**HON. MARK TAKANO**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Monday, May 22, 2017*

Mr. TAKANO. Mr. Speaker, I rise today to commemorate the career of Waudier "Woodie" Rucker-Hughes, a tireless worker for civil rights and a pillar of the community in the Inland Empire of California.

Woodie was born in Washington, DC, and came to California in 1969 to begin a career in teaching at John W. North High School in Riverside. She later became the Dean of Students, an assistant principal and Manager of Child Welfare and Attendance for the Riverside Unified School District. In those roles, she helped young people to make the most of their education and their lives.

Woodie has spent her life building a strong community through her leadership in the NAACP, and her involvement with non-profit

organizations and commissions. The people of Riverside live in a city made better by the work of Woodie Rucker-Hughes.

This week, Woodie is retiring from the Riverside Unified School District. She has earned the thanks of a grateful community and the admiration of all that know her.

TRIBUTE TO MR. CLINTON HAVRAN AND MRS. DEBORAH ORR

**HON. MICHAEL T. McCAUL**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Monday, May 22, 2017*

Mr. McCAUL. Mr. Speaker, I rise today to recognize the bus accident that took the lives of four people in Biloxi, Mississippi, on March 7, 2017.

Tragically, a tour bus from Austin, Texas found itself lodged on train tracks in Biloxi, and was subsequently struck by an oncoming train. Although passengers started to disembark from the bus, several could not make it off in time.

Today, Mr. Speaker, I stand to honor the lives of two of those individuals who were taken from us in the accident: Mr. Clinton Havran of Sealy, Texas, and Mrs. Deborah Orr of Bastrop, Texas. Clinton and Deborah were both pillars in our community.

Clinton served in the United States Army from 1958 to 1963, and subsequently had a long and distinguished career as a professional truck driver with Central Freight Lines and Steinhauser's of Texas. He is survived by his loving wife of 42 years, Annie Mae Havran, his children, and his grandchildren.

Deborah, or Debbie as her friends knew her, was known for her spirit and kindness. Debbie was a Jill-of-all-trades, and held jobs as a nursing assistant and assembly worker, among others. She actively volunteered in her community—with several organizations that work with needy children and as the Activities Director at the Bastrop Senior Center. Debbie is survived by her loving husband of 36 years, Tim Orr, as well as her children, grandchildren, and a great-grandchild.

I join their family, their friends, and the people of Bastrop and Sealy in rejoicing the lasting impression Clinton and Debbie left on us all. As our community grieves and continues to come together in this time of sorrow, I ask that we honor their memory by working together to ensure accidents like this do not happen in the future.

Mr. Speaker, I ask that my colleagues in the House offer their love and support for Clinton, Deborah, and their loved ones.

PAYING TRIBUTE TO GARY PRUDEN, WORLDWIDE CHAIRMAN, MEDICAL DEVICES, JOHNSON & JOHNSON

**HON. LEONARD LANCE**

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

*Monday, May 22, 2017*

Mr. LANCE. Mr. Speaker, I rise today to recognize one of New Jersey's most distinguished community and business leaders, Gary Pruden. Gary has dedicated the last thir-

ty-three years of his life as a leader at Johnson & Johnson, creating a healthy, innovative world for patients everywhere.

Gary joined Johnson & Johnson in 1984 to serve in sales and marketing for Janssen Pharmaceuticals. He led Janssen commercial efforts in Canada and after returning to the US in 2006, Gary joined the Ethicon franchise located in Somerville, New Jersey as Worldwide President of Ethicon Products. Gary's leadership and commitment to improving standards of care for patients helped to develop not only exceptional life-saving products but also better hospital conditions, education for surgeons and healthcare professionals'. He also supported many community and charitable programs to improve healthcare and patients' lives globally.

As Johnson & Johnson's medical device footprint grew around the world, Gary's portfolio also continued to expand and he soon become the global Company Group Chairman in 2012 and the Worldwide Chairman of Medical Devices and a member of the Johnson & Johnson Management and Executive Committees respectively in 2015 and 2016.

Gary has also become involved in the federal advocacy and legislative policy-making process with local, state and federal law makers. He has committed himself to advocating for sound, science-based public policy. He has been successful because of his commitment to building bi-cameral, bi-partisan relationships that support access to medical innovation and improve the U.S. healthcare system. Gary's leadership at national trade associations, community organizations and with elected and appointed government officials has made a lasting positive effect on patient care.

Of all the professional accolades Gary has received during his impressive career, however, I believe he is most proud of his devotion to his family as a committed husband and father. Gary's wife Georgeane and their two children Kyle and Chelsea are his highest priorities.

I wish Gary well in his personal and professional endeavors as he retires from Johnson & Johnson. I thank him for his exceptional service to our community.
