PETITIONS AND MEMORIALS

The following petition or memorial was laid before the Senate and was referred or ordered to lie on the table as indicated:

POM–40. A concurrent resolution adopted by the Legislature of the State of Missouri applying to the United States Congress, under the provisions of Article V of the United States Constitution, for the calling of a convention of the states limited to proposing amendments to the United States Constitution that impose fiscal restraints on the federal government, limit the power and jurisdiction of the federal government, and limit the terms of office for its officials and members of Congress; to the Committee on the Judiciary.

SENATE CONCURRENT RESOLUTION NO. 4

Whereas, the Founders of our Constitution empowered state legislators to be guardians of liberty against future abuses of power by the federal government; and

Whereas, the federal government has created a crushing national debt through improper and imprudent spending; and

Whereas, the federal government has invaded the legitimate roles of the states through the manipulative process of federal mandates, most of which are unfunded to a great extent; and

Whereas, the federal government has ceased to live under a proper interpretation of the Constitution of the United States; and

Whereas, it is the solemn duty of the states to protect the liberty of our people—particularly for the generations to come—to propose amendments to the United States Constitution through a convention of states under Article V to place clear restraints on these and related abuses of power: Now, therefore, be it

Resolved, by the members of the Missouri Senate, Ninety-ninth General Assembly, First Regular Session, the House of Representatives concurring therein, Hereby apply to Congress, under the provisions of Article V of the United States Constitution, for the calling of a convention of the states limited to proposing amendments to the United States Constitution that impose fiscal restraints on the federal government, limit the power and jurisdiction of the federal government, and limit the terms of office for its officials and members of Congress; and be it further

Resolved, That the General Assembly adopts this application with the following understandings (as the term "understandings" is used within the context of "reservations, understandings, and declarations"):

(1) An application to Congress for an Article V convention confers no power on Congress other than to perform a ministerial function to "call" for a convention;

(2) This ministerial duty shall be performed by Congress only when Article V applications for substantially the same purpose

are received from two-thirds of the legislatures of the several states;

(3) The power of Congress to "call" a convention solely consists of the authority to name a reasonable time and place for the initial meeting of the convention;

(4) Congress possesses no power whatsoever to name delegates to the convention, as this power remains exclusively within the authority of the legislatures of the several states;

(5) Congress possesses no power to set the number of delegates to be sent by any states;

(6) Congress possesses no power whatsoever to determine any rules for such convention;

(7) By definition, a Convention of States means that states vote on the basis of one state, one vote;

(8) A Convention of States convened pursuant to this application is limited to consideration of topics specified herein and no other;

(9) The General Assembly of Missouri may recall its delegates at any time for breach of their duties or violations of their instructions;

(10) Pursuant to the text of Article V, Congress may determine whether proposed amendments shall be ratified by the legislatures of the several states or by special state ratification conventions. The General Assembly of Missouri recommends that Congress specify its choice on ratification methodology contemporaneously with the call for the convention;

(11) Congress possesses no power whatsoever with regard to the Article V convention beyond the two powers acknowledged herein;

(12) Missouri places express reliance on prior legal and judicial determinations that Congress possesses no power under Article I relative to the Article V process, and that Congress must act only as expressly specified in Article V; and be it further

Resolved, That this application shall expire five (5) years after the passage of this resolution; and be it further

Resolved, That the Secretary of the Senate be instructed to prepare a properly inscribed copy of this resolution for the President and Secretary of the United States Senate, the Speaker and Clerk of the United States House of Representatives, each member of the Missouri Congressional delegation, and the presiding officers of each of the legislative houses in the several states requesting their cooperation.
