

judicial decisions that prevent executive overreach.

No senator should vote to confirm the nomination of Judge Neil Gorsuch as Associate Justice if he or she has the slightest doubt that he possesses the character, qualities, integrity, and commitment to justice and equality needed for this position.

There is so much to say about Judge Gorsuch, so much to say about the stance that is being taken by colleagues who are not being political, who are not talking about the 2016 election, who are simply talking about the courthouse door being slammed in the face of the most vulnerable.

I believe that this judge should not ascend to the United States Supreme Court.

Ms. NORTON. I thank my good friend for helping us document why we believe this is not the time for this Justice to be on the Supreme Court.

We recognize that it is not the House of Representatives that decides this matter, but the Congressional Black Caucus represents 17 million Americans who will be deeply affected by who sits on this Court. I appreciate that we have had this full hour to express our views.

Mr. Speaker, I yield back the balance of my time.
