

including myself. In January of 2016, another nearly half a million Americans had their social security numbers stolen when the Internal Revenue Service was hacked.

I spent 28 years in the private sector, 12 years with a global cloud computing company. We faced cyber threats daily, and our customers expected security of their data. We delivered and not once was our data compromised. And we certainly did not give it out voluntarily. When there is an opportunity to protect our PII, we need to act on it and begin to rebuild trust with the American people.

In 1984, the public disclosure of certain manifest information was required of Customs and Border Protection (CBP). The original intent was to increase competition, to facilitate better public analysis of import trends, and to allow port authorities and transportation companies to more easily identify potential customers and changes in their industries. However, in recent years, PII of relocating individuals, bringing their home goods back to the United States, has been released, enabling identity theft, credit card fraud, and unwanted solicitations.

CBP does offer a process for consumers of shipping services to make their information confidential. However, these forms typical take two months to process and are often processed after the individual has moved.

That is why I am introducing the Moving Americans Privacy Protection Act. This legislation will simply require CBP to remove personally identifiable information from vessel manifest sheets before making them available for public disclosure. I believe the default should be to protect peoples' privacy and automatically remove this personal information, rather than requiring citizens to make a request and hope the paperwork is processed in time.

I want to thank Senator PETERS for being an original cosponsor of this bill. I ask my Senate colleagues to join us in support of this important legislation.

Mr. President, I ask unanimous consent that the text of the bill be printed in the RECORD.

There being no objection, the bill was ordered to be printed in the RECORD, as follows:

S. 998

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE.

This Act may be cited as the "Moving Americans Privacy Protection Act".

SEC. 2. PROTECTION OF PERSONALLY IDENTIFIABLE INFORMATION.

Paragraph (2) of section 431(c) of the Tariff Act of 1930 (19 U.S.C. 1431(c)(2)) is amended to read as follows:

"(2)(A) The information listed in paragraph (1) shall not be available for public disclosure if—

"(i) the Secretary of the Treasury makes an affirmative finding on a shipment-by-shipment basis that disclosure is likely to

pose a threat of personal injury or property damage; or

"(ii) the information is exempt under the provisions of section 552(b)(1) of title 5 of the United States Code.

"(B) The Commissioner of U.S. Customs and Border Protection shall ensure that any personally identifiable information, including social security numbers, passport numbers, and residential addresses, are removed from any manifest signed, produced, delivered, or transmitted under this section before the manifest is disclosed to the public."

SUBMITTED RESOLUTIONS

SENATE RESOLUTION 148—CONGRATULATING THE STUDENTS, PARENTS, TEACHERS, AND LEADERS OF CHARTER SCHOOLS ACROSS THE UNITED STATES FOR MAKING ONGOING CONTRIBUTIONS TO EDUCATION, AND SUPPORTING THE IDEALS AND GOALS OF THE 18TH ANNUAL NATIONAL CHARTER SCHOOLS WEEK, TO BE HELD MAY 1 THROUGH MAY 5, 2017

Mr. ALEXANDER (for himself, Mr. BENNET, Mr. BOOKER, Mr. BURR, Mr. CARPER, Mr. CASSIDY, Mr. COONS, Mr. CORNYN, Mr. CRUZ, Mrs. FEINSTEIN, Mr. GARDNER, Mr. GRAHAM, Mr. ISAKSON, Mr. JOHNSON, Mr. LANKFORD, Mr. MCCAIN, Mr. RUBIO, Mr. SCOTT, Mr. TILLIS, Mr. TOOMEY, Mr. WICKER, Mr. YOUNG, Mr. BOOZMAN, and Mr. HATCH) submitted the following resolution; which was considered and agreed to:

S. RES. 148

Whereas charter schools are public schools that do not charge tuition and enroll any student who wants to attend, often through a random lottery when the demand for enrollment is outmatched by the supply of available charter school seats;

Whereas high-performing public charter schools deliver a high-quality public education and challenge all students to reach the students' potential for academic success;

Whereas public charter schools promote innovation and excellence in public education;

Whereas public charter schools throughout the United States provide millions of families with diverse and innovative educational options for children of the families;

Whereas high-performing public charter schools and charter management organizations are increasing student achievement and attendance rates at institutions of higher education;

Whereas public charter schools are authorized by a designated entity and—

(1) respond to the needs of communities, families, and students in the United States; and

(2) promote the principles of quality, accountability, choice, high performance, and innovation;

Whereas, in exchange for flexibility and autonomy, public charter schools are held accountable by the authorizers of the charter schools for improving student achievement and for sound financial and operational management;

Whereas public charter schools are required to meet the student achievement accountability requirements under the Elementary and Secondary Education Act of 1965 (20 U.S.C. 6301 et seq.) in the same manner as traditional public schools;

Whereas public charter schools often set higher expectations for students, beyond the requirements of the Elementary and Secondary Education Act of 1965 (20 U.S.C. 6301 et seq.), to ensure that the charter schools are of high quality and truly accountable to the public;

Whereas 44 States and the District of Columbia have enacted laws authorizing public charter schools;

Whereas, as of the 2016–2017 school year, more than 6,950 public charter schools served more than 3,100,000 children;

Whereas enrollment in public charter schools grew from 400,000 students in 2001 to 3,100,000 students in 2017, a sevenfold increase in 16 years;

Whereas in the United States—

(1) in 190 school districts, more than 10 percent of public school students are enrolled in public charter schools; and

(2) in 17 school districts, at least 30 percent of public school students are enrolled in public charter schools;

Whereas public charter schools improve the achievement of students enrolled in the charter schools and collaborate with traditional public schools to improve public education for all students;

Whereas public charter schools—

(1) give parents the freedom to choose public schools;

(2) routinely measure parental satisfaction levels; and

(3) must prove the ongoing success of the charter schools to parents, policymakers, and the communities served by the charter schools or risk closure;

Whereas a 2015 report from the Center for Research on Education Outcomes at Stanford University found significant improvements for students at urban charter schools, and compared to peers of traditional public schools, each year those students completed the equivalent of 28 more days of learning in reading and 40 more days of learning in mathematics;

Whereas parental demand for charter schools is high, and there was an estimated 7 percent growth in charter school enrollment between fall 2015 and fall 2016; and

Whereas the 18th annual National Charter Schools Week is scheduled to be celebrated the week of May 1 through May 5, 2017: Now, therefore, be it

Resolved, That the Senate—

(1) congratulates the students, families, teachers, leaders, and staff of public charter schools across the United States for—

(A) making ongoing contributions to public education;

(B) making impressive strides in closing the academic achievement gap in schools in the United States, particularly in schools with some of the most disadvantaged students in both rural and urban communities; and

(C) improving and strengthening the public school system throughout the United States;

(2) supports the ideals and goals of the 18th annual National Charter Schools Week, a week-long celebration to be held May 1 through May 5, 2017, in communities throughout the United States; and

(3) encourages the people of the United States to hold appropriate programs, ceremonies, and activities during National Charter Schools Week to demonstrate support for public charter schools.
