SGT Magee's uncle, Dennis Davis, said he was one of the nicest young men with whom you would ever want to come in contact.

At SGT Magee's memorial service at Forward Operating Base (FOB) Kalsu's chapel, soldiers of the 3rd Heavy Brigade Combat Team, 3rd Infantry Division, gathered to remember their fallen comrade. Colonel Robert Ashe, commander of the 2nd Battalion, 69th Armor Regiment, said tireless efforts were taken to save his life by other soldiers and later at the FOB Kalsu aid station. COL Ashe said his family members were able to say goodbye to SGT Magee because of this concerted effort to save his life.

Our nation is blessed to have soldiers like SGT Magee who bravely fought to protect America.

RECOGNIZING KING'S HAWAIIAN

HON. DOUG COLLINS

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Friday, April 28, 2017

Mr. COLLINS of Georgia. Mr. Speaker, I rise today to recognize King's Hawaiian as Georgia's 2017 Manufacturer of the Year. King's Hawaiian joined the Hall County community in 2011, and today employs 650 friends and neighbors at its Georgia facility.

I have visited the King's Hawaiian plant in Oakwood and can testify to its efficiency and professionalism. However, what struck me the most was the overarching culture of positivity and respect among King's Hawaiian employees.

While the operation's vision and growth both stand out from a business perspective, King's Hawaiian has also become a community partner and leader in Hall County.

King's Hawaiian strongly supports Lanier Technical College and the Hall County School System. It invests in Leadership Hall and Youth Leadership Hall. Additionally, King's Hawaiian provides dinner rolls to several local charities and engages the community through a variety of events.

Additionally, King's Hawaiian continues to look for ways to maximize its positive presence in Georgia, collaborating with our poultry industry and some of Georgia's brightest agriculture minds.

For all of these reasons, King's Hawaiian deserves the honor of being Georgia's Manufacturer of the Year, and I am proud that they call northeast Georgia home.

IN RECOGNITION OF ST. JOHN PROVIDENCE HEALTH SYSTEM FOR BEING NAMED HUMANITARIAN OF THE YEAR

HON. DEBBIE DINGELL

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Friday, April 28, 2017

Mrs. DINGELL. Mr. Speaker, I rise today to recognize St. John Providence Health System for receiving the Chaldean American Chamber of Commerce's Humanitarian of the Year Award. The physicians and staff of St. John

Providence provide lifesaving medical care to southeast Michigan and the Chaldean community.

Founded in 1999 after a merger of several local hospital systems, St. John Providence Health System operates four hospitals and 125 medical centers that collectively act as the largest provider of inpatient medical care in southeast Michigan. These facilities offer services including advanced treatments for cancer, neurological diseases and other specialized care. SJP also offers special assistance to improve the quality of care for the Chaldean community, including Arabic signage, cultural programming and Middle Eastern food options. They also partner with Medical Emergency Relief for Christian Iraqis, an organization that provides medical services and supplies to Iraqi Christians in need. Additionally, SJP has collaborated extensively with the Chaldean American Association for Health Professionals, helping them sponsor continuing medical education for medical professionals and working with local churches to increase access to preventative care.

St. John Providence Health System has provided world-class medical care to the southeast Michigan community since its formation. Its comprehensive offering of advanced medical services, as well as its specialized outreach to the wide variety of ethnic groups in southeast Michigan, has helped SJP's hospital services and patient outcomes rank among the best in the country. Its unique approach to care allows it to continue serving the specific medical needs of Chaldeans and other patients, and it is my hope that SJP and its affiliates continue to be a model for healthcare delivery to these groups in the coming years.

Mr. Speaker, I ask my colleagues to join me in honoring St. John Providence Health System for its world-class healthcare and service it provides to southeast Michigan. SJP serves patients well through its suite of offerings in southeast Michigan.

INTRODUCTION OF A BILL TO COMMISSION A STATUE OF ELIE WIESEL TO BE PLACED IN THE CAPITOL

HON. STEVE COHEN

OF TENNESSEE

IN THE HOUSE OF REPRESENTATIVES

Friday, April 28, 2017

Mr. COHEN. Mr. Speaker, I rise today in support of legislation I introduced earlier today with Congresswoman ILEANA ROS-LEHTINEN to commission a statue or bust of Elie Wiesel to be installed in the Capitol.

This legislation is especially timely as we commemorate Yom Ha'Shoah, Holocaust Remembrance Day, this week.

If enacted, this legislation would direct the Joint Committee on the Library to obtain a statue or bust of Elie Wiesel for placement in the United States Capitol.

Elie Wiesel was born in Romania in 1928. In 1944, at the age of fifteen, Wiesel was deported to Auschwitz, and later to Buchenwald where he was released in April 1945.

Following the war, Wiesel became a journalist and wrote about his experiences during the Holocaust. His memoir, *Night*, has been translated into over 30 languages. Throughout his life, he fought vocally against indifference,

intolerance, and injustice. Wiesel received the Nobel Peace Prize in 1986.

Elie Wiesel was one of the greatest moral forces in the world. He was in the same class as Nelson Mandela, Dr. Martin Luther King, Jr., and Mahatma Gandhi. Wiesel was brilliant, pure, honest, and courageous.

I met Elie Wiesel when I was a Tennessee State Senator and he was honored at Vanderbilt. It was particularly special for me to meet Elie Wiesel as he was the inspiration for my passing legislation to create the Tennessee Holocaust Commission in 1984.

Elie Wiesel made it his life's work to remind and educate others on the horrors of the Holocaust. He spent his life encouraging others to learn from this tragic chapter in the history of humanity. He continually told people to never forget.

This addition to the Capitol would be a continuous reminder to "never forget."

His voice was strong and is sorely missed. He was one of my heroes.

I urge my colleagues to support this bill.
