Each year the winner of the competition has their artwork displayed with other winners from across the country in a special corridor here at the U.S. Capitol. Thousands of our fellow Americans walk through the exhibition and are reminded of the vast talents of our young men and women. Indeed, all of these young artists are winners, and we should be proud of their achievements so early in life.

Mr. Speaker, I urge my colleagues to join me in congratulating these talented young people from New Jersey's 11th Congressional District.

IN HONOR OF LT. GEN. THOMAS H. TACKABERRY

HON. RICHARD HUDSON

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Friday, May 19, 2017

Mr. HUDSON. Mr. Speaker, I rise today to honor the life and legacy of Lieutenant General Thomas H. Tackaberry, who passed away on Monday, April 3, 2017 at the age of 93. A Commander of the 18th Airborne Corps, 82nd Airborne Division, and Fort Bragg, as well as a veteran of World War II, the Korean War, and the Vietnam War, Lt. Gen. Tackaberry is a true American hero and our thoughts and prayers go out to his friends and family as they mourn the loss of this great man.

Thomas Tackaberry was a high school star in the classroom and on the track field, and when his country needed him the most, he stood ready to answer the call to serve our great nation. Lt. Gen. Tackaberry enlisted in the Army Reserve during World War II at the age of 19. After being commissioned as a Second Lieutenant, he served in Germany from 1945 to 1948. Lt. Gen. Tackaberry went on to fight in Korea and Vietnam, becoming highly decorated as the recipient of three Distinguished Service Crosses, five Silver Stars, a Distinguished Flying Cross, and a Soldier's Medal.

Described as a "grunt's angel," Lt. Gen. Tackaberry was devoted to his men, not only ensuring they were always supplied for the fight but physically prepared as well. Leading from the front, Lt. Gen. Tackaberry set a high bar for fitness with his men and led them on long training runs. He even remained dedicated to fitness well into his later life, completing 10 push-ups, despite being 93 years old and confined to a wheel chair, after being challenged by a family member. After 38 years in the military, Lt. Gen. Tackaberry retired to civilian life, managing a local real estate business and counseling the military of the Republic of China for BDC Corp.

Despite all of his accomplishments, Lt. Gen. Tackaberry never boasted of his military decorations or accomplished private sector career, instead focusing his energy on his family. He raised his twin sons to be accomplished military leaders in their own right and currently has several grandchildren serving in the U.S. military as well. This country cannot repay the debt we owe to Lt. Gen. Tackaberry; he was truly one of a kind and a model American. While we may have lost this great man, his legacy lives on forever.

Mr. Speaker, please join me today in commemorating the life of Lieutenant General

Thomas H. Tackaberry for his service to God and country.

SUPPORT FOR TAIWAN PARTICIPATION IN THE WORLD HEALTH ORGANIZATION

HON. ROB BISHOP

OF UTAH

IN THE HOUSE OF REPRESENTATIVES

Friday, May 19, 2017

Mr. BISHOP of Utah. Mr. Speaker, the independent nation of Taiwan is a highly-advanced industrialized democracy which contributes greatly to the world economy, particularly in the area of high tech, and is a long-time stalwart ally of the United States. We congratulate President Tsai Ing-wen on her one year anniversary as President of Taiwan.

The economic and military ties between our two nations have been built steadily over the past several decades, and I believe that it is important that the U.S. remains committed to this important bilateral relationship.

While our two countries have much to celebrate on this occasion, at the same time, some of the old diplomatic and political challenges are resurfacing which threaten Taiwan's participation as a constructive member of the global community. Recently, the World Health Organization (WHO), an arm of the United Nations, declined to invite Taiwan to participate in its annual World Health Assembly despite Taiwan's participation and contributions during the previous 8 years running.

Mr. Speaker, this deliberate snub was politically motivated, and violated the WHO's Constitution by excluding the people of Taiwan for no legitimate reason. The 23 million citizens of Taiwan should not be denied access to this and future annual meetings, especially if the stated goal of the World Health Organization is to provide a better healthier future to all peoples of the world.

I believe that the United States has an obligation to step forward and express strong disapproval of this WHO action.

To ensure that there is no gap in the disease prevention network and that, together, all might work for the advancement of human health worldwide, it is imperative that the United States Congress and the Administration rise in full support for Taiwan in this matter. The WHO Secretariat should be admonished regarding its moral and legal obligation to uphold its charter of independence and impartiality. The WHO and its leadership should not be at the service of any member state in particular. I ask my colleagues to join me in voicing our support for Taiwan's full and meaningful participation in the WHO, as well as other international organizations now and in the future.
