STATEMENTS ON INTRODUCED BILLS AND JOINT RESOLUTIONS

By Mr. DAINES (for himself and Mrs. MCCASKILL):

S. 886. A bill to amend the Homeland Security Act of 2002 to establish an Acquisition Review Board in the Department of Homeland Security, and for other purposes; to the Committee on Homeland Security and Governmental Affairs.

Mr. DAINES. Mr. President, the Department of Homeland Security, DHS, is tasked with keeping Americans safe in the homeland. To carry out this mission, DHS spends over \$7 billion on acquisition programs annually. DHS and its agencies are held to a high standard for keeping our Nation safe. We also must hold it to a high standard of fiscal responsibility. DHS must be good stewards of taxpayer resources.

DHS's acquisition process has long faced problems resulting in waste, delays, and under delivery of performance objectives. Since the inception of DHS, the Government Accountability Office, GAO, has highlighted challenges and offered recommendations to improve the acquisition process. There has been progress; however, there continues to be room for improvement. According to a GAO report released today, DHS's acquisition process remains a high-risk issue, susceptible to cost overruns and schedules delays. These issues reduce buying power and force security employees to wait for new capabilities. This is not fair to those on the front lines tasked with keeping us safe and it is not fair to the American taxpayers.

I spent 28 years in the private sector. I know when tough business decisions need to be made, you convene a board that brings with it a breadth of experience and a deep understanding of strategic objectives and goals.

That is why I am introducing the OHS Acquisition Review Board Act of 2017. This legislation will create a review board within the Department to strengthen accountability and uniformity across all agencies and the entire acquisition process, ensure long term strategic objectives are met, and ensure the use of industry-proven best practices.

I thank Senator MCCASKILL for being an original cosponsor of this bill and Representatives THOMAS GARRETT and MICHAEL MCCAUL for leading introduction of companion legislation in the

House of Representatives. I ask my Senate colleagues to join us in support of this important legislation.

Mr. President, I ask unanimous consent that the text of the bill be printed in the RECORD.

There being no objection, the text of the bill was ordered to be printed in the RECORD, as follows:
