

RECOGNIZING THE LIBERTY STORE FOR OVER 100 YEARS OF BUSINESS

HON. JOHN KATKO

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 29, 2017

Mr. KATKO. Mr. Speaker, I rise today to honor The Liberty Store in Auburn, New York, as this family-owned business celebrates over 100 years serving our community.

For over a century, The Liberty Store has provided a large variety of menswear items to Cayuga County. When the Goldman family first opened the doors of its small business in 1915, it advertised shoes, pants, and socks. Over the years, the Goldman family has grown The Liberty Store into a one-stop shop for individuals and businesses alike, including the Auburn Correctional Facility. This small business has evolved over the past century to meet the needs of its clients and our community—now serving jails, police, and fire departments in 30 states. The Liberty Store has become an integral part of Auburn's landscape and still provides menswear for Central New Yorkers of all ages.

I am proud to recognize The Liberty Store and to congratulate the Goldman family on 102 years in business. This fourth-generation company has become a staple for the Auburn community and I wish The Liberty Store continued success in the years to come.

IN MEMORY OF PAUL BERLIN

HON. KEVIN BRADY

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 29, 2017

Mr. BRADY of Texas. Mr. Speaker, today, I recognize the life of a local icon: longtime Texas and Houston radio legend, Paul Berlin.

Spanning nearly seven decades, Paul's career in radio began after he won a local "So You Want to be an Announcer" contest at the young age of 17. Although a native of Memphis, Tennessee, Paul moved to Houston when he was 19, where he officially began his radio career as a local disc jockey at KNUZ Radio.

Paul's warm personality, jovial manner, and unique radio persona attracted fans from all genres of music, but his love of music went far beyond his radio appearances. As the owner of a string of nightclubs, Paul promoted concerts and dances hosted by legends such as Chuck Berry, Jerry Lee Lewis, and Nat King Cole, across the Houston area.

His passion for music eventually carried him overseas, where Paul toured U.S. military bases across Europe and brought the sounds of home to thousands of our young service members.

Over the years, Paul worked with music legends such as Elvis Presley, Johnny Cash, Ray Charles, Mary Tyler Moore, and Sonny & Cher. However, he never stopped playing the music of local Houston singers, and he is credited with starting many songwriters' careers.

Before he retired in 2004, Paul went on to DJ at three other Houston stations. Six years after retiring, his love for music pulled him

back into the radio business, and he returned to host a Saturday evening special at KSEV.

In 1998, Paul was inducted into the Rock and Roll Hall of Fame, and in 2002, he was inducted into the Texas Radio Hall of Fame. Paul's storied career earned him many honors, such as the American Women in Radio & TV Media's Radio Personality of the Year and Marconi Award Nominee for Major Market Personality of the Year.

Paul was preceded in death by his precious wife of over sixty years, Nezzie. He is survived by five sons, Brad and his wife Patti, Glenn and his wife Sue, Bruce and his wife Dana, Craig and his wife Jamie, and Donald; nine grandchildren, Evan, Elise, Ross and his wife Melissa, Valerie, Denise and her husband Josh, Austin and his wife Cam, Paul, Carson, and Courtney; three great grandchildren, Samantha, Paige, and Tate; and many nieces and nephews.

Paul's formula for happiness, "someone to love, something to do, and something to look forward to," rings true today, and his love of music and dedication to his community made Houston a far happier place. On June 23, 2017, Paul passed away at the age of 86, and he will be sorely missed.

IN RECOGNITION OF KELBY THORNTON'S BACK TO BACK WINS AT THE NATIONAL SKILLSUSA MASONRY CHAMPIONSHIP

HON. RICHARD HUDSON

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 29, 2017

Mr. HUDSON. Mr. Speaker, I rise today to recognize Kelby Thornton on his back to back championships at the 2016 and 2017 Annual National SkillsUSA Masonry Contest in Louisville, Kentucky.

A senior at Central Cabarrus High School, Kelby and Coach Todd Hartsell, the masonry teacher at Central Cabarrus, returned to Louisville this year to defend Kelby's title. SkillsUSA is a national organization represented by students, teachers and industry professionals who want to provide educational opportunities. The masonry competition pits high school students from all over the country against each other as they test their practiced trade. North Carolina currently holds more National Masonry Championships than all other states combined, thanks to strong competitors like Kelby representing our great state.

This year's event brought a host of talent and I am extremely proud of Kelby for his hard work. I am also thankful for the teachers, coaches and volunteers who made the event possible. I look forward to many more years of successful competition and wish Kelby the best of luck as he continues pursuing his dreams.

Mr. Speaker, please join me today in recognizing Kelby Thornton for his second consecutive National Masonry Championship.

CELEBRATING INDIA'S FRIENDSHIP

HON. TED POE

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 29, 2017

Mr. POE of Texas. Mr. Speaker, over more than 70 years we have developed a strong strategic partnership with India. We have a lot in common when it comes to national security and counterterrorism.

But our partnership doesn't end there. Our trade relations have grown increasingly stronger over the years. In 2016, our trade with India totaled nearly \$115 billion, making India our largest goods trading partner.

Over the past year, we've also been exporting more and more LNG to India. 65 percent of Indians are under 35 and the U.S. has more natural gas than we can use. Trade in energy with India just makes sense. It helps both of us and deepens our bilateral ties.

Earlier this month, Secretary Perry approved an LNG export application that will send 1.8 billion cubic feet per day to India: Mr. Speaker, the world's largest democracy and the oldest democracy are natural partners.

Our shared values and interests ensure that our strategic partnership of over 70 years will endure.

And that's just the way it is.

HONORING MARILYN HOPKINS

HON. MIKE THOMPSON

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 29, 2017

Mr. THOMPSON of California. Mr. Speaker, I rise today to honor Dr. Marilyn Hopkins upon her retirement as Provost and Chief Operating Officer (COO) of Touro University, California. She is retiring after more than 35 years of administrative and teaching experience in higher education. Dr. Hopkins has been an active member of the academic and medical communities during her successful career.

Dr. Hopkins earned a Bachelor of Science degree in Nursing at California State University, Sacramento in 1970. She went on to earn her Master's and Doctoral degrees in Nursing at the University of California, San Francisco.

Prior to her appointment as Provost and Chief Operating Officer in 2009, Dr. Hopkins worked as a registered nurse for nearly 20 years at three different hospitals in California. She was employed as a full professor with tenure at California State University, Sacramento from 1974 to 1997, teaching graduate and undergraduate courses on diverse medical subjects. Dr. Hopkins then served as the Dean for the College of Health and Human Services at California State University, Sacramento.

Touro University, California offers accredited graduate programs in several medical fields, and is located in Vallejo, California. As Provost and COO, Dr. Hopkins provided leadership in institutional assessment and comprehensive strategic planning. She created a campus infrastructure to support research, grant-writing and publication opportunities for faculty and students and worked closely with the academic deans to recruit and retain a talented and diverse faculty. Since moving to Solano County, Dr. Hopkins has been actively
