VOTE EXPLANATION

Mr. BENNET. Mr. President, on June 5, 2017, the Senate adopted S. Res. 176, a resolution commemorating the 50th anniversary of the reunification of Jerusalem. I am a cosponsor of this resolution. Unfortunately, I missed the vote due to a delayed flight. If I were in Washington, DC, during the time of this vote, I would have cast my vote in support of this resolution.

DEPARTMENT OF VETERANS AFFAIRS ACCOUNTABILITY AND WHISTLEBLOWER PROTECTION ACT

Ms. HIRONO. Mr. President, earlier this month, the Senate passed by voice vote the Department of Veterans Affairs Accountability and Whistleblower Protection Act of 2017. I recognize this bill is the result of a bipartisan compromise, and I commend Senator TESTER, ranking member of the Senate Veterans' Affairs Committee, for his efforts to find agreement on this particularly challenging issue.

Everyone in a position of public trust, particularly those serving at the VA, must be held accountable for their actions. Whistleblowers must also be protected so that misconduct can be brought to light. This balance between accountability and transparency is essential to ensure that the services provided to the public—particularly to veterans—are of the highest quality and that we can attract the best and brightest to Federal service.

Unfortunately, while the bill passed by Congress seeks to strike the appropriate balance, I remain seriously concerned about some of the bill's provi-

sions which would expedite the process of terminating employees of the Department of Veterans Affairs, VA, by reducing current due process protections.

To ensure the integrity of the Federal civil service, it is essential that Federal employees have access to constitutionally protected due process rights. Specifically, the bill lowered the evidentiary standard for firing rank-and-file employees for misconduct from "preponderance" of the evidence, 50 percent or more, to substantial, 30 percent or more. Reducing due process protections for rank-and-file VA employees in this manner will make it harder for the Federal Government to attract the best and brightest to public service.

During the Senate Veterans' Affairs Committee's consideration of the bill, I cosponsored an amendment offered by Senator BROWN to strike the section of the bill lowering the evidentiary standard. Unfortunately, the amendment was not adopted. Going forward, I intend to closely monitor the VA's implementation of the act to see that these new authorities are not abused in order to retaliate against VA workers. Not only would this be unfair, but it would also exacerbate the Department's challenging retention issues.

I am also disappointed that this bill does not address the longstanding recruitment and retention issues facing the VA. According to the VA, there are over 30,000 vacancies across the VA, including over 150 in Hawaii, for frontline medical personnel that this administration has not filled as of the end of January 2017.

The over 40,000 veterans in Hawaii who are enrolled in the VA healthcare system deserve the best healthcare and highest ethical and professional standards from those they depend on to provide that care. While we must ensure whistleblowers can come forward without fear of retaliation and those who violate the pub trust are held accountable, the VA cannot effectively carry out its mission without being fully staffed.

While this legislation was supported by VA Secretary Shulkin and makes some useful changes to improve accountability, we still have much work to do to ensure that veterans in Hawaii and across the country have access to the best healthcare we can provide.

Therefore, going forward, I will closely monitor the VA's implementation of this law to ensure that the changes made are not abused. I will also continue working to see that the staff vacancies in Hawaii and across the country are filled with qualified personnel.

MINORITY HEALTH

Mr. BLUMENTHAL. Mr. President, I am deeply disappointed by the secrecy that has been employed by my colleagues in their reckless attempts to gut the Affordable Care Act. It is clear to me that, in the absence of hearings,
