PROCEEDINGS AND DEBATES OF THE 115th CONGRESS, FIRST SESSION

Vol. 163

WASHINGTON, WEDNESDAY, APRIL 26, 2017

No. 71

House of Representatives

The House met at 10 a.m. and was called to order by the Speaker pro tempore (Mr. WOODALL).

DESIGNATION OF SPEAKER PRO TEMPORE

The SPEAKER pro tempore laid before the House the following communication from the Speaker:

WASHINGTON, DC,
April 26, 2017.

I hereby appoint the Honorable ROB WOODALL to act as Speaker pro tempore on this day.

PAUL D. RYAN,
Speaker of the House of Representatives.

MORNING-HOUR DEBATE

The SPEAKER pro tempore. Pursuant to the order of the House of January 3, 2017, the Chair will now recognize Members from lists submitted by the majority and minority leaders for morning-hour debate.

The Chair will alternate recognition between the parties, with each party limited to 1 hour and each Member other than the majority and minority leaders and the minority whip limited to 5 minutes, but in no event shall debate continue beyond 11:50 a.m.

TRUMPCARE FLEXIBILITY

The SPEAKER pro tempore. The Chair recognizes the gentleman from Massachusetts (Mr. KENNEDY) for 5 minutes.

Mr. KENNEDY. Mr. Speaker, as my Republican colleagues debate TrumpCare amongst themselves, they speak so often of so-called flexibility. But let's be clear about what that wink and nod to insurance companies actually means.

For working families, flexibility is a cold euphemism for less choice; actually, for an impossible choice between caring for a new child or aging parent,

between lifesaving treatment or your life savings, between an inpatient bed or monthly mortgage, desperately needed medication or food on your table, between life, and, yes, for some, death, because the moment essential health benefits become negotiable, they become dispensable.

And while insurance companies might enjoy that newfound flexibility, American families and our loved ones will pay that price.

PHILLIP AND PATRICIA FROST MUSEUM OF SCIENCE GRAND OPENING

The SPEAKER pro tempore. The Chair recognizes the gentlewoman from Florida (Ms. ROS-LEHTINEN) for 5 minutes.

Ms. ROS-LEHTINEN. Mr. Speaker, I would like to recognize the Phillip and Patricia Frost Museum of Science for the opening of its new location in downtown Miami in my congressional district on May 8. From its humble beginnings in 1950 as the Junior Museum of Miami, the Frost Museum has enjoyed tremendous success becoming the premier educational attraction for families and children across south Florida.

The nationally recognized after-school programs and summer camps offered at the Frost Museum of Science have provided generations of students the firsthand opportunity to explore science, technology, marine life, and astronomy, undoubtedly contributing to south Florida students' immense interest in STEM careers.

The new location in downtown Miami will provide state-of-the-art facilities and expand the interactive exhibits and demonstrations that keep patrons of the Frost Museum of Science returning year after year.

I would like to invite all of south Florida to come out to the new Phillip and Patricia Frost Museum of Science

on May 8 to celebrate the grand opening of this magnificent new facility.

RECOGNIZING OUR LADY OF LOURDES ACADEMY AND ST. THOMAS THE APOSTLE CATHOLIC SCHOOL

Ms. ROS-LEHTINEN. Mr. Speaker, I would like to recognize two extraordinary schools from my district, Our Lady of Lourdes Academy and St. Thomas the Apostle Catholic School, which have been selected regional winners for the Toshiba 2017 ExploraVision competition.

Their award-winning projects included a unique system for detecting blood clots through the use of sonar, synthetic photosynthesis, and an app to assist individuals with food allergies.

These innovative projects not only demonstrate our students' interest in STEM careers but a greater dedication to create solutions to the problems of today and tomorrow.

Mr. Speaker, congratulations to the participants from Our Lady of Lourdes Academy and St. Thomas the Apostle Catholic School because this latest accomplishment further demonstrates the commitment that students in my district have toward making a better future for all.

Congratulations to the winners at Lourdes and St. Thomas for the Toshiba 2017 ExploraVision competition.

RECOGNIZING DMR CORPORATION

Ms. ROS-LEHTINEN. Mr. Speaker, I would like to recognize DMR Corporation, which is opening a new medical supply retail store this Friday in my congressional district.

Since its start in 1984, DMR has been working to meet the rising and challenging needs of the disabled community in south Florida and around the world. DMR counts with highly trained staff and with the tools necessary to build appropriate mobility and seating equipment, make accessible home and vehicle modifications, and install pool lifts for recreational activities.
