

is little to no regulation, and fentanyl and its analogues are manufactured in both small- and large-scale production laboratories.

The STOP Act would require foreign postal operators to send advanced electronic data to the USPS, the Postal Service, for packages imported into the United States. This would enable Customs and Border Protection and other agencies to target high-risk shipments for screening.

This bill also gives the Postal Service more authority to scan arriving mail from places that are currently exempt from CBP protocol, helping to stop these packages from reaching U.S. borders in the first place. It is a vigilant Federal response, including the STOP Act, which is crucial to reversing the tide of addiction, helping to save lives in our community and across the country.

BURN PITS

Mr. COSTELLO of Pennsylvania. Mr. Speaker, burn pits, which are found on military bases, create substances that can be toxic. Tires, batteries, human waste, medical waste, and other garbage items are put into pits and set on fire, sometimes after being soaked with jet fuel. Burn pits were regularly used in Iraq and Afghanistan, so veterans of these wars are particularly at risk.

My colleagues and I have introduced legislation that says, if a veteran does not have visible wounds, it is often difficult to provide the proof that VA needs to process a claim—but it shouldn't be that burdensome for a veteran who has sacrificed so much for our country—to get the treatment they need when they come home. There are many reports of veterans who believe their illness was caused by their exposure to burn pits who have not been able to get the VA to provide them with coverage.

This epidemic is being compared to the major problem veterans who were exposed to Agent Orange had when they returned home from the Vietnam war, and we cannot let that happen again. So we have introduced legislation because veterans who are exposed to burn pits and subsequently have complications need to have the right diagnosis and treatment as soon as possible.

This bill would create a Center of Excellence at the U.S. Department of Veterans Affairs, which would provide research to be able to properly address the prevention, diagnosis, and treatment of these veterans. It is important the men and women who dedicate their lives to protecting our country can access the care they need when they return home.

God, source of goodness and mercy, today we pray that You touch the minds and hearts of the Members of Congress.

Grant them wisdom and insight to make effective decisions that benefit the common good of our Nation, respecting all ethnicities, genders, and faith traditions.

We pray, Lord, that our Representatives may listen to one another so that they may seek what is good and true for all people. We ask You, Lord, to guide them and grant them courage to act in peace and justice so that other nations may see the goodness of our Nation and our leaders.

God, may this day be a continual exchange of ideas and prosperous debate, that people may see that our Representatives are being guided by You, God, and that Your wisdom be reflected in their decisions.

We lift up this prayer in Your holy name.

WELCOMING FATHER MICHAEL D. GUTIERREZ

The SPEAKER. Without objection, the gentlewoman from California (Mrs. NAPOLITANO) is recognized for 1 minute.

There was no objection.

Mrs. NAPOLITANO. Mr. Speaker, I am very pleased to introduce to the House and bid welcome to Father Mike Gutierrez today. He is the pastor at St. John the Baptist Catholic Church and school in the city of Baldwin Park in California. Thank you, Father, for coming from Baldwin Park and for the wonderful prayer.

Father Mike, as he is known—he doesn't use Gutierrez—leads a parish of 10,000 families with a focus on Filipino and Hispanic communities. He has increased participation in religious and educational programs, youth and family ministry, and allows the church to bring attention and encourage activism on issues impacting the area.

He is an integral part of the 32nd District's, my district, annual immigration clinic event and is known for his joviality and smiling consistently.

Since my move to the California 32nd, he has been helpful in many issues and events that I have put forth, recognized by the California State Legislature and the Archdiocese of Los Angeles for support of social issues.

Father, thank you. Thank you for today's blessing and for the work you do to spread and promote Gospel throughout the San Gabriel Valley.

May God continue to bless you and your ministry.

ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore (Mr. SIMPSON). The Chair will entertain up to 15 further requests for 1-minute speeches on each side of the aisle.

AN ADMINISTRATION MARKED BY STRENGTH

(Mr. WILSON of South Carolina asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. WILSON of South Carolina. Mr. Speaker, this Saturday marks 100 days in office for President Donald Trump, an important milestone for Congress and this administration.

Since being sworn in, President Trump has stood strong, upholding his pledge to protect the American people in the face of world threats. He has stood up to the dangerous regime in North Korea by supporting our allies in the region and deploying the THAAD missile defense system. He took swift, decisive action against the dictatorship in Syria by using military force and economic sanctions after the brutal dictatorship executed a chemical attack murdering innocent civilians.
