for high school seniors.

We are grateful for the contributions that Rotary Clubs around the nation are making on a daily basis. I urge all of my colleagues to join me in recognition of the 100th Anniversary of the St. Clair County (West) Rotary Club.

INTRODUCTION OF THE VISION ZERO ACT

HON. EARL BLUMENAUER

OF OREGON

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 1, 2017

Mr. BLUMENAUER. Mr. Speaker, the true American carnage is what's happening on our roadways. More than 40,000 people were killed last year on streets in communities around the country, yet this is accepted as inevitable. We can do better. We have to do better.

Even more concerning, fatalities of our most vulnerable road users, pedestrians and bicyclists, make up a disproportionate share of those deaths, with pedestrian fatalities increasing 16 percent from 2009 to 2014 and jumping another 9 percent from 2015 to 2016. People who die on our streets are disproportionately children, seniors, and people from low-income or minority communities.

Communities across the country have recognized that there is only one number of acceptable deaths on our streets: zero. Vision

Zero is the goal of eliminating all transportation-related fatalities, including pedestrians, bicyclists, transit users, motorists and passengers. Cities from Portland, Oregon to Fort Lauderdale, Florida are implementing inter-agency Vision Zero plans that connect engineering, education, and enforcement to reach the goal of ending transportation deaths and serious injuries. Despite the horrific national statistics, Vision Zero is already making a difference at street level.

Congress should encourage this innovative approach to transportation safety, and today I'm pleased to introduce the Vision Zero Act of 2017 with my friend, Representative VERN BUCHANAN. This bill creates grant programs to plan and implement a Vision Zero framework, giving local communities of all sizes access to funding and best practices to set and reach safety goals. We should no longer accept bicycle and pedestrian fatalities as harsh reality, and this bill gives us the tools to reverse this trend.

IN RECOGNITION OF THE REPUBLIC OF KAZAKHSTAN

HON. MARK MEADOWS

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 1, 2017

Mr. MEADOWS. Mr. Speaker, I rise today to commend the Republic of Kazakhstan and its President on taking significant steps towards a more open and democratized form of governance. Recently, President Nursultan Nazarbayev announced constitutional reforms aimed at improving the accountability of government and the transfer of many powers to the Parliament and ministry level.

Last December, Kazakhstan celebrated twenty-five years of independence from the former Soviet Union. In those twenty-five years, Kazakhstan has become a modernized republic, moved towards a market-based economy, and stewarded growth and prosperity for its citizens. Kazakhstan's President Nazarbayev is now taking the welcomed steps towards implementing the political and constitutional reforms that a modern republic, governed by the people and for the people, requires for continued long-term stability and prosperity.

I am proud of the United States' partnership with Kazakhstan as it continues to make clear its commitment to the rights of its citizens, and we encourage its progress in protecting religious minorities and freedom of the press. These commendable steps towards the democratization of government serve as an example for other countries in the region.

In the coming months, I look forward to welcoming and working with the new Ambassador to the United States, H.E. Erzhan Kazykhanov, and commend the Kazakh government for the willingness to continuously improve the country's governmental system.
