HONORING JACK WALSH, RECIPIENT OF THE 2017 CHARLES H. FLYNN HUMANITARIAN AWARD

**HON. ROSA L. DeLAURO**

OF CONNECTICUT

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, April 25, 2017*

Ms. DeLAURO. Mr. Speaker, it is my great honor to join the communities of the Naugatuck Valley as they pay tribute to the outstanding and incalculable contributions of Jack Walsh by honoring him with the 47th Annual Charles H. Flynn Humanitarian Award. The oldest award of its kind, this prestigious honor is bestowed each year to a member of the Valley community in recognition of their lifetime commitment to service.

A life-long resident of Derby, Connecticut, Jack dedicated his personal and professional life to enriching the many communities of the Naugatuck Valley and improving the quality of life for all of its residents. Jack began his career as a teacher in Shelton and Derby, a high school basketball coach in Shelton, and the Director of the Derby Recreation Camp. In each of these roles, Jack helped to shape the hearts and minds of the next generations of Valley residents, ensuring that they had access to educational opportunities and provided a strong foundation on which to build their future success.

In 1989, Jack began his tenure as President & CEO of the Valley United Way—a career which spanned nearly thirty years until his retirement just last November. Under his tenure the organization grew as a community resource with the addition of the Youth Leadership Program, the Volunteer Action Center, and the partner Agency Council, which has since expanded to become the Valley Council for Health & Human Services. Jack also helped to spearhead the Valley's successful effort in the All-America City competition.

In addition to his professional contributions, Jack is an active member of the community. His seemingly innumerable titles include Chair of the Electronic Valley project, President of the Board of Directors at the Derby Neck Library, member and past president of both the Derby/Shelton Rotary Club and the Ancient Order of Hibernians, past President of the Board of Directors for the Derby Historical Society and former member of the board of directors for the Hallock's Landing Senior Housing Project. He served on the Valley Advisory Committee for the Community Foundation for Greater New Haven, is a Corporator for Griffin Hospital and a member and past Co-chair of the Citizens Advisory Committee for the Yale/Griffin Prevention Resource Center. Jack is a member of the Board of Directors for the Online Journalism Project, the parent organization for the Valley Independent Sentinel as

well as one of the founders and a committee member for the Commodore Hull Thanksgiving Day 5K Road Race. Past Chair of Derby's Park & Recreation Commission, current Chair of the City's Greenway Committee, as well as co-Chair of the Naugatuck River Greenway Committee, his efforts have changed the very face of the Naugatuck Valley.

Jack's incredible service has been recognized by many over the years with a myriad of awards and commendations. He is recipient of the Greater Valley Chamber of Commerce's Gold Seal Award, the Lewis Savitsky Staff Excellence Award, the Hazel Knapp Award for regional leadership as well as the Derby Historical Society's Dr. John I. Howe Award just to name a few. He was named to the Boys & Girls Club of the Lower Naugatuck Valley Alumni Association Hall of Fame and honored by the Lower Naugatuck Valley Bar Association with their Liberty Bell Award. The YMCA presented him with their Strong Community Builder Award and the Women and Heart Disease Committee at Griffin Hospital presented him with their "Caring Heart" Award.

Tonight, marking his lifetime of service, Jack Walsh is presented with the Charles H. Flynn Humanitarian Award—and I cannot think of a more deserving individual to recognize for their commitment, dedication, and extraordinary good work. I am honored to join the communities of the Naugatuck Valley in thanking Jack for his unparalleled public service—his is a legacy that will not soon be matched and most certainly will continue to inspire service in others for generations to come.

Mr. SCOTT of Virginia. Mr. Speaker, I rise today to honor "The First Lady of Song", Ella Fitzgerald on her 100th birthday.

Born on April 25, 1917 in Newport News, Virginia, Ella Jane Fitzgerald went on to define Jazz music for more than half a century. During her impressive and lengthy career, Fitzgerald worked with many other great jazz artists of the time including Duke Ellington, Nat King Cole, Frank Sinatra, and Dizzy Gillespie.

Ella Fitzgerald won 13 Grammy's during her lifetime, and was awarded the National Medal of Arts by President Ronald Reagan in 1987 and the Presidential Medal of Freedom by President George H.W. Bush in 1992.

Mr. Speaker, although Ella Fitzgerald is no longer here with us, her music is still celebrated throughout the world, especially in her

HONORING MILLS ACADEMY

**HON. BENNIE G. THOMPSON**

OF MISSISSIPPI

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, April 25, 2017*

Mr. THOMPSON of Mississippi. Mr. Speaker, I rise today to honor a remarkable organization, Mills Academy.

With Mississippi schools mandating fundamental tests for kindergarten through third grade students to pass in order to advance to the next grade, one woman has made it her mission to help the children in the Greenville Public School District. Airnecia Mills, founder and director of Mills Academy, an after-school tutoring program for students in pre-K all the way through college, has started a free third-grade reading comprehension program in an effort to prepare area children for upcoming state tests. "We're encouraging students to read passages and comprehend what the questions are asking them with the same strategies they will be tested on," Mills said.

Last year, all of Mills' third-graders passed the reading gate and many of her students showed exceptional growth in their star literacy and reading test, she said. Aside from the reading program, Mills Academy provides after-school help for students in pre-k through 12th grade from 4:00–8:00 p.m. every weekday. While helping students to enhance their educational experience, the academy focuses on promoting academic achievement, developing stronger academic skills, test-taking and studying skills. Homework assistance, test prep and tutorials are given to students after school to help eliminate the illiteracy in the community.

Mills started this program towards the end of 2015 and her family was super supportive
