

we mark this somber event today during Pride Month.

This day creates enormous tension for the LGBT community and its allies. Our hearts are broken for the victims and for their families.

We are angry, we are frustrated, yet we are still filled with pride. We are proud of the lives they lived, though they were cut far too short.

Today, I stand with the LGBT community. And together, we stand against hatred, we stand against terror, and we stand for love and for pride, pride that has no end.

EXTENDING DEADLINE FOR CONSTRUCTION OF HYDROELECTRIC PROJECT NUMBERED 12737

Mr. UPTON. Mr. Speaker, I move to suspend the rules and pass the bill

(H.R. 446) to extend the deadline for commencement of construction of a hydroelectric project.

The Clerk read the title of the bill.

The text of the bill is as follows:

H.R. 446

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. EXTENSION.

(a) IN GENERAL.—Notwithstanding the time period specified in section 13 of the Federal Power Act (16 U.S.C. 806) that would otherwise apply to the Federal Energy Regulatory Commission project numbered 12737, the Commission may, at the request of the licensee for the project, and after reasonable notice, in accordance with the good faith, due diligence, and public interest requirements of that section and the Commission's procedures under that section, extend the time period during which the licensee is required to commence the construction of the project for up to 3 consecutive 2-year periods from the date of the expiration of the extension originally issued by the Commission.

(b) REINSTATEMENT OF EXPIRED LICENSE.—If the period required for commencement of construction of the project described in subsection (a) has expired prior to the date of the enactment of this Act, the Commission may reinstate the license for the project effective as of the date of its expiration and the first extension authorized under subsection (a) shall take effect on the date of such expiration.

The SPEAKER pro tempore. Pursuant to the rule, the gentleman from Michigan (Mr. UPTON) and the gentleman from Colorado (Ms. DEGETTE) each will control 20 minutes.

The Chair recognizes the gentleman from Michigan.

GENERAL LEAVE

Mr. UPTON. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days to revise and extend their remarks and include extraneous material on H.R. 446.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Michigan?

There was no objection.

Mr. UPTON. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, H.R. 446 authorizes the Federal Energy Regulatory Commission, FERC, upon request, to extend by 6 years the time period during which construction must commence on the Gathright Hydroelectric Project located in Alleghany County, Virginia. Additionally, FERC may reinstate the construction license if it is expired.

A similar bill was passed under suspension of the rules in the 114th Congress in a bipartisan way, and I would hope that we can do it today.

Mr. Speaker, I reserve the balance of my time.

Ms. DEGETTE. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I rise in support of H.R. 446, a bill to extend the deadline for commencement of construction of a hydroelectric project, introduced by Mr. GRIFFITH.

On March 13, 2012, FERC licensed the Gathright Hydroelectric Project to be located at the Army Corps of Engi-

neers' Gathright Dam on the Jackson River in Alleghany County, Virginia. The licensee for the Gathright project was not able to commence construction by the already-extended deadline in March 2016.

The bill would, therefore, authorize FERC to extend for up to three consecutive 2-year periods the date by which the licensee is required to commence construction. Similar legislation passed the House of Representatives by voice vote twice during the last Congress.

I hope everybody will support passage of H.R. 446. I hope we can get this thing built.

Mr. Speaker, I reserve the balance of my time.

Mr. UPTON. Mr. Speaker, I yield such time as he may consume to the gentleman from Virginia (Mr. GRIFFITH), a member of the Energy and Commerce Committee.

Mr. GRIFFITH. Mr. Speaker, I rise today in support of H.R. 446, which would extend the construction commencement deadline for a hydroelectric project at the Gathright Dam in Alleghany County.

Extensive coordination between the hydroelectric project developer and the Army Corps and the current difficulties in obtaining a power purchase agreement have necessitated this construction's start-date extension.

This legislation has passed the House previously unanimously and was included in last Congress's House comprehensive energy bill. It is my hope that this legislation will once again receive overwhelming support in this Chamber. I appreciate the support of my colleagues on both sides of the aisle.

Ms. DEGETTE. Mr. Speaker, I urge a "yes" vote, and I yield back the balance of my time.

Mr. UPTON. Mr. Speaker, I urge my colleagues to support the bill, and I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Michigan (Mr. UPTON) that the House suspend the rules and pass the bill, H.R. 446.

The question was taken; and (two-thirds being in the affirmative) the rules were suspended and the bill was passed.

A motion to reconsider was laid on the table.

EXTENDING DEADLINE FOR CONSTRUCTION OF HYDROELECTRIC PROJECT NUMBERED 12740

Mr. UPTON. Mr. Speaker, I move to suspend the rules and pass the bill (H.R. 447) to extend the deadline for commencement of construction of a hydroelectric project.

The Clerk read the title of the bill.

The text of the bill is as follows:

H.R. 447

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,
