

Both men work tirelessly for the Benton school district transportation program.

Last month, about 40 students from Shelby County in Memphis piled onto a bus and began their journey toward the popular Magic Springs amusement park in Hot Springs, Arkansas.

Unfortunately, as they traveled down I-30, their bus broke down.

Through the Arkansas State Police, word got to Mr. Revis that an entire busload of children was stranded.

After discussion with officials of the Tennessee school district from which the students hailed, Mr. Creel volunteered to use a Benton school bus to quickly transport the Memphis students to Magic Springs, where, after a full day of enjoyment, a Shelby County bus would pick them up.

Along with its well-known Benton Wave, a gesture of genuine friendliness noticeable throughout the city, Mr. Revis and Mr. Creel's commendable actions contribute to Benton's long-standing aura of friendship and compassion.

RECOGNIZING THE 40TH
ANNIVERSARY OF PONY BIRD

HON. JASON SMITH

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 29, 2017

Mr. SMITH of Missouri. Mr. Speaker, children and adults who are mentally and physically disabled have a great friend in an organization called Pony Bird, Incorporated located in Jefferson County, Missouri.

Named after a children's book about a young boy and his magical flying pony, Pony Bird is celebrating its 40th anniversary. It began in 1977 in one home devoted to caring for 10 severely disabled children. Today, Pony Bird provides 24-hour care in six residential homes for up to 60 individuals unable to walk or meet their daily living needs.

The facilities in Mapaville and De Soto allow residents to receive a maximum level of personalized care. They lead happy lives through socialization, participation, work and the opportunity to volunteer as members of their community.

Pony Bird has been recognized many times by the State of Missouri Department of Mental Health for its outstanding level of care. It is my great privilege to celebrate their 40 years of caring for our most vulnerable citizens today before the United States House of Representatives.

HONORING LET MON LEE ON HIS
DISTINGUISHED CAREER

HON. DORIS O. MATSUI

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 29, 2017

Ms. MATSUI. Mr. Speaker, I rise today to acknowledge Mr. Let Mon Lee, upon his retirement from his position as Deputy Assistant Secretary of the Army for Civil Works and over three decades of public service.

Mr. Lee assumed his most recent position in the U.S. Army Corps of Engineers in 2009. In

his role as Deputy Assistant Secretary, Mr. Lee has been responsible for the executive direction of Army Civil Works projects involving flood risk management, storm damage prevention, navigation, and environmental restoration. Prior to this, Mr. Lee served at the Army Corps Headquarters for almost 20 years. His work with Army Corps were separated by a five-year stretch on the Senate Environment and Public Works Committee.

I have had the pleasure of working with Mr. Lee on our shared efforts to improve the level of flood protection for Sacramento, in my district. Sacramento is defined by its two great rivers, the American and the Sacramento, which makes it the most at-risk major American city for flooding. Mr. Lee has been a great champion for Sacramento's flood control projects, and together we have been able to better protect the lives and livelihoods of my constituents.

Mr. Lee has been wonderful to work with on both a professional and personal level. I wish him many years of happiness in retirement with his wife and grandchildren.

Mr. Speaker, I ask all my colleagues to join me in thanking Mr. Lee for his service.

12 CARRIER ACT

HON. K. MICHAEL CONAWAY

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 29, 2017

Mr. CONAWAY. Mr. Speaker, I am pleased to announce that my bill, the 12 Carrier Act, was included in last night's NDAA markup. This legislation will play a critical role in rebuilding our nation's military.

With ongoing perils around the world, including increasing violence by ISIS and persistent threats by North Korea, it is vital to our nation's security that our Navy is fully equipped with the resources and capabilities to respond to these threats. By including my bill in the Committee's mark, we will be increasing the statutory limit for carriers from eleven to twelve. In doing so, this measure will empower the Navy with the tools they desperately need to meet Combatant Commander requirements, deter conflict, prolong the lives of our fleet, and send a message to potential adversaries that we will not allow our decisive advantage in worldwide maritime force projection to erode.

Since the end of the Cold War, aircraft carrier requirements have increased while the aircraft carrier force structure has declined. The Navy has stated that the current forces cannot support global requirements. For years, this strain has caused our fleet to operate at maximum capacity, limiting aircraft carrier at-sea training, increasing deployment lengths and decreased time available for maintenance. To express the shortcomings of our carrier fleet, Navy Rear Admiral Thomas Moore has stated "We're an 11-carrier Navy in a 15-carrier world". President Trump also recently stressed the necessity of adding a twelfth carrier to our fleet.

Maintaining the required operational tempo with 12 carriers relieves significant stress both in terms of manpower, as well as keeping the proper maintenance cycles of the carriers themselves. When the carrier fleet is at full strength of 12, regional combatant com-

manders will be able to rely on the imposing presence of U.S. forces and will be able to respond to threats in a more expedited manner.

I am encouraged that my fellow members of the Armed Services Committee agree with my concerns about the shrinking size and capabilities of the United States Navy, and acted in a bipartisan fashion to include my "12 Carrier Act" into the markup. I thank Chairman THORNBERRY and Subcommittee Chairman WITTMAN for their support on this measure, and I look forward to seeing this measure passed by the House as part of the FY18 National Defense Authorization Act.

IN RECOGNITION OF DAWN
WRIGHT

HON. WILLIAM R. KEATING

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 29, 2017

Mr. KEATING. Mr. Speaker, I rise today in recognition of Dawn Wright on the occasion of her retirement from the Federal Aviation Administration (FAA) after 36 years of honorable service.

Born to Robert and Nancy Warren, Dawn is the oldest of four children. Robert, a Marine officer for much of his life, served in multiple locations across the U.S. This gave Dawn and her siblings the opportunity to grow up in California, Virginia, North Carolina, and Hawaii.

Growing up in a military family, Dawn joined the United States Navy in July 1974 with the goal of becoming an air traffic controller. She quickly became a ground-controlled approach (GCA) controller at Naval Air Station Kingsville before transferring to Rota, Spain where she gained experience working in a control tower alongside Spanish controllers.

After leaving the Navy in 1979, Dawn was hired to work for the FAA in August 1981. Her first assignment was Bridgeport Tower in Stratford, Connecticut where she became a full-fledged air traffic controller for the FAA. There, she received a number of 'on the spot' awards and recognition for her outstanding work.

In 1986, Dawn moved to Massachusetts and worked at both Cape Terminal Radar Approach Control (TRACON) and Hyannis Air Traffic Control (ATCT), quickly climbing the ranks to a supervisory role by 1991. In 1994 Dawn decided to become an automations specialist where she learned computer programming, software, networking and operating systems. It was during this time that she received recognition for building a computer for Cape TRACON out of scrapped, non-working computers. She has since become a staff specialist and her responsibilities have included air traffic controller testing on Nantucket, teaching the Automated Radar Terminal Systems (ARTS) course to new air traffic controllers, ensuring quality assurance at the facility, and evaluations for multiple facilities including Boston ATCT and Providence ATCT.

Outside of work, Dawn is an accomplished rower, having been part of a crew team from 2001 to 2012 as a Masters rower. In her spare time she is an avid amateur ballroom dancer, rides motorcycles and pursues recording her family's genealogy. While her childhood was not spent in Massachusetts, she has since learned that she has historic ties to the Commonwealth. She is a descendent of Thomas

Mayhew, the first governor of Martha's Vineyard, and John Swain, one of the original proprietors of Nantucket Island.

Dawn will be celebrating her retirement on June 30th and will be dearly missed by all at Cape TRACON. With her retirement she plans to spend more time with her family, including her boyfriend, her parents, and her son Brian and his family.

Mr. Speaker, I am proud to honor Dawn Wright for her many years of steadfast service to public safety, the aviation industry, and our country. I ask that my colleagues join me in wishing her a happy retirement and many more years of health and happiness.

PERSONAL EXPLANATION

HON. CHRIS COLLINS

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 29, 2017

Mr. COLLINS of New York. Mr. Speaker, I missed one vote on June 28, 2017. Had I been present, I would have voted YEA on Roll Call No. 332.

CELEBRATING THE 30TH ANNIVERSARY OF TACO PALENQUE

HON. HENRY CUELLAR

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 29, 2017

Mr. CUELLAR. Mr. Speaker, I rise today to celebrate the 30th Anniversary of Taco Palenque.

Taco Palenque opened on July 1st, 1987, with the purpose of serving delicious and authentic Mexican cuisine. Over its thirty years of existence, it has served some of the best food in all of South Texas. Founded by Mr. Juan Francisco "Pancho" Ochoa in Laredo, TX, Taco Palenque has seen much success. With over 1,500 employees and 21 locations across Texas, including in San Antonio, Laredo, McAllen, and Mission, Taco Palenque has shown to be a top-quality restaurant chain.

Offering everything from traditional tacos to homemade menu, Taco Palenque never fails to provide excellent cuisine to Texans. The hard work and effort that is shown through Taco Palenque's cuisine speaks to the dedication of Mr. Ochoa, who always made sure to never serve any food that he does not personally like. This mindset has brought him many honors including The Chamber of Commerce's Laredo Businessman of the Year award. He has also been honored by the Texas legislature for his work and contributions to the restaurant industry.

His restaurants have also been recognized for their outstanding customer service which came through Mr. Ochoa's dedication to customer satisfaction. For Mr. Ochoa, no task is too small to preserve the famous taste of his restaurants. Regardless of the cost, customer satisfaction takes priority. This is one of the many reasons for Taco Palenque's ongoing success.

Taco Palenque is not just a thriving business but a family owned operation. From the outset, this organization would not have been possible without the help and expertise of

Pancho's family members. Mr. Ochoa's wife, Florida, was instrumental in helping to create some of Taco Palenque's most famous recipes. She worked tirelessly with Mr. Ochoa to perfect everything that is served. As the business expanded, his children took on several important roles in the business, including General Director of the company and manager of several different restaurants.

I would also like to note that Taco Palenque has supporters here in our nation's Capital. Over the last several years, my office has hosted "Laredo Day", a widely attended and bi-partisan reception that features the culture and cuisine of Laredo, TX. At this event we serve Taco Palenque which is often noted by our guests to be some of the best food that they have ever had. These guests include members of Congress, ambassadors, and cabinet officials. The food is so popular my office oftentimes has to limit the number of guests to the reception.

Taco Palenque does not limit itself to merely serving good food. Throughout Taco Palenque's existence, the restaurant has partnered with advocates and organizations that promote the well-being of the local community. As a sponsor of multiple youth sports teams and organizations, such as Mercy Ministries of Laredo, the Boys and Girls Club of Laredo, and the American Cancer Society Relay for Life, community is clearly important to this establishment.

Mr. Speaker, I am honored to have the opportunity to recognize the accomplishments of Taco Palenque, my dear friend Pancho Ochoa, and all his staff.

HONORING JUDGE EDWARD PHILMAN

HON. NEAL P. DUNN

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 29, 2017

Mr. DUNN. Mr. Speaker, I rise today to honor the legacy of Hearing Officer and Former Gilchrist County Court Judge Edward Philman, who passed away on May 17th.

Judge Philman was a pillar of the community and served the citizens of Gilchrist County as their County Court Judge for 24 years before his retirement in 2012. He then went on to work as a Senior Judge and as a Civil Traffic Hearing Officer for the Eighth Judicial Circuit of Florida.

His achievements were many during his lifetime. He served his country in the U.S. Army infantry and was a combat veteran in Vietnam. He was named the Gilchrist County Citizen of the Year in 1989. Judge Philman was an involved member of the Trenton Rotary Club and served as district governor from 2012 to 2013.

Judge Philman also instituted the Fifth-Grade Mock Trials in Gilchrist County. Since it began, the Mock Trials have taught hundreds of local students how the judicial system actually works.

Judge Philman earned his Juris Doctor from Mercer University in 1981 with honors and his Bachelor of Arts from the University of Florida in 1978. He also attended Lake City Community College and Lake City Forest Ranger School, after graduating Bell High School.

He has been quoted saying, "Let my life and the work I have done speak for me."

Mr. Speaker, Judge Philman's life and work have truly spoken to the character of the extraordinary man we lost last month. Please join me in honoring a man who dedicated his life to the letter of the law, the late Judge Edward Philman.

CONGRESSIONAL BUDGET OFFICE COST ESTIMATE

HON. BILL SHUSTER

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 29, 2017

Mr. SHUSTER. Mr. Speaker, in accordance with House Report 115-193, I include in the RECORD the following Congressional Budget Cost Estimate for H.R. 1684.

U.S. CONGRESS,
CONGRESSIONAL BUDGET OFFICE,
Washington, DC, June 27, 2017.

Hon. BILL SHUSTER,
Chairman, Committee on Transportation and Infrastructure, House of Representatives, Washington, DC.

DEAR MR. CHAIRMAN: The Congressional Budget Office has prepared the enclosed cost estimate for H.R. 1684, the Disaster Assistance Support for Communities and Homeowners Act of 2017.

If you wish further details on this estimate, we will be pleased to provide them. The CBO staff contact is Robert Reese.

Sincerely,

MARK P. HADLEY
(For Keith Hall, Director).

Enclosure.

H.R. 1684—DISASTER ASSISTANCE SUPPORT FOR COMMUNITIES AND HOMEOWNERS ACT OF 2017

As passed by the House of Representatives
on June 26, 2017

H.R. 1684 would require the Federal Emergency Management Agency (FEMA) to provide technical assistance to community, homeowner, and similar associations. FEMA would be required to help such associations take actions after a disaster that would make them eligible to receive reimbursement from entities that receive FEMA grants. This legislation also would require FEMA to submit a report to the Congress on expanding the areas of condominiums and housing cooperatives that are eligible for federal disaster relief.

Based on information provided by FEMA, about the cost to collect information necessary to complete the report, CBO estimates that implementing H.R. 1684 would cost \$1 million in 2018; such spending would be subject to the availability of appropriated funds.

Enacting H.R. 1684 would not affect direct spending or revenues; therefore, pay-as-you-go procedures do not apply. CBO estimates that enacting H.R. 1684 would not increase net direct spending or on-budget deficits in any of the four consecutive 10-year periods beginning in 2028.

H.R. 1684 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would impose no costs on state, local, or tribal governments.

The CBO staff contacts for this estimate are Meghan Shewsbury and Robert Reese. The estimate was approved by Theresa Gullo, Assistant Director for Budget Analysis.
