RECOGNIZING THE LIFE OF
FALL-EN SOLDIER ARMY CAPTAIN
(CPT) RALPH JOHN HARTING III

HON. TRENT KELLY

OF MISSISSIPPI

IN THE HOUSE OF REPRESENTATIVES

Friday, April 28, 2017

Mr. KELLY of Mississippi. Mr. Speaker, today I rise in memory of fallen soldier Army Captain (CPT) Ralph John Harting III, who paid the ultimate sacrifice while defending our nation on April 29, 2005, during Operation Iraqi Freedom. CPT Harting was killed when a vehicle-borne improvised explosive device was detonated by a suicide bomber as he was conducting a traffic-control-point inspection in Diyarrah, Iraq. Also killed was Captain Stephen W. Frank.

CPT Harting and CPT Stephen W. Frank were among an estimated 50 people who died that day in bombings carried out by insurgents trying to disrupt the newly formed Iraqi government. CPT Harting was assigned to the 2nd Squadron, 11th Armored Cavalry Regiment, Fort Irwin, California, which was attached to the 155th Brigade Combat Team (BCT) from Mississippi.

CPT Harting was born in Pontiac, Michigan and raised in Union Lake. Jay, as he was known to family and friends, applied to all four service academies and was accepted at each one. He enrolled at the U.S. Military Academy in West Point, New York. CPT Harting graduated with a mechanical engineering degree in 1998. CPT Harting and CPT Frank were classmates in college as well as Michigan natives.

At the time of his death, CPT Harting was survived by his wife, Jennifer, a 2-year-old daughter, a 1-year-old son, and an infant son who was born shortly after his death.

When the Frank family learned of the death of their son and CPT Harting, they invited the Harting family over to share stories.

"We talked about how we wished it was us to go first," Sue Frank told the Detroit Free Press. "We were glad that the boys were not alone when they died. It was a comforting conversation, and we had an immediate bonding over the most tragic thing that could happen in your life. It's good to know that the Hartings are only two miles away."

CPT Harting and CPT Frank are both buried at the West Point Cemetery which is on the grounds of the U.S. Military Academy in West Point, New York.

CPT Harting and CPT Frank will always be remembered for their devotion to our nation and for paying the ultimate sacrifice to protect America.

HONORING DIGNITY HEALTH'S
MERCY MEDICAL CENTER

HON. JIM COSTA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Friday, April 28, 2017

Mr. COSTA. Mr. Speaker, I rise today to recognize Dignity Health's Mercy Medical Center in Merced as this year's recipient of the Merced College President's Medallion. Dignity Health is one of the largest health systems in the nation, with 400 care sites across a 22 state network, including 39 hospitals. Through teamwork, innovation, faith and compassion, they strive to keep every patient happy and healthy. The Mercy Medical Center in Merced has provided a resource for all its residents by enhancing and creating the health care system of the future.

Founded in 1831 by Catherine McAuley in Dublin, Ireland, The Sisters of Mercy promised to serve people who suffered from sickness, poverty, and lack of education. After arriving in San Francisco, California in 1854, eight Sisters began to care for residents of a city who were struck by cholera, typhoid and influenza and founded St. Mary's Hospital, which is the oldest continuously operating hospital in the city. These facilities later expanded and were renamed to Catholic Healthcare West in order to serve a growing population, while still maintaining their vow to serve the community, and keeping a respect for humanity at the forefront of modern medicine. In 2012, Catholic Healthcare West changed their name to Dignity Health, demonstrating the respect and promise to provide health care and helping everyone achieve healthy and meaningful lives.

Although Dignity Health's headquarters are in San Francisco, their commitment to provide health care for everyone and their compassion towards their patients continues to be demonstrated throughout the nation and in Merced. In the fall of 1999, two hospitals in Merced County began discussions with the intent of finding the best direction to meet the health care needs of their citizens. They agreed to build a single hospital, Mercy Medical Center, to support the addition of more advanced medical services that were not available locally. Thanks to this expansion, not only were they able to bring more resources to the area, but also recruit additional clinical and medical staff to the Merced region as well.

Mercy doctors, employees, and volunteers have consistently met the health care needs of all patients, regardless of their background or circumstances. With the newest Mercy Medical Center established in 2012, I look forward to witnessing the benefits that it will bring to Merced and its surrounding communities.

Mr. Speaker, I urge my colleagues to join me in honoring the achievements of Dignity Health's Mercy Medical Center. Their long history has exhibited the dedication that they have in caring for all patients, and has demonstrated their commitment to enriching the lives of Merced's students in the future. For these reasons, it is fitting and appropriate that Dignity Health's Mercy Medical Center receives the President's Medallion from Merced College; one of their highest honors and most distinct privileges. I know the service they provide will inspire future generations who wish to work in the medical and health care field to deliver the same quality and excellence that

community members have come to appreciate, and rely upon.

MAINE SOUTH HIGH SCHOOL EX-
CELS IN WE THE PEOPLE COM-
PETITION

HON. JANICE D. SCHAKOWSKY

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Friday, April 28, 2017

Ms. SCHAKOWSKY. Mr. Speaker, I would like to congratulate the students and teachers from Maine South High School in Park Ridge, Illinois who recently participated in the 30th Annual We the People: The Citizen and the Constitution national academic competition and placed tenth in the nation. The We the People program is sponsored by the Center for Civic Education and is the most extensive program in the nation educating students about the history and principles of U.S. constitutional democracy.

The national competition takes the form of a simulated congressional hearing during which students demonstrate their knowledge and skills as they evaluate, take, and defend positions on historical and contemporary constitutional issues. Independent studies show that We the People students benefit greatly from this experience. I would like to commend the teachers, Andrew Trenkle and Kevin Hansen, for their dedication and expertise in the classroom. The following are the names of the students from their constitution team:

Cardella Alison, Margaret Bono, Kathryn Boyce, Gracie DeRosa, Lily Dysart, Anna Ebacher, Maria Francque, Katherine Heyde, Maria Iatrides, Grace Janes, Ann Kapustiak, Julia Klages, Dominika Kolendo, Garrett Kreger, Alexander Krysl, Maura Lally, Catherine Martin, Sydney Mathias, Thomas Ng, William Olafsson, Marc Piarowski, Mary Pat Roche, Shannon Ryan, Jill Steffen, Daniel Touhy, Peyton Turner, Emerson Uhlig, Elaina Wilkens, Kristin Woo, Isis Zaki.

Mr. Speaker, with many reports and studies documenting a lack of education among the public of some of our most basic constitutional principles and institutions, the need for effective civic education programs in the schools is quite evident. The We the People program is an important part of the solution to this problem. I salute these young constitutional experts on their performance and wish them success in the years ahead.
