

Brimming with talent, Mrs. Ray's students were eager to showcase their amazing artistic skills and take part in this one-of-a-kind program.

Let me tell you, Mr. Speaker, Mrs. Ray's 3rd graders did not disappoint. Their creations are unique, innovative, and imaginative. Their colorful artwork embodies our country's bright and promising future with these sharp young minds leading the way.

It is my utmost honor to have their artwork displayed in my Congressional district office in Troy, Michigan for everyone who visits to enjoy. Each and every time I walk into my office, I am reminded of their talent.

Congratulations to Mrs. Ray and the young artists she has the pleasure of teaching.

IN TRIBUTE TO LORNA M.  
SHAWANO

**HON. GWEN MOORE**

OF WISCONSIN

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, May 3, 2017*

Ms. MOORE. Mr. Speaker, I rise today to recognize Lorna M. Shawano who was Tribal Secretary for the Forest County Potawatomi Community for 26 years.

Ms. Shawano was involved in securing the approvals of the gaming compacts from the State of Wisconsin. The gaming compacts fostered the growth of the Forest County Potawatomi from operating a modest bingo hall to a nationally recognized entertainment center. During Ms. Shawano's tenure, the Potawatomi successfully developed a casino and hotel in Milwaukee. Today, Potawatomi Hotel & Casino welcomes more than 6 million guests annually and has 2,700 team members and eighty-five percent of those employees reside in Milwaukee County. It opened in 1991 as Potawatomi Bingo with a 2,500 seat bingo hall and approximately 300 team members. She is especially proud of their inclusive hiring practices. In fact, over half of the team members working at Potawatomi Hotel & Casino are minority.

Under her tenure as Secretary, the Forest County Potawatomi experienced tremendous economic growth and increased sovereignty. Ms. Shawano was involved with successful efforts to stop a proposed sulfide mine that would have polluted the Tribe's air, water and land; she also played a part in the 15 year successful efforts by the Tribe to obtain the sovereign right to protect the air over its reservation which involved multiple levels of government. Lorna also served on the Crandon Indian Education and Mining Impact Boards.

Ms. Shawano's work as Tribal Secretary with the rest of the Executive Council, and the Tribe as a whole, has made the Forest County Potawatomi Community into the strong, successful, and respected tribe that it is today. While Lorna will no longer serve as Tribal Secretary, the leadership she has shown over the years will allow the Forest County Potawatomi Tribe to continue to move forward.

Mr. Speaker, I am proud to honor Lorna Shawano, along with her 3 children and of 8 grandchildren. She has lived on the Stone Lake Reservation for nearly 45 years. I am proud to call her friend. The citizens of the Fourth Congressional District and the State of Wisconsin are privileged to have someone of

her ability and dedicated service working so diligently for so many years. I am honored for these reasons to pay tribute to Lorna M. Shawano, for serving as Forest County Potawatomi Tribal Secretary for 26 years.

INTRODUCTION OF THE "CULTIVATING REVITALIZATION BY EXPANDING AMERICAN AGRICULTURAL TRADE AND EXPORTS (CREAATE) ACT"

**HON. DAN NEWHOUSE**

OF WASHINGTON

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, May 3, 2017*

Mr. NEWHOUSE. Mr. Speaker, I rise today to introduce my legislation, the Cultivating Revitalization by Expanding American Agricultural Trade and Exports Act, or simply the "CREAATE Act." For decades, the U.S. Department of Agriculture's (USDA) export promotion programs have helped American farmers create, expand, and maintain access to foreign markets.

The goal of the CREAATE Act is simple—to reassert the importance of the Market Access Program (MAP) and Foreign Market Development Program (FMD) to America's agricultural producers and our economy as a whole. These important programs provide the U.S. agricultural community with the tools needed to retain its edge in an increasingly competitive global economy.

MAP and FMD are two of the most impactful USDA export promotion programs, and statutory funding each program has been static since the 2002 Farm Bill. However, those funds have been practically eroded in recent years by inflation, administrative costs, and sequestration. Meanwhile, America's competitors have ramped up their own export promotion programs, creating additional competition in the international marketplace. For example, the European Union spends more for the promotion of wine (\$255.36 million in 2017 alone) than the U.S. spends on the promotion of all commodities through both the MAP and FMD programs. If this trend continues, American producers will be severely disadvantaged in the global marketplace.

Throughout their history, these successful public/private partnerships have cultivated hundreds of billions of dollars in exports, and created millions of American jobs, both in the agriculture sector and in support industries. Without these programs, it is very likely that the United States would not be the net agricultural exporter that we are today.
