TRIBUTE TO JOSEPH CARVALHO

HON. KEN CALVERT

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 25, 2017

Mr. CALVERT. Mr. Speaker, I rise today to honor and pay tribute to an extraordinary man, Joseph John "Joe" Carvalho. Joseph passed away on May 22, 2017 at the age of 88. A resident of Hacienda Heights, California, he was a pillar of the community and will be deeply missed.

Joe was born on June 3, 1928, in Tiverton, Rhode Island and grew up in North Dighton, Massachusetts. He served in the Navy for two years and obtained the rank of Engineman Third Class while working in a POW camp in World War II. In 1951, he enrolled in the Massachusetts Maritime Academy where he received his degree in Marine Engineering. Upon graduation, he served with the Merchant Marines for two years.

Joe married the love of his life Audrey Enos on November 21, 1953. They moved to California and welcomed the birth of their children: Catherine, Cynthia, Barry, Pamela, and Janet. He worked for the Department of Water and Power for 33 years as an Electrical Engineer. At 55, Joe retired and worked for the 1984 Los Angeles Olympics Organizing Committee while also maintaining his own real estate business. He was a founding member of Saint John Vianney Parish and was a dedicated usher and volunteer. He was a dedicated Red Sox fan and was able to see his dreams realized with the 2004, 2007, and 2013 World Series Championships. Joe's greatest joy was his family. He became known as Poppi to his five grandchildren: Danielle, Tara, Nicole, Hope Willard, and Brennan Carvalho, and two great grandchildren: Emma and Quinn Massari.

On Friday, May 26, 2017, a memorial honoring Joe's extraordinary life will be held in Hacienda Heights, CA. Joe will always be remembered for his incredible work ethic, generosity, contributions to the community and love of family. His dedication to his family, work, and community are a testament to a life lived well and a legacy that will continue. I extend my condolences to Joe's family and friends. Although Joe may be gone, the light and goodness he brought to the world remain and will never be forgotten.

CHILD PROTECTION BILLS

HON. LISA BLUNT ROCHESTER

OF DELAWARE

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 25, 2017

Ms. BLUNT ROCHESTER. Mr. Speaker, I rise today in support of H.R. 1842, 1862 and 1761. While I support these bills, I do not support the mandatory minimum requirements in them.

As a mother I constantly worry about the wellbeing of my children, and as a legislator I am concerned about the wellbeing of all our nation's children. These bills are very well meaning and I thank my colleagues for all the hard work done on them. No one here wants to see a child sexually assaulted or abused. Violence against children can have long lasting physical and emotional effects on a child. These bills go a long way and making sure those who commit these heinous crimes are punished.

While these bills address important issues and help to further protect our children, the mandatory minimum provisions are concerning to me. These bills would expand the number of individuals subject to mandatory minimums. Mandatory minimums are an unfair one size fits all solution that often do not take into account circumstances of a crime. Drug related mandatory minimums have led to increased prison population. Many of these people were given harsh and overly punitive prison time. We should not be looking for ways to increase the use of mandatory minimums, but ways to return discretion to judges.

Congress should not be legislating sentencing. This discretion should be left in the hands of judges. Judges are able to adapt sentences to fit the individual circumstances of particular crimes and offenders. My hope is that we are able to work together to protect our nation's children and give our judges the judicial discretion they need when it comes to sentencing those convicted in a court of law.

HONORING THE TOURISM INDUSTRY

HON. NEAL P. DUNN

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 25, 2017

Mr. DUNN. Mr. Speaker, I rise today to honor an industry that is recognized nationwide during the first full week of May, but recognized locally in my district by the Bay County Chamber of Commerce during the entire month of May: travel and tourism.

If tourism is the body, then our visitors are the blood sustaining life. From our award-winning restaurants and warm and welcoming hospitality businesses, to our entertainment events featuring world-renowned artists and the alluring charms of small town life, each and every member of the tourism industry is critical to making our communities thrive. I commend you for your work and am thankful for your contributions to making our communities an incredible place to call home.

INTRODUCTION OF THE COMMISSION ON AMERICANS LIVING ABROAD ACT OF 2017

HON. CAROLYN B. MALONEY

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 25, 2017

Mrs. CAROLYN B. MALONEY of New York. Mr. Speaker, there are an estimated 8 million constituents scattered across the world who promote our culture and values while strengthening our nation's global influence as they live and work abroad. For years, I have worked to ensure that overseas Americans can fully exercise their rights as U.S. citizens by having their voices heard loud and clear by Congress. Eight years ago, I formed the Congressional Americans Abroad Caucus because I wanted to bring awareness and focus to the concerns of those residing abroad. U.S. citizens remain just that, citizens, regardless of where they choose to live and should not be ignored by virtue of residence.

Our constituents living and working abroad have consistently voiced concerns about the impact federal policies have on them like voting, immigration, access to financial institutions, and taxation. The time has come to comprehensively study and address the effects of federal policies on Americans living overseas.

That is why today I am reintroducing the Commission on Americans Living Abroad Act, which creates an Executive Commission with the main purpose of examining those concerns. The Commission creates a 10 member panel to examine the impact of federal policymaking on U.S. citizens abroad. The resulting study would then be used by Congress and the Executive Branch when considering the best steps we can take to engage the abroad community and ensure their voices are heard. This process will bring clearer awareness of the federal issues impacting Americans abroad and will open a path for coordination with those communities towards more robust representation.

Each of our constituents has a right to have their interests represented and to have a role in the political process. The Commission on Americans Living Abroad would establish a foundation from which we can work to better serve the needs of our global constituents. I welcome and urge my colleagues to lend their support to this bill.

IN HONOR OF MEMORIAL DAY

HON. JOYCE BEATTY

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 25, 2017

Mrs. BEATTY. Mr. Speaker, next week, on May 29, 2017, our nation will celebrate Memorial Day, a day of remembrance for those who have died in service of the United States.

We set aside this day to pay solemn tribute to the patriots who gave their last full measure of devotion for this country that we love.

Let us honor and remember our servicemen and women who answered America's call to service and paid the ultimate price to keep us here at home safe.

We honor their loved ones. Mothers. Fathers. Sisters. Brothers. Sons. Daughters.

Friends. We thank you for your sacrifice as well.

As a grateful nation, we have an obligation and a duty to be there for those who provided the ultimate sacrifice, and for their brothers and sisters in service.

Let us never forget our obligation to provide our troops the tools they need to carry out their mission; to care for all those who have served; to honor all those whom we've lost; to keep faith with our military families; to never stop searching for those who are missing, or trying to bring home our prisoners of war.

May God bless our fallen heroes and their families and all who serve in the United States Armed Forces.

HONORING DR. DONALD F. BOESCH

HON. STENY H. HOYER

OF MARYLAND

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 25, 2017

Mr. HOYER. Mr. Speaker, I rise to pay tribute to an outstanding environmental conservationist and researcher in my home state of Maryland. Dr. Donald F. Boesch has served as the President of the University of Maryland Center for Environmental Science (UMCES) since 1990, and he will be retiring from that position later this year. Throughout his tenure, UMCES has led the charge to study and conserve our state's natural environments, particularly the Chesapeake Bay and its watershed.

UMCES has its roots in a small research laboratory opened at the mouth of the Patuxent River in the Chesapeake Bay in 1925, and was relaunched under its current name and mission in 1997 to provide undergraduate and graduate students with hands-on learning and internships in marine biology, ecology, and environmental subjects. With five locations across the State of Maryland, from its original site in Solomons Island in Calvert County to laboratories in the Appalachians, Baltimore, College Park, and Cambridge on the Eastern Shore, UMCES forms a critical part of the University System of Maryland's commitment to research and to training the next generation of environmental scientists. Its hundred faculty members are conducting ground-breaking research and teaching UMCES's eighty-five graduate students.

Alongside UMCES's academic mission, it also fulfills a public policy role with its faculty advising policymakers in Maryland and in the federal government. UMCES scientists have been instrumental in calling attention to the challenges facing the Chesapeake Bay and its watershed and in proposing ways to clean up this regional and national treasure. Under Dr. Boesch's leadership, UMCES has been especially active in raising awareness about the Chesapeake and its importance to regional ecosystems and supporting our regional economy.

Dr. Boesch began his career by earning his undergraduate degree in biology from Tulane University in his native New Orleans. Later, he received his doctorate in oceanography from the College of William and Mary in Virginia. He spent time in Australia on a Fulbright scholarship before conducting research at the Virginia Institute of Marine Science. In 1980, Dr. Boesch returned to New Orleans to be-

come the inaugural Executive Director of the Louisiana Universities Marine Consortium and to teach marine science at Louisiana State University. He came to Maryland in 1990 to lead UMCES and now caps a very successful tenure of twenty-seven years at the helm. During that time, Dr. Boesch advised Maryland governors from both parties, has been as a member of the Governor's Chesapeake Bay Cabinet, and has served on the Maryland Commission on Climate Change. In 2010, President Obama appointed him to the National Commission on the BP Deepwater Horizon Oil Spill and Offshore Drilling. He has served as Chair of the Ocean Studies Board for the National Academy of Sciences and is the author of two books and dozens of scholarly papers.

The people of Maryland have been so fortunate to have Dr. Boesch leading UMCES these past twenty-seven years. We have been blessed to have his intellect, his dedication, and his wise leadership benefiting our students and our researchers. All those who treasure the Chesapeake owe Dr. Boesch much gratitude for his contributions to preserving the Bay and its watershed. I join in congratulating him on a very successful tenure and in wishing him well as he prepares to step down later this year.

IN RECOGNITION OF THE 100TH ANNIVERSARY OF THE BIRTH OF PRESIDENT JOHN F. KENNEDY AND THE JOHN F. KENNEDY HYANNIS MUSEUM

HON. WILLIAM R. KEATING

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 25, 2017

Mr. KEATING. Mr. Speaker, I rise today in recognition of the 100th Anniversary of the birth of President John F. Kennedy and the exceptional work of the John F. Kennedy Hyannis Museum in preserving his legacy.

President Kennedy, one of Massachusetts' most celebrated sons and the youngest president to be elected to office, had a deep and abiding love for his family's home in Hyannis Port. The John F. Kennedy Hyannis Museum is devoted to preserving the legacy of President Kennedy and his deep and lasting bond with the marshes, beaches, sea breeze, and way of life on Cape Cod.

Since the John F. Kennedy Hyannis Museum first opened its doors in 1992, it has hosted and designed numerous exhibits that highlight the life of President Kennedy and the legacy of his family. The Museum's multimedia displays give the visiting public a glimpse into the life of one of the most influential and recognizable leaders in the world. In addition to the well-known role of the Kennedys in American history, the Museum annotates the personal side of the unforgettable President—providing visitors with a deeper perspective on and edification of John F. Kennedy: the father, son, brother, husband, and friend. Lining the walls of the galleries are images of the Kennedys relaxing on the beach, enjoying evenings with friends, and recreating on the compound lawns.

Though President Kennedy was tragically taken from the American people on November 22, 1963, his legacy and impact on the country lives on—thanks in no small part to the efforts of the John F. Kennedy Hyannis Museum. To this day, it remains a renowned destination in downtown Hyannis. In celebration of the anniversary of his birthday, the museum is hosting numerous events including a commemoration concert in collaboration with the Cape Symphony.

Mr. Speaker, I am proud to honor the John F. Kennedy Hyannis Museum on the occasion of the 100th Anniversary of the birth of President Kennedy. I ask that my colleagues join
