Mr. BRADY of Texas. Mr. Speaker, today, I am honored to recognize and thank Brent Akin for his selfless commitment to the safety and

well-being of the Montgomery County community.

On April 30th, Detective Akin of the Montgomery County Sheriffs Department will enter a well-deserved retirement after almost thirty years of dedicated public service.

A native Texan, Brent was born and raised in Houston by his parents, JoAnn and Rowland Akin. Together with his five siblings: Joe, Ricky, Bill, Deronda, and Rowland, Brent grew up in the Houston community. In 1983, Brent married the love of his life, Catherine Parada and, two years later, packed their belongings and moved to The Woodlands, TX where they have resided ever since. In 1987, Brent and Catherine welcomed a beautiful daughter, Emily, who has blessed them with a son-in-law, Stephen Richards, and a grandson, Noah.

Brent officially began his career in law enforcement when he graduated from the police academy in 1987. Just one year later, he joined the Montgomery County Sheriff's Department, where he has served for nearly thirty years, working under five sheriffs. Most recently, Brent works as a Detective, but during his many years of distinguished service, he held various positions within the department as a Patrol Officer and Internal Affairs Officer.

Throughout his career, Brent has helped countless members of our community conducting criminal investigations, providing security for community events, and patrolling the cities and roads of Montgomery County. Brent has worked to solve many high profile cases, including the 1999 Wanda Pitts murder case. His close attention to detail, perseverance, commitment to the law and serving his community is evident in every case he has worked on.

Brent has honorably dedicated himself to Montgomery County as is evidenced by countless first-hand accounts and the many commendations he has received, such as the Public Safety Hero Award in 2009.

I am pleased to join Brent's family friends, the citizens of Montgomery County, and the entire Eighth Congressional District of Texas to give thanks and wish him well as he begins his retirement.

HONORING MILLS ACADEMY

**HON. BENNIE G. THOMPSON**

OF MISSISSIPPI

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, April 25, 2017*

Mr. THOMPSON of Mississippi. Mr. Speaker, I rise today to honor a remarkable organization, Mills Academy.

With Mississippi schools mandating fundamental tests for kindergarten through third grade students to pass in order to advance to the next grade, one woman has made it her mission to help the children in the Greenville Public School District. Airnecia Mills, founder and director of Mills Academy, an after-school tutoring program for students in pre-K all the way through college, has started a free third-grade reading comprehension program in an effort to prepare area children for upcoming state tests. "We're encouraging students to read passages and comprehend what the questions are asking them with the same strategies they will be tested on," Mills said.

Last year, all of Mills' third-graders passed the reading gate and many of her students showed exceptional growth in their star literacy and reading test, she said. Aside from the reading program, Mills Academy provides after-school help for students in pre-k through 12th grade from 4:00–8:00 p.m. every weekday. While helping students to enhance their educational experience, the academy focuses on promoting academic achievement, developing stronger academic skills, test-taking and studying skills. Homework assistance, test prep and tutorials are given to students after school to help eliminate the illiteracy in the community.

Mills started this program towards the end of 2015 and her family was super supportive
