

simple boundary adjustment will encourage the preservation of the seven historic homes in the 1400 and 1500 blocks of Park Street and allow homeowners, on a case by case basis, to enter cooperative agreements with the National Park Service while retaining private property ownership.

We feel that this is an important step in the right direction for the Central High School Neighborhood Historic District as a whole. Please let me know if I may provide further assistance with this initiative.

Sincerely,

RACHEL PATTON,
Executive Director.

To Whom It May Concern: City Officials

DEAR MS. HARST: We, the owners of the properties, addresses listed above, located directly across Park Street in front of the famous and renowned educational facility, Little Rock Central High School, wish to express our gratitude and appreciation of all that you do for our neighborhood, our city, and our state, particularly in learning that the National Park Service wishes to expand their boundaries to include our seven houses. It is our belief that our houses add to the beauty and dignity of the structural and environmental beauty, dignity, and grace to this area of Little Rock.

In that we are greatly interested in the continuous celebrated dignity of this site, we are very supportive of direction to expand upon this historic city development, and we appreciate our being included in this significant idea. Please continue to keep us abreast of new developments and ideas which we intend to implement as wished by the city officials, and intend to seek funding to make this dream of our foreparents to come true.

Thanks again for including us, and please take care of yourselves and our city. Love and Deep Appreciation For All That You Do:

Sincerely,

DR. PATRICIA WASHINGTON
MCGRAW,
MRS. GRACE BLAGDON,
OTHER CONCERNED OWNERS.

Mr. COTTON. There is widespread agreement in the community and in our State that this site is not just a part of Arkansas' history, it is a part of our national heritage.

Central High stands as a reminder of an article Billy Graham published during the crisis, "No Color Line in Heaven." It was a hard-won lesson and one I think we should do everything we can to pass on to the next generation.

The PRESIDING OFFICER. Without objection, it is so ordered.

MANCHESTER ATTACK

Mr. DURBIN. Mr. President, let me say at the outset that I offer my condolences to the families and friends of those who were killed or injured in last night's despicable attack at a concert in Manchester, England. Details are still coming in, but this looks like an act of terror in the heart of one of our key European allies. America is joining with the people of Great Britain in expressing our sorrow and sadness over the loss of these lives and the injuries that were sustained.

RUSSIA INVESTIGATION

Mr. DURBIN. Mr. President, on a separate note, it has been more than 5 months since the intelligence agencies in the United States reached a solid consensus on a critical issue. The agencies presented to the American people 5 months ago their damning assessment that Russia actively tried to interfere in our last Presidential election to help elect someone they thought would be a better friend to the Russian interests.

I think it is important to recall some of the key findings by our own intelligence agencies on a virtually unanimous basis. They said:

Russian efforts to influence the 2016 U.S. presidential election represent the most recent expression of Moscow's longstanding desire to undermine the U.S.-led liberal democratic order, but these activities demonstrate a significant escalation in directness, level of activity, and scope of effort compared to previous operations.
