

does not fully repeal ObamaCare, it will bring down the costs of health insurance. The people I represent just had to have help. At least 75 percent were saying: We have got to have help. So we look forward to working with the Senate and trying to make it even better as it goes through the Senate.

I think I have got just a minute. I just wanted to note, the observance anniversary of the Holocaust this past Tuesday, April 25, was a very somber occasion held in the rotunda. I know the minority leader, Senator SCHUMER, wanted it there. I just continue to hope and pray, as I hope most Americans do, that we will never, ever have another Holocaust. I think one of the things that can help prevent that is if we have effective national days of prayer, as have been going on for so many decades, going back to Washington proclaiming days of thanksgiving and prayer and fasting.

I deeply regret, though, that we thought we were going to be able to fulfill the vision of Anne Graham Lotz, the new chairman of the National Day of Prayer. She took over for Shirley Dobson, who did a magnificent job for the last 25 years as the national chair. She had a vision for doing it in the rotunda, and all that would require, like for the Holocaust observance, would be a unanimous consent agreement in the House and Senate, and then it would have been in the rotunda. It would have needed to have been after 5. Even though the Holocaust occurred during the day, it was clear, and she had agreed, the National Day of Prayer folks had agreed, but any Senator can put a hold on such a thing, and one Senator did. Senator SCHUMER put a hold on the National Day of Prayer being able to use the rotunda.

I hope and pray some day Senator SCHUMER will realize that the best way to avoid a Holocaust in the future is to have effective national days of prayer from the rotunda and everywhere else that we possibly can, as the church services have been held in the Capitol, participated in by Thomas Jefferson and James Madison and so many others. They were nondenominational; so they thought that didn't violate their Constitution.

But it looks like this will be in the area that Senator SCHUMER cannot stop from being used. It is totally under the control of the House. I want to thank Speaker RYAN for allowing the use. We will be in statuary hall where nondenominational Christian churches were held on Sunday. It was the largest Christian church in Washington for much of the 1800s. So that is where it will be this year. Hopefully we won't have a Senator who will put a hold on it next year, and Billy Graham's daughter, Anne Graham Lotz' vision will finally be fulfilled.

Mr. Speaker, I yield back the balance of my time.
