Mr. GONZALEZ of Texas changed his vote from "aye" to "no."

Messrs. ROKITA and LAHOOD changed their vote from "no" to "aye." So the motion to table was agreed to.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

FRED D. THOMPSON FEDERAL BUILDING AND UNITED STATES COURTHOUSE

The SPEAKER pro tempore (Mr. FERGUSON). The unfinished business is the question on suspending the rules

and passing the bill (H.R. 375) to designate the Federal building and United States courthouse located at 719 Church Street in Nashville, Tennessee, as the "Fred D. Thompson Federal Building and United States Courthouse".

The Clerk read the title of the bill.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Pennsylvania (Mr. BARLETTA) that the House suspend the rules and pass the bill.

The question was taken; and (two-thirds being in the affirmative) the rules were suspended and the bill was passed.

A motion to reconsider was laid on the table.

MOMENT OF SILENCE FOR ANTHONY "TONY" BEILENSEN

(Mr. SHERMAN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. SHERMAN. Mr. Speaker, I regret to inform the House that my predecessor, Anthony "Tony" C. Beilenson, died over the weekend.

Anthony Beilenson was known for integrity, civility, intelligence, courage, and a willingness to work across the aisle, even when that caused him to differ from the orthodoxy of his own party.

He served in this House for 20 years, from 1977 through 1997, and served for 2 years as chair of the House Permanent Select Committee on Intelligence. He passed on Sunday, and I ask that Members rise and that the House observe a moment of silence.

PUBLIC TIRED OF BIASED MEDIA

(Mr. SMITH of Texas asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. SMITH of Texas. Mr. Speaker, from Investor's Business Daily: "The mainstream media's open hostility to President Trump may be starting to backfire, according to the latest IBD/TIPP poll. The poll found that 55 percent of the public says they have grown 'weary from the media's persistently negative coverage of President Trump.' A roughly equal share, 54 percent, also believe that the news media 'has assumed the role of the opposition party, constantly opposing the president and his policies at every turn.'"

"The results are understandable, given the unusually hostile relationship the press has with Trump.

"A study by the nonpartisan group Media Tenor found that only 3 percent of network news stories in the first month of the Trump administration could be described as positive."

"The poll found that 57 percent back Trump's plan to hire 10,000 more immigration agents; 58 percent support the deportation of illegal immigrants charged with a crime, even if they

haven't been convicted; and 53 percent back Trump's call to withhold federal aid to 'sanctuary cities.'"

"Meanwhile, 42 percent say Trump is providing strong leadership for the country, which is higher than the 40 percent Obama got last October."

HOUSE REPUBLICANS' BILL TO REPEAL THE AFFORDABLE CARE ACT

(Mr. PAYNE asked and was given permission to address the House for 1 minute.)

Mr. PAYNE. Mr. Speaker, it took 7 years, but it is finally here: the House Republican plan to make America sick again.

Under this plan, millions of Americans will lose their health insurance, and millions of other families will pay more for worse coverage. At the same time, the Republicans' bill rolls back Medicaid expansion and allows insurers to charge older enrollees more.

We always knew that the House Republican plan would harm the most vulnerable Americans, but we still do not know how much this bill will cost and how many Americans it will cover.

Now, House Republicans prefer it this way. They know that their bill will cover far fewer people than the Affordable Care Act does. They want to hide this fact from the American people and rush this bill through committee.

Mr. Speaker, this is an obvious and embarrassing display of cowardice from the House Republicans. The American people deserve to know the consequences of this bill just as they deserve quality and affordable access to health care. With the Republican plan, it looks like the American people will get neither.

HAPPY BIRTHDAY, LILLIAN COX

(Mr. OLSON asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. OLSON. Mr. Speaker, I work for the Texans in Meadows Place. They are led by Mayor Charles Jessup. The locals call Meadows Place the best square mile of small-town America.

Meadows Place has a secret. Shhhhh. Every man who lives there is in love with the same woman. We all love Lillian Cox.

Lillian turned 110 on February 22. In 352 days, I am taking Lillian out for her 111th birthday. She will put on a nice dress, a necklace, and earrings. I will take her to the Live Oak Grill, where she will have the fried catfish she loves so much. I will have the chicken fried steak. And we may go dancing, if I can keep up with her.

Lillian, happy 110th birthday. I will pick you up at 5 p.m. on February 22, 2018.

THREE BRANCHES OF GOVERNMENT
