On this occasion, I wish President Tsai every success as her administration continues to unfold, and I want her—as well as her fellow citizens—to know that we stand with them.

IN RECOGNITION OF THE UNITED STATES MERCHANT MARINERS AND THEIR CONTRIBUTIONS TO VICTORY IN WORLD WAR II

HON. MIKE KELLY

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 17, 2017

Mr. KELLY of Pennsylvania. Mr. Speaker, today I recognize the United States Merchant Mariners and their vital contributions to the victory of the Allies in World War II. This year, 72 years after our victory in that war, is a fitting time to recognize the contributions of our merchant mariners to the war effort.

There were more than 250,000 men serving in the Merchant Marine during WWII, all volunteers. They had the distinction of being the only non-segregated service. The Merchant Marine was critical to the mission of our military service members around the world during the war.

Many of the important contributions of the Merchant Marine are not well known, including the fact that they had the highest rate of casualties in the Armed Services. More than 700 merchant ships were sunk and more than 8,000 U.S. merchant mariners were killed during the war. The losses suffered are even more remarkable given that the U.S. Merchant Marine was not considered a military branch and was composed of volunteers classified by the government as civilians. Every invasion during the war involved the Merchant Marine. They suffered tremendous casualties during the Battle of the Atlantic, the Murmansk Run, D-Day, and as an integral part of every island invasion in the Pacific Theater. As we come close to Memorial Day, it is fitting to pause and remember their heroism and sacrifice.

The United States built nearly 6,000 merchant vessels and naval auxiliaries in 16 shipyards with over 650,000 workers. This was an economic and military feat of enormous scale. As part of a government effort to encourage more American participation in the war effort, ships were named after famous American counties and cities. 150 colleges and universities also had victory class merchant ships named for them. Many of these institutions of higher education supported important military training programs on their campuses. I am proud that 13 of these victory class ships were named for institutions in Pennsylvania, including three in the third district: Allegheny College, Grove City College, and Westminster College.

I am sure all my colleagues join me in taking great pride in the history of the United States Merchant Marine and the special place in our nation's history associated with their ships and the men who sailed them. They have helped preserve our freedom and they deserve our gratitude.

RECOGNIZING PATTY SIMONIAN IN CELEBRATION OF HER 75TH BIRTHDAY

HON. JIM COSTA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 17, 2017

Mr. COSTA. Mr. Speaker, I rise today in celebration of Mrs. Patty Simonian's 75th birthday. Patty is a beloved mother, grandmother, godmother and friend to many.

Patty Simonian was born in Merced, California to John and Mary Costa. She attended Central Union High School, where she met her high school sweetheart, Peter Simonian. They would be married on August 26, 1961.

In 1971, Pete and Patty decided to go into farming for themselves, forming P. Simonian Farms. The third generation family-run farm was passed down from Patty's grandfather. Patty is proud to be one of few female organic growers in California. She was quoted as saying, ". . . I'm outside working, irrigating and doing everything that's necessary on the ranch, with the help of my children".

Patty is the proud mother of three children Talbert, Nanette and Peter John. She is also blessed with five grandchildren, Matthew, Jerad, Kylie, Cassidy and Caydin.

Patty is a loving and generous mother to her children and was very active in their lives when they were in school. She is now playing a similar role with her beloved grandchildren. Patty's family is the greatest source of love and pride in her life.

Patty and her husband Peter were active members of the Cabrillo Club, a Portuguese civic club that is dedicated to civic progress of Californians of Portuguese descent. Patty currently serves as the President of the Fresno chapter, a position her husband also held from 1997 through 2000.

Mr. Speaker, I would like to note that Patty's 75th birthday is an especially significant occasion, as Patty is my first cousin. In keeping with the Portuguese Catholic tradition, she is also my godmother.

I ask my colleagues to join me today in recognizing Patty Simonian as she celebrates her 75th birthday. I ask that you join me in wishing her and her family continued health and happiness.

Mr. RICHMOND. Mr. Speaker, I rise today to honor the life of United States Army Specialist Caleb Michael Collins, a New Orleans, Louisiana native, who passed away on July 25, 2015, at the tender age of 22.

Specialist Collins was a graduate of St. Augustine High School class of 2011, and a former member of the Marching 100 at the historic all-male Catholic high school in the 7th Ward of New Orleans.

In July 2015, stationed in Honolulu, Hawaii, Specialist Collins distinguished himself by disregarding his personal safety by jumping off of a 25 foot ledge into the ocean to save a fellow soldier who had been swept off the Halona Blowhole ledge by a wave. HONORING YAZOO CITY ALUMNAE
CHAPTER OF DELTA SIGMA
THETA SORORITY, INC.

HON. BENNIE G. THOMPSON

OF MISSISSIPPI

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 17, 2017

Mr. THOMPSON of Mississippi. Mr. Speaker, I rise today to honor a group of women who has shown what can be done through hard work, dedication and a desire to serve their community, Yazoo City Alumnae Chapter of Delta Sigma Theta Sorority, Inc. The Yazoo City Alumnae Chapter of Delta Sigma Theta Sorority, Inc. has served the Yazoo County community and the State of Mississippi through informational meetings, social and civic engagement.

The Yazoo City Alumnae Chapter was granted their 30th chartering in the state of Mississippi on February 2, 1997. Francine Wallace and Edwina Fox, in 1995, had the idea to create a chapter in Yazoo and placed an article in the local newspaper. Other Delta's in the area quickly responded, desiring to continue the mission to which they had pledged themselves in their college years and together they worked with the state leadership, the southern Region Manager and the national Headquarters to achieve this objective. Not being swayed, it took several attempts to acquire the approvals to establish the Yazoo City Alumnae Chapter. The Yazoo City Deltas traveled to the State Cluster to share their desire to focus on the high rate of teenage pregnancies in Yazoo County as it was the highest rate in the state of Mississippi. Relating their dedication to fighting this devastating trend, the Southern Region Manager, on their second attempt approved the chartering of the Yazoo City Alumnae Chapter. On February 2, 1997 at the St. Stephen United Methodist Church 12 members, Mary Ann Brewer, Teresa Bonner, Diane Delaware, Zellee Delaware, Sandra Younger, Tamara Dodd, Edwina Gordon-Fox, Marilyn Hathorne, Gloria Elayne Owens, Francine Wallace, the late Juanita Scott-Washington and Mary Joshua Young stood and committed to carry out the public service mission of their beloved sisterhood throughout Yazoo County. Thus, this was the beginning of the Yazoo City Alumnae Chapter of Delta Sigma Theta Sorority, Inc.

Mr. Speaker, I ask my colleagues to join me in recognizing the Yazoo City Alumnae Chapter of Delta Sigma Theta Sorority, Inc. for its dedication to serving others and giving back to the community.

HONORING THE MEXICAN-AMERICAN
VINTNERS ASSOCIATION

HON. MIKE THOMPSON

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 17, 2017

Mr. THOMPSON of California. Mr. Speaker, I rise today to honor the Mexican-American

Vintners Association (MAVA), whose members include many of the hard-working, entrepreneurial families and individuals who serve as a backbone to the wine community in my district.

The Mexican-American Vintners Association was revived in May 2010 with the mission to recognize Napa and Sonoma Wine produced by Mexican-American Vintners, advocate for quality standards, promote the contributions of Mexican-Americans to the wine community, and to educate and preserve traditions for future vintners. In the words of Member Hugo Maldonado, MAVA "are not just in the vineyards anymore, they're a force to be reckoned with."

Many members of MAVA have traveled to Washington, DC this week, including Ceja Vineyards, Mi Sueño Winery, Maldonado Family Vineyards, and the Robledo Family Winery. They are here, not only to support the mission of the Smithsonian Institution, but also to further educate Congress about their vital contributions to our economy and community. Their stories of immigration, sacrifice and determination are what make America great.

In addition to supporting their current members, the Mexican-American Vintners Association works to support future vintners by providing scholarships to deserving students. By helping those who will follow them, the Vintners are preserving the traditions of making and selling quality wine which they have worked hard to build.

Mr. Speaker, we are proud of our Mexican-American Vintners. Their organization preserves and promotes a great tradition of hard work and resilience in our community. It is therefore fitting and proper that we honor them here today.
