STATEMENTS ON INTRODUCED BILLS AND JOINT RESOLUTIONS

By Mr. BLUNT (for himself, Mr. REED, Mr. SCOTT, and Mr. MENENDEZ):

S. 1344. A bill to promote the development of local strategies to coordinate use of assistance under sections 8 and 9 of the United States Housing Act of 1937 with public and private resources, to enable eligible families to achieve economic independence and self-sufficiency, and for other purposes; to the Committee on Banking, Housing, and Urban Affairs.

Mr. REED. Mr. President, today Senator BLUNT and I are reintroducing the Family Self-Sufficiency Act, and we are pleased to be joined in this effort in this Congress by our colleagues, Senators SCOTT and MENENDEZ.

The Family Self-Sufficient, FSS, Program is an existing Department of Housing and Urban Development, HUD, employment and savings incentive initiative for families that use section 8 vouchers or live in public housing. FSS provides participants access to the resources and training that enable them to pursue higher paying employment opportunities and meet financial goals, while putting FSS families in a better position to save by establishing an interest-bearing escrow account for them. Upon graduation from the FSS program, the family can use these savings to pay for job-related expenses, such as additional workforce training or the purchase or maintenance of a car needed for commuting purposes. In short, FSS is all about giving our constituents the incentives and the tools to move up the economic ladder.
