APPOINTMENT OF INDIVIDUAL TO HEALTH INFORMATION TECHNOLOGY ADVISORY COMMITTEE

The SPEAKER pro tempore. The Chair announces the Speaker's appointment, pursuant to section 4003(e) of the 21st Century Cures Act (Pub. HONORING BRIAN C. COOPER

(Ms. ROS-LEHTINEN asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. ROS-LEHTINEN. Madam Speaker, I rise to congratulate Brian Cooper, who is retiring from the Office of the Parliamentarian after 35 years on Capitol Hill. Brian's first job came in 1982, when he was hired in the stock room of the Longworth Building working in Publication and Distribution Services.

Since then, Brian held a variety of positions in Congress, where he learned the intricacies of the legislative process, and the inner workings of House operations—skills that earned him a job at the House Parliamentarian Office, where he currently serves as Chief Clerk. A consummate professional, Brian has spent his career committed to assisting with an orderly and accurate legislative process, observed in a fair and nonpartisan manner.

Madam Speaker, I ask my congressional colleagues to join me in congratulating Brian Cooper on his long-deserved retirement and wish him all the best as he pursues his passions, including his artistic endeavors, traveling, spending more time with his family, and cheering on his favorite Baltimore sports teams.

Bon voyage and Godspeed to Brian Cooper.

FUND CAREER AND TECHNICAL EDUCATION

(Mr. KRISHNAMOORTHY asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. KRISHNAMOORTHY. Madam Speaker, in our increasingly competitive world, the importance of education beyond our K-12 system has only grown. As we address this reality, it is vital that we recognize the importance of career and technical education, in addition to colleges and universities.

That is why I am proud to be the lead Democrat on the bipartisan Strengthening Career and Technical Education for the 21st Century Act. This bill, which passed the Education and the Workforce Committee last week unanimously, will increase funding for career and technical education by 9 percent over the next 6 years to modernize these initiatives and to ensure students have the skills employers are looking for.

Through investing in our citizens and our economy, this bill will help hard-working families across the country join and stay in the middle class. I am proud to work with my colleagues from both parties, including Congressman THOMPSON from Pennsylvania, to build a more promising future for millions of Americans, and I hope this bill will soon receive consideration on the House floor.

CONGRATULATIONS TO COREY BULMAN AS MINNESOTA TEACHER OF THE YEAR

(Mr. PAULSEN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. PAULSEN. Madam Speaker, I rise to congratulate Corey Bulman, an English and literature teacher at Mound Westonka High School, on being named Minnesota's Teacher of the Year. This is an extraordinary achievement and a tribute to his enthusiasm both inside and outside of the classroom.

Mr. Bulman began teaching at Mound Westonka 17 years ago, where he devoted his entire tenure as an educator to enriching students in the classroom through his creative, imaginative, and insightful curriculums. What sets him apart is the meaningful and empowering connections he develops with his students.

As one of his former students said: "Corey was an adult, who showed me he believed I was smart, and cared about my ideas. He was honest, funny, and made me believe in myself."

Madam Speaker, there is no doubt that Mr. Bulman has touched so many of his students' lives. He understands how forming these bonds can inspire students for future success.

Madam Speaker, I want to congratulate Corey and thank him for dedicating himself on educating, inspiring, and empowering our young students.

HONORING NATIONAL FOSTER CARE MONTH AND KENNATH FORSYTH-SEARS

(Mr. LANGEVIN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. LANGEVIN. Madam Speaker, as co-chair of the Congressional Foster Youth Caucus, I rise in recognition of National Foster Care Month and in honor of the remarkable foster youth

alumnus that I am fortunate to host this week: Kennath Forsyth-Sears.

Kennath hails from the Ocean State, where he attends my alma mater, Rhode Island College, and aspires to work with children with disabilities.

Kennath is a reminder of why we must ensure every child has the opportunity to reach their full potential. Madam Speaker, all children need the support and love of a family, yet finding "forever families" for foster youth is one of our biggest challenges.

Madam Speaker, it is our moral duty to care for these children as we would our own, including by supporting permanency for foster youth.

I thank my co-chair of the Congressional Foster Youth Caucus and the leader of our Caucus, Congresswoman KAREN BASS of California, for bringing young people like Kennath to Capitol Hill for Foster Youth Shadow Day, and I urge my colleagues to join me in honoring National Foster Care Month.

ERDOGAN: THE VIOLATOR OF DEMOCRATIC PRINCIPLES

(Mr. POE of Texas asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. POE of Texas. Madam Speaker, it looks like Turkish President Erdogan has brought his brutal crackdown on human rights to Washington, D.C.

For years, Erdogan has attacked Turkey's democratic institutions, undermined the rule of law, and violated Turkish civil liberties. On Tuesday, several bullies violently assaulted protesters outside the Turkish Embassy here in Washington. These Gestapo-type body guards beat peaceful demonstrators, in one case kicking a woman lying on the ground. This type of behavior is unacceptable.

Erdogan is becoming a Turkish dictator. One of the traits of a dictator is to violently quash opposition. He is showing he doesn't believe in the democratic principles of free speech and peaceful assembly. But, Madam Speaker, we will have no foreign tyrant violating these sacred rights on American soil without consequences.

And that is just the way it is.

5000 ROLE MODELS OF EXCELLENCE PROJECT

(Ms. WILSON of Florida asked and was given permission to address the House for 1 minute.)

Ms. WILSON of Florida. Madam Speaker, tomorrow 50 Miami-Dade County ninth grade boys from various chapters of the 5000 Role Models of Excellence Project will visit Washington, D.C. They are all college-bound and have earned the promise of a 4-year scholarship from the program.

5000 Role Models is an in-school dropout prevention program that will turn 25 years old in January 2018. There are
