### IN RECOGNITION OF GILLES LARAMEE

#### HON. ANN M. KUSTER

OF NEW HAMPSHIRE

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, May 3, 2017*

Ms. KUSTER of New Hampshire. Mr. Speaker, today I stand in recognition of Gilles P. Laramee, a Marine Corps veteran and a committed advocate for New Hampshire's veterans community, who sadly passed away unexpectedly on February 18th at the age of 85.

First and foremost, Mr. Laramee of Berlin, NH, was proud to have served his country as a United States Marine during the Korean War. In his later years, he was a selfless volunteer and a mentor to many Granite State veterans over his years of service on the North Country Veterans Committee.

Mr. Laramee was a member of the Good Shepard Parish, the Marine Corp League, and the White Mountain Post 2520 VFW. His volunteerism included working with veterans at Androscoggin Valley Hospital, the New Hampshire Department of Corrections in Berlin, and the Federal Bureau of Prisons Corrections facility in Berlin. He was truly dedicated to serving brothers and sisters in the veterans community through some of their darkest times.

More than anything, Mr. Laramee loved his work as regional director for Toys-for-Tots. He took such pride in gathering and distributing toys to children and families in need. His dedication to this charity was so profound that he became known as "Father Christmas" to many North Country families.

Mr. Laramee is survived by his wife Lillian, his daughters Diane and Rachel, their husbands and children. He will also be missed by the many veterans whose lives he touched.

While Taps has played for this hero, we are left to say "Semper Fi" dear and loyal friend.

### HONORING HENRY L. "HANK" LACAYO

#### HON. JULIA BROWNLEY

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, May 3, 2017*

Ms. BROWNLEY of California. Mr. Speaker, today, I rise to offer my sympathy and condolences to Leah Lacayo and the entire Lacayo family on the passing of my friend and ally, Henry L. "Hank" Lacayo.

Hank dedicated his life to bettering our community and country. Born in 1931 in Los Angeles, Hank grew up in the depths of the Great Depression, fighting through a time of great economic uncertainty and racial injustice. When World War II broke out, Hank was absolutely determined to serve his country. He tried to join the military at the age of 16, but was turned away. He finally was able to join the U.S. Army Air Corps after his high school graduation.

Following his military service, Hank began his career in 1953 at North American Aviation and became involved with United Auto Workers of America (UAW) Local 887. Nine years later, he was elected President of the UAW Local, a position in which he represented the interests of over 30,000 workers and their families. Through his steadfast leadership, Hank was appointed National Director of the Political and Legislative Department of the UAW. While working in this capacity, Hank served as an advisor under Democratic Presidential Administrations from John F. Kennedy to Bill Clinton. In 1986, Hank retired from the UAW and subsequently formed H. L. & Associates, a consulting firm that enabled him to continue to be involved in labor relations issues, as well as other government, seniors, and international issues.

After his retirement, Hank continued to give back to his community by serving as President of the Congress of California Seniors, where he dedicated his time to advocating for a better quality of life for others. Hank also worked hard in the community to help prepare the next generation of leaders, public servants, and community activists.

Founded in 2010 at California State University Channel Islands, the Henry L. "Hank" Lacayo Institute for Workforce & Community Studies facilitates student internships, schol-

arly research, and the dissemination of policy information and recommendations. In the program, students learn the essential skill sets to change lives and positively impact communities.

Hank spent his lifetime working for Ventura County and for our nation. His hard work and dedication—which has ranged from serving in the Army Air Corp, to actively fighting for working families and California's seniors, and passing down his knowledge and experience to students who will continue his influential work—has helped to create a better America.

Last year, the United Way of Ventura County recognized Hank for his lifetime achievements. However, it is tremendously difficult to encapsulate everything that Hank did for his community and his country in only a few words. Hank was so much greater and bigger than the words that have often been used to describe him.

He will be remembered for his wise counsel, sincere kindness, and unwavering commitment to service to others. Hank will truly be missed, but his legacy will continue to live on in the hearts of the many individuals that he touched, including my own, throughout his extraordinary and remarkable life.

### HONORING ROTACARE

#### HON. JARED HUFFMAN

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, May 3, 2017*

Mr. HUFFMAN. Mr. Speaker, I rise today to recognize the RotaCare Bay Area San Rafael Clinic's 20th Anniversary of caring for, and protecting, the people of Marin County.

The RotaCare clinics of the Bay Area are important contributors to their communities' health. Starting with one clinic on the former Agnews State Hospital site, there are now twelve clinics located throughout the Bay Area in Concord, Daly City, Gilroy, Half Moon Bay, Monterey, Pittsburg, Richmond, San Jose, San Leandro, San Rafael, and Santa Cruz.

Their mission, "to provide free medical care in the Bay Area for those who have the greatest need and the least access," has been a guiding tenet to the many volunteers and philanthropic donors who support the program. RotaCare assists anyone in need and is known for their attempts to alleviate costly and time consuming emergency room visits for the uninsured.

My district's own San Rafael clinic was founded in 1997 by Mike Osborne, Sharron Newton, Gus Catechi and Peter Pattengill, members of the Rotary Club of Marin Sunrise. The Rotary District theme that year was homelessness, which sparked the idea of starting a free clinic in San Rafael. At first, the clinic was held once a week at Ritter House in San Rafael, but as the clinic grew it was a forced to find a larger space. In 2003, the clinic moved to Kaiser Permanente's Downtown San Rafael Office and expanded their hours to
