TRIBUTE TO NETTY CARR—28TH  
CONGRESSIONAL DISTRICT  
WOMAN OF THE YEAR

**HON. ADAM B. SCHIFF**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, April 20, 2017*

Mr. SCHIFF. Mr. Speaker, I rise today in honor of Women's History Month. Each year, we pay special tribute to the contributions and sacrifices made by our nation's women. It is an honor to pay homage to outstanding women who are making a difference in my congressional district. I would like to recognize a remarkable woman, Netty Carr of Atwater Village, a unique neighborhood in Los Angeles, California.

Netty Carr was born in the Echo Park neighborhood of Los Angeles, and has been a resident of Atwater Village for many years. A successful small business owner, Ms. Carr founded Netty's Restaurant in 1987 in Silver Lake, serving comfort food to customers until 2007.

Over the years, Ms. Carr has dedicated her time and efforts to better her community. She is an avid supporter of green space, the environment, and historic preservation. Most notably, in 1999, Netty spearheaded the Coalition to Save the Van de Kamp's bakery building on Fletcher Drive, because a developer had plans to demolish the building to build a "big box" store. Through the hard work and commitment of Ms. Carr and the Coalition, which was comprised of 23 community groups, they succeeded in saving this historical building.

Ms. Carr co-founded Friends of Atwater Village, a non-profit organization, where volunteers work together with the common goal of improving Atwater Village, and promoting and preserving the local history. From neighborhood clean-ups to mural projects, two of which Netty personally funded, Netty's dedication to improve the community through beautification projects is nothing short of extraordinary.

I ask all Members to join me in honoring an exceptional woman of California's 28th Congressional District, Netty Carr.

Ms. ESHOO. Mr. Speaker, I rise today to honor the extraordinary life of Robert F. Glockner by including in the RECORD the Memorial Tribute prepared by his loving family.

Bob Glockner died peacefully on March 26, 2017, surrounded by his family. A vibrant man, Bob will be remembered for his warmth and generosity, commitment to his family and community, and his boundless energy.

Born in Pittsburgh, Pennsylvania, in the summer of 1938, he was the third child of

Paul and Stephanie Glockner. He moved with his family to Oakland, California, in 1947.

In 1956 Bob graduated from St. Elizabeth High School, where he enjoyed drama and sports. He served in the U.S. Army and later in the Army reserves.

He attended San Francisco State, graduating in 1961 with a bachelor's degree in Legal Studies. San Francisco is also where he met his wife of 54 years, Ginger Alfs. Together, they had four daughters.

Bob began his career as a salesman for Modernfold of Northern California. In 1970 he became a partner in Partition Specialties, Inc., serving as president before striking out on his own to found WestFour Construction and Whitney Investment Company in 1983.

He did not retire but more transitioned to the role of "Volunteer Project Manager," helping his family as well as organizations that were close to his heart. Bob always had a project, and many knew him as the person you would turn to when you needed to get something done.

A dedicated and active member of his community, he was a member of the Board of Trustees for Sacred Heart Schools in Atherton, as well as a member of Sharon Heights Country Club, the Vineyard Club, and the Peninsula Investors Club. He was quick to offer his time or his counsel to assist a worthy cause.

Bob loved travel, art and music. He was an avid sports fan, skier, golfer, and lover of the outdoors. Later in life, he tried his hand at growing grapes and winemaking, and enjoyed producing wine under his own "Four Sisters Vineyard" label.

Above all, Bob loved and was loved by his family. He will be remembered by his wife, Ginger; his daughters and sons-in-law Jennifer and John Whitcomb, Ellen and Fred Eder, Julie Morris, and Whitney and Peter Glockner Black; his 10 grandchildren, Stan, Mackenzie and Brooke Whitcomb, Elizabeth and Fred Eder, Kyle and Hannah Morris, and Axel, Jasper, and Hugo Black; as well as his sisters, Audrey Glockner and Mary Akey; his sister-in-law, Diane Orsellini, and their families.

I had the privilege of knowing Bob Glockner for decades. He was a gentleman and a man of great faith. He loved his family and was devoted to his church, his community and his country. It was an honor to have known him and call him my friend. Because of all he did in living a worthy life, our country has been bettered immeasurably. Mr. Speaker, I ask the entire House of Representatives to join me in expressing our collective sympathy to the great love of his life, Ginger, their children, grandchildren, and entire family on the loss of a great and good man.

IN RECOGNITION OF THE GRAND  
OPENING OF THE NEW STERLING  
LIBRARY

---

**HON. BARBARA COMSTOCK**

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, April 20, 2017*

Mrs. COMSTOCK. Mr. Speaker, I rise to recognize the Grand Opening of the new Sterling Library. This new branch, located in the heart of Sterling, Virginia is nearly three times the size of the former library and includes state-of-the-art facilities, increased access to computers, and the most up to date technology and resources, such as 3D printers, recording studios, and books offered in multiple languages. I take great pride knowing this state-of-the-art facility is opening in Virginia's Tenth District, and I am very thankful for the broad range of learning opportunities it will afford my constituents.

Since the mid-1970s the Sterling Library has been a vital part of the community's steady development, but the old building could no longer support the everyday needs of the community. According to the Director of Loudoun County Public Library, Chang Liu, community input played a crucial role in the plans for this library. Residents were very engaged during the planning and design processes, and the new elements, such as the high-tech workspaces and the unique teen area, coupled with the tremendous amount of space offered in the new library, better suit the current needs of the growing Sterling community.

This project is part of the broader Sterling Public Facilities Master Plan, which was approved in a referendum in 2014. In addition to the library, the plan calls for the expansion of the Sterling Volunteer Fire and Rescue Station and the renovation and expansion of the Sterling Community Center into the former library space. The opening of the new library marks the first step in what will be an exciting period of innovation in Sterling.

Mr. Speaker, I would ask that my colleagues join me in applauding the Grand Opening of the new Sterling Library. I look forward to the impact it will have on the children, teenagers, and adults of Sterling and our Commonwealth as a whole.

TRIBUTE IN HONOR OF THE LIFE  
AND MEMORY OF JAMES  
"JIMMY" LANZA

---

**HON. JOSEPH CROWLEY**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Thursday, April 20, 2017*

Mr. CROWLEY. Mr. Speaker, I rise today to pay tribute to the life and service of James "Jimmy" Lanza. Jimmy passed on April 6 of this year, surrounded by his family, friends, and beloved brothers from the Fire Department of New York City, after a noble battle with brain cancer. An esteemed member of the Woodside community, Jimmy's life was characterized by a tireless dedication to others in keeping with the highest tradition of service to our country. Jimmy gave perennially of himself, serving in the U.S. Navy during the Vietnam War, where he was a member of a crew of flying airborne early warning and control systems. After his tenure in the Navy, Jimmy went on to serve as a firefighter, devoting three decades to the FDNY with Engine 53, Ladder 43, in East Harlem as part of "El Barrio's Bravest."

During his time with the FDNY, Jimmy devoted countless hours to the search and recovery mission at the World Trade Center in the aftermath of September 11. After Hurricane Katrina, he traveled to New Orleans with his FDNY comrades to assist in their rescue, search, and recovery mission. As a volunteer with the Red Cross, he stood ever-ready to lend a hand to suffering communities in the aftermath of devastation. Jimmy also served on the executive board of the FDNY Fire Family Transport Foundation, an organization devoted to providing care and comfort to the families of firefighters during times of great need or bereavement. Jimmy was also deeply involved with charitable work on behalf of

wounded veterans and their families. He made numerous trips to Washington, D.C. to visit veterans in military hospitals, and assisted in many sponsored events for vets and their families. A lifetime member of the American Legion, Jimmy served as the Commander of Post 1836, at the Boulevard Gardens in Woodside, Queens. In that role, he helped to educate the community on the profound sacrifices made by those who choose to serve our country in the armed forces.

A lifelong Woodside resident, Jimmy devoted his time after retirement from the FDNY to improving his local community. He served as the President of the Boulevard Gardens Co-op Board for 15 years, the longest anyone had ever held the position. During his tenure, he worked to improve communication between the local precinct, the community board, and the Co-op board in order to assure that issues were dealt with in a timely manner. Jimmy was also instrumental in the fight to bring fair assessment to property values for co-ops across New York City. Over his tenure as President, the Boulevard Gardens community saw a marked increase in the quality of life and overall safety, as well as the financial standing of the co-op.

Jimmy Lanza lived his entire life in service of others. His was the highest ideal of a life devoted to one's community and country, and should serve as an example for us all to aspire to. He was a truly great man, and also a dear friend of mine. He was a devoted family man, and is survived by his beloved sister Marian, his nephews Keith and Michael, niece Stephanie, grand-nieces Emily and Eva, grand-nephews Brandon and Andrew, countless friends, and all of the lives he touched over the years. Mr. Speaker, Jimmy's commitment to both community and country was, and will continue to be, an inspiration to all of us. I ask my colleagues to join me in honoring the life and legacy of James J. Lanza. May he rest in peace.

THE AMERICAN PEOPLE ARE  
RIGHT TO DEMAND THE PRESIDENT  
RELEASE HIS TAX RETURNS

---

**HON. SHEILA JACKSON LEE**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Thursday, April 20, 2017*

Ms. JACKSON LEE. Mr. Speaker, every year at this time tens of millions of Americans are completing their tax returns and rushing to the nearest post office to mail them before the deadline.

No one likes to pay taxes but the vast majority of Americans voluntarily comply out of their respect for law and because paying taxes is one of the responsibilities of citizenship.

That responsibility is placed upon and assumed by struggling wage earners to the wealthiest individuals in America.

And that even includes the President of the United States.

Americans have the right to expect and to know that the leader of their country, and the most powerful person on Earth, is paying his fair share of taxes that fund the government he heads, the Armed Forces he commands, the nuclear arsenal he controls, the Secret Service protection he receives, and the White House he lives in.
