

and even internationally. One such initiative for better care was creating one of the first case management service systems for older adults in the United States in the early 1970s. After her retirement, I've watched PCOA thrive in the Tucson community, being a staple in the community for my constituents and many others across the county. They have continued as the leading force behind services that support older adults in living with dignity and independence in Tucson and throughout Pima County.

Thank you for continuing to be a voice for change in our community. I look forward to working with PCOA in the future to advocate on behalf of older people in southern Arizona.

HON. ROBERT E. LATTA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 2, 2017

Mr. LATTA. Mr. Speaker, it is my great pleasure to pay special tribute to an outstanding student from Ohio's Fifth Congressional District. I am pleased to announce that Samuel Kovalski of Findlay, Ohio has been offered an appointment to the United States Merchant Marine Academy in Kings Point, New York.

Sam's offer of appointment permits him to attend the United States Merchant Marine Academy this fall with the incoming Class of 2021. Attending one of our nation's military academies not only offers the opportunity to serve our country, but also guarantees a world-class education while undertaking one of the most challenging and rewarding experiences of their lives.

Sam brings an enormous amount of leadership, service, and dedication to the incoming

Class of 2021. While attending Findlay High School in Findlay, Ohio, Sam was a member of the Distinguished Honor Roll and student athletic leadership team.

Throughout high school, Sam participated in football, basketball, and track, serving as co-captain of the football team his senior year. I am confident that Sam will carry the lessons of his student and athletic leadership to the Merchant Marine Academy.

Mr. Speaker, I ask my colleagues to join me in congratulating Samuel Kovalski on the offer of his appointment to the United States Merchant Marine Academy. Our service academies offer the finest military training and education available. TRIBUTE TO YOUNG STAFF MEMBERS FOR THEIR CONTRIBUTIONS ON BEHALF OF THE PEOPLE OF THE 18TH CONGRESSIONAL DISTRICT OF TEXAS AND THE UNITED STATES

HON. SHEILA JACKSON LEE

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 2, 2017

Ms. JACKSON LEE. Mr. Speaker, as Members of Congress we know well, perhaps better than most, how blessed our nation is to have in reserve such exceptional young men and women who will go on to become leaders in their local communities, states, and the nation in the areas of business, education, government, philanthropy, the arts and culture, and the military.

We know this because we see them and benefit from their contributions every day. Many of them work for us in our offices as junior staff members, congressional fellows, or in-

terns and they do amazing work for and on behalf of the constituents we are privileged to represent.

Mr. Speaker, I believe there is no higher calling than the call to serve a cause larger than ourselves. That is why I ran for public office. I was inspired to serve by President Kennedy who said, "Ask not what your country can do for you, ask what you can do for your country," and by the Rev. Dr. Martin Luther King, Jr. who said:

"Everybody can be great because anybody can serve. . . . You only need a heart full of grace. A soul generated by love."

By this measure, there are several other great young men and women who served as volunteers this year in my offices. They may toil in obscurity but their contributions to the constituents we serve are deeply appreciated. That is why today I rise to pay tribute to four extraordinary young persons for their service to my constituents in the 18th Congressional District of Texas and to the American people. They are: Marieme Foote from Ithaca College; Naomi Mulugeta from Texas Tech University; Mitch Kuhlman, from American University; and Alexandria Johnson from the Madeira School.

Mr. Speaker, the energy, intelligence, and idealism these wonderful young people brought to my office and those interning in the offices of my colleagues help keep our democracy vibrant. The insights, skills, and knowledge of the governmental process they gain from their experiences will last a lifetime and prove invaluable to them as they go about making their mark in this world.

Because of persons like them the future of our country is bright and its best days lie ahead. I wish them all well.

Mr. Speaker, I am grateful that such thoughtful committed young men and women can be found working in my office, those of my colleagues, and in every community in America. Their good works will keep America great, good, and forever young.
