

Madam Speaker, I reserve the balance of my time.

Mr. GRAVES of Missouri. Madam Speaker, I have no further speakers, and I reserve the balance of my time.

Ms. NORTON. Madam Speaker, I yield such time as he may consume to the gentleman from California (Mr. AGUILAR), my good friend.

Mr. AGUILAR. Madam Speaker, I thank the gentlewoman for yielding.

Madam Speaker, I rise in support of the Active Duty Voluntary Acquisition of Necessary Credentials for Employment Act, or the ADVANCE Act.

The ADVANCE Act will allow Active Duty servicemembers, reservists, and National Guardsmen the same unique testing standards for commercial driver's licenses granted to veterans by the latest surface transportation bill, the Fixing America's Surface Transportation Act, the FAST Act.

The FAST Act allows veterans with qualifying experience to be exempt from State knowledge-based tests when obtaining commercial driver's licenses. The ADVANCE Act would extend this exemption to Active Duty servicemembers, reservists, and National Guardsmen.

I introduced the ADVANCE Act to ensure that Active Duty servicemembers and reservists have access to the same benefits as veterans, helping to smooth their transition from military to civilian life. We owe it to our brave men and women to help them find work here at home.

This bipartisan bill is a commonsense measure that will create opportunities for servicemembers to find work in their communities by simplifying how they translate the driving skills they learned in the military to American jobs across this country. According to the Department of Transportation, the ADVANCE Act can help nearly 75,000 Active Duty, Reserves, and National Guardsmen throughout the United States.

This legislation comes at a critical time. According to the American Trucking Associations, there is an estimated 40,000 truck driver shortage nationally. The American Trucking Associations has endorsed the ADVANCE Act because it will help put servicemembers back to work here at home and it will allow us to close a troubling skills gap in our local communities.

The ADVANCE Act has also been endorsed by the Association of the United States Navy and The Retired Enlisted Association. It was unanimously passed out of the Transportation and Infrastructure Committee, and has strong bipartisan support.

Additionally, Senators Cornyn and Warren have introduced a bipartisan companion bill in the Senate.

I urge my colleagues to join me today and support this bill so we can make this commonsense change to ensure that all current and former members of the military with specialized training can more easily access the licenses they need to get good-paying jobs as they transition to civilian life.

Mr. GRAVES of Missouri. Madam Speaker, I continue to reserve the balance of my time.

Ms. NORTON. Madam Speaker, I yield myself such time as I may consume.

I want to thank Mr. AGUILAR, who is the author of this bill, for his work in filling this hole so that members of the National Guard and reservists, indeed, are more easily able to obtain a commercial driver's license based on exactly the kind of training that the armed services gives.

It is certainly true that we have had trouble in committee getting on-the-job training as a requirement.

□ 1730

Here, we have people who get on-the-job training, and on-the-job training of just the kind that our country needs, because of the shortage Mr. AGUILAR spoke of in commercial drivers, a very difficult job that necessitates long hours, often away from one's own home and family.

Madam Speaker, I regard this bill as a twin of the very first bill that we passed, the VA bill that allows the Veterans Administration to offer physical examinations, when we were alerted that there were only 25 physicians there who could do that.

So this is a good pairing of bills that our country needs because of the shortage of commercial drivers, and that we owe our veterans and those who serve, even now, in our services. I am particularly pleased that this is a jobs bill. It seems to me that it is clear that when we enable more and more people to drive commercial trucks, we are increasing the supply of jobs available in our country.

These are high-paying jobs for good reason, because they are difficult jobs, so I think this bill and our first bill are bills that the bipartisan House today can take special pride in.

Madam Speaker, I yield back the balance of my time.

Mr. GRAVES of Missouri. Madam Speaker, with that, I urge my colleagues to join me in supporting this important piece of legislation, and I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from California (Mr. GRAVES of Missouri) that the House suspend the rules and pass the bill, H.R. 2258, as amended.

The question was taken.

The SPEAKER pro tempore. In the opinion of the Chair, two-thirds being in the affirmative, the ayes have it.

Mr. GRAVES of Missouri. Madam Speaker, on that I demand the yeas and nays.

The yeas and nays were ordered.

The SPEAKER pro tempore. Pursuant to clause 8 of rule XX, further proceedings on this motion will be postponed.

The Chair recognizes the gentleman from California (Mr. HUNTER).

GENERAL LEAVE

Mr. HUNTER. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days to revise and extend their remarks, and to include any extraneous material on H.R. 1726.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from California?

There was no objection.

Mr. HUNTER. Madam Speaker, I yield myself such time as I may consume.

After 68 years, H.R. 1726, the Coast Guard Improvement and Reform Act will reorganize and modernize title 14, Coast Guard, United States Code. Title I of the bill reorganizes existing sections of the code within the title to provide a more uniformed, logical structure. It makes no substantive changes to the reorganized sections.

Title II includes amendments to title 14. The Coast Guard requested uniformity in how its advisory committees operate. Title II transfers the advisory committees to title 14 from title 46 and includes changes to ensure uniformity in committee operations.

Title II also transfers sections in title 33 and 50, dealing with port safety into title 14, to colocate them with similar authorities. In 2002, port security provisions were similarly reorganized, and this follows that pattern. No substantive changes were made to those sections either. The transfer allows for better organization of the code and makes it easier for the public and the Congress to find the governing laws of the Coast Guard.

Lastly, the title also amends the primary duties of the Coast Guard to clarify their defense readiness status, and it repeals an unused authority.

Madam Speaker, I reserve the balance of my time.

Mr. GARAMENDI. Madam Speaker, I yield myself such time as I may consume.

Madam Speaker, H.R. 1726 is a non-controversial bill to reorganize the Coast Guard’s permanent authorities under title 14 of the U.S. Code in order to improve the clarity and the coherence of the title.

I would like to thank my assistant, and counsel, Dave Jansen, and John Rayfield, on the other side, for recognizing that there is confusion, and so this legislation, while it makes no substantive changes to the Coast Guard’s existing authorities and policies under title 14, does save for some conforming changes to create a new chapter for all of the Coast Guard national advisory councils and execute a handful of other minor transfers.

It just simply ends a lot of confusion as people try to figure out where it is in the code that they must look.

Accordingly, I am comfortable with supporting this legislation, although I do note that it will impose some additional administrative costs on the Coast Guard as they set about implementing it.

I want to commend the chairman, Mr. HUNTER, for the Coast Guard and Maritime Transportation Subcommittee, for his initiative and for his staff’s initiative, in taking on this important little bit of housekeeping that is going to make all of our lives easier. I will certainly urge all of the Members to support it.

I also appreciate Chairman HUNTER’s work with me in an effort to try to

solve another problem. This is only one piece of our effort to try to improve the maritime industry. While we are trying to move H.R. 1726 today, we have more work to do.

And to that end, I look forward to working with Chairman HUNTER on bringing H.R. 2593 to the floor before the August recess, together with the full committee chairman, BILL SHUSTER; and ranking Democrat, PETER DEFazio. H.R. 2593 deals with the Federal Maritime Commission Authorization Act of 2017.

This legislation would update and strengthen the Shipping Act to address the current upheaval in the global shipping markets that affect U.S. foreign trade.

The formation of three large ocean carrier alliances has raised legitimate concerns among U.S. port service providers, maritime terminal operators, and tug operators. By virtue of the sheer size and volume of trade that these alliances carry, they will have a decided advantage in determining ports of call, negotiating contracts, and shifting costs, all at the expense, possibly, of our domestic port service providers.

I know Chairman HUNTER shares my concerns, and neither of us are indifferent. We are going to have to deal with this, and that will be our next piece of legislation on the floor. The chairman is on top of it with his staff, and we look forward to that bill, H.R. 2593, being reported out of the Transportation Committee as it clarifies the Federal Maritime Commission's authority to oversee and aggressively deal with competition.

So what we have today is one of two pieces of legislation that we intend to move forward dealing with the overall well-being of the maritime industry.

I highly recommend H.R. 1726 to the floor. It is noncontroversial and should pass. The other piece of legislation will be here shortly, and we will take that up at that time.

Madam Speaker, I yield back the balance of my time.

Mr. HUNTER. Madam Speaker, I yield myself such time as I may consume.

Madam Speaker, I would like to associate myself with the gentleman's remarks and thank him for all of his hard work, and especially Dave Jansen and John Rayfield, the two Coast Guard savants of the staff on the Transportation Committee. Those are the gentlemen who did this, who really understand this code, and who made it better for future Congress and future staff, so they can actually see what is going on with the Coast Guard, and maybe the Coast Guard might understand what is going on with the Coast Guard a little bit better.

I would like to reiterate that H.R. 1726 is a straightforward bill. It reorganizes title 14 and does not make any substantive changes.

Madam Speaker, I urge Members to support it, and I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from California (Mr. HUNTER) that the House suspend the rules and pass the bill, H.R. 1726.

The question was taken; and (two-thirds being in the affirmative) the rules were suspended and the bill was passed.

A motion to reconsider was laid on the table.

RECESS

The SPEAKER pro tempore. Pursuant to clause 12(a) of rule I, the Chair declares the House in recess until approximately 6:30 p.m. today.

Accordingly (at 5 o'clock and 39 minutes p.m.), the House stood in recess.
