Any record vote on the postponed question will be taken later.

WEATHER RESEARCH AND FORECASTING INNOVATION ACT OF 2017

Mr. SMITH of Texas. Mr. Speaker, I move to suspend the rules and concur in the Senate amendment to the bill (H.R. 353) to improve the National Oceanic and Atmospheric Administration's weather research through a focused program of investment on affordable and attainable advances in observational, computing, and modeling capabilities to support substantial improvement in weather forecasting and prediction of high impact weather events, to expand commercial opportunities for the provision of weather data, and for other purposes.

The Clerk read the title of the bill. The text of the Senate amendment is as follows:

Senate amendment:

Strike out all after the enacting clause and insert the following:
