GENERAL LEAVE

Mr. LAHOOD. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days to revise and extend their remarks and include extraneous materials on the bill currently under consideration.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Illinois?

There was no objection.

Mr. LAHOOD. Mr. Speaker, I yield myself such time as I may consume.

The Saint Francis Dam disaster is considered one of the worst civil engineering catastrophes in the 20th century.

H.R. 2156, introduced by the gentleman from California (Mr. KNIGHT), my good friend, recognizes the incident's devastation and subsequent impacts on the residents of northern Los Angeles County by establishing a national memorial and monument to preserve the area for future generations.

The bill authorizes the Secretary of Agriculture to establish the memorial using donations from the community, working in consultation with the Santa Clarita City Council and the public. No taxpayer funds are authorized for the construction of the memorial.

The bill also authorizes the creation of a 440-acre monument that will encompass the Saint Francis Dam memorial. The boundaries of the monument were designated in consultation with the local community, and the bill includes provisions to ensure motorized access within the monument and continued grazing on any land where it is already permitted.

The memorial and the monument created by this legislation are a fitting tribute to the 400 people who lost their lives tragically and thousands more whose lives were forever changed by the Saint Francis Dam disaster.

Mr. Speaker, I urge adoption of the bill introduced by Mr. KNIGHT, and I reserve the balance of my time.

Mr. PANETTA. Mr. Speaker, I yield myself such time as I may consume.

In one of the worst civil engineering failures of the 20th century, the breach of the Saint Francis Dam, on March 12, 1928, tragically took the lives of over 400 Americans. To honor the memory of those who lost their lives on that fateful day, H.R. 2156 establishes a national memorial at the disaster site in California's Santa Clarita Valley. The memorial will provide a permanent place of remembrance and a place for healing.

In addition to the memorial, H.R. 2156 establishes the Saint Francis Dam National Monument on 440 acres of public land managed by the Forest Service. The national monument designation authorizes the U.S. Forest Service, in consultation with a range of stakeholders, to develop educational programs and improve the health of regional watersheds.

I want to thank Congresswoman JULIA BROWNLEY, as well as Congressman KNIGHT, along with the Santa Clarita Valley Historical Society, for bringing the legacy of the Saint Francis Dam disaster to the attention of Congress. As we have all heard: “Those who cannot remember the past are doomed to repeat it.”

This bill received strong support last Congress and was voted out of the House. This is a good bill, and I urge my colleagues to support its adoption.

Mr. Speaker, I reserve the balance of my time.

Mr. LAHOOD. Mr. Speaker, I yield such time as he may consume to the gentleman from California (Mr. KNIGHT), the author of the legislation.

Mr. KNIGHT. Mr. Speaker, this is something that is near and dear to my heart. This is something that has affected our community. It happened less than 20 miles from my house, almost 100 years ago, and today I rise in remembrance of the Saint Francis Dam and the bill I sponsored, which would establish a national memorial to honor those in this terrible tragedy.

The Saint Francis Dam failed on March 12, 1928, in the San Francisquito Canyon. Nearly 13 billion gallons of water crashed down upon the surrounding areas and, ultimately, traveled 54 miles down to the Pacific Ocean. The brute force of this floodwater claimed 437 lives, leaving in its wake unspeakable heartbreak and catastrophically impacted communities.

The Saint Francis Dam disaster was America's worst civil engineering failure of the 20th century. While the failure ultimately informed future dam construction and the development of new safety standards, these lessons were learned at a steep price. Many of the dams that were built after this were built because of the Saint Francis Dam issues, and they were built at a much different level.

This bill takes a small but significant step in memorializing the men, women, and children who lost their lives in this tragedy. Those individuals represent a solemn part of current-day Santa Clarita Valley's heritage, and I am humbled by this honor to commemorate their memory.

Mr. Speaker, I thank the chairman for his support of this bill, and I urge my colleagues to vote “yes.”

Mr. PANETTA. Mr. Speaker, I have no further speakers, and I yield back the balance of my time.

Mr. LAHOOD. Mr. Speaker, I urge adoption of this legislation, and I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Illinois (Mr. LAHOOD) that the House suspend the rules and pass the bill, H.R. 2156.

The question was taken; and (two-thirds being in the affirmative) the rules were suspended and the bill was passed.

A motion to reconsider was laid on the table.

LYTTON RANCHERIA HOMELANDS ACT OF 2017

Mr. LAHOOD. Mr. Speaker, I move to suspend the rules and pass the bill (H.R. 597) to take lands in Sonoma County, California, into trust as part of the reservation of the Lytton Rancheria of California, and for other purposes.

The Clerk read the title of the bill.

The text of the bill is as follows:

H.R. 597

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE.

This Act may be cited as the “Lytton Rancheria Homelands Act of 2017”.

SEC. 2. FINDINGS.

Congress finds the following:

(1) The Lytton Rancheria of California is a federally recognized Indian tribe that lost its homeland after it was unjustly and unlawfully terminated in 1958. The Tribe was restored to Federal recognition in 1991, but the conditions of its restoration have prevented it from regaining a homeland on its original lands.

(2) Congress needs to take action to reverse historic injustices that befell the Tribe and have prevented it from regaining a viable homeland for its people.

(3) Prior to European contact there were as many as 350,000 Indians living in what is now the State of California. By the turn of the 19th century, that number had been reduced to approximately 15,000 individuals, many of them homeless and living in scattered bands and communities.

(4) The Lytton Rancheria's original homeland was purchased by the United States in 1926 pursuant to congressional authority designed to remedy the unique tragedy that befell the Indians of California and provide them with reservations called Rancherias to be held in trust by the United States.

(5) After the Lytton Rancheria lands were purchased by the United States, the Tribe settled on the land and sustained itself for several decades by farming and ranching.

(6) By the mid-1950s, Federal Indian policy had shifted back towards a policy of terminating Indian tribes. In 1958, Congress enacted the Rancheria Act of 1958 (72 Stat. 619), which slated 41 Rancherias in California, including the Lytton Rancheria, for termination after certain conditions were met.

(7) On August 1, 1961, the Lytton Rancheria was terminated by the Federal Government. This termination was illegal because the conditions for termination under the Rancheria Act had never been met. After termination was implemented, the Tribe lost its lands and was left without any means of supporting itself.

(8) In 1987, the Tribe joined three other tribes in a lawsuit against the United States challenging the illegal termination of their Rancherias. A Stipulated Judgment in the case, *Scotts Valley Band of Pomo Indians of the Sugar Bowl Rancheria v. United States*, No. C-86-3660 (N.D.Cal. March 22, 1991), restored the Lytton Rancheria to its status as a federally recognized Indian tribe.

(9) The Stipulated Judgment agreed that the Lytton Rancheria would have the "individual and collective status and rights" which it had prior to its termination and expressly contemplated the acquisition of trust lands for the Lytton Rancheria.

(10) The Stipulated Judgment contains provisions, included at the request of the local county governments and neighboring landowners, that prohibit the Lytton Rancheria from exercising its full Federal rights on its original homeland in the Alexander Valley.

(11) In 2000, approximately 9.5 acres of land in San Pablo, California, was placed in trust status for the Lytton Rancheria for economic development purposes.

(12) The Tribe has since acquired, from willing sellers at fair market value, property in Sonoma County near the Tribe's historic Rancheria. This property, which the Tribe holds in fee status, is suitable for a new homeland for the Tribe.

(13) On a portion of the land to be taken into trust, which portion totals approximately 124.12 acres, the Tribe plans to build housing for its members and governmental and community facilities.

(14) A portion of the land to be taken into trust is being used for viticulture, and the Tribe intends to develop more of the lands to be taken into trust for viticulture. The Tribe's investment in the ongoing viticulture operation has reinvigorated the vineyards, which are producing high-quality wines. The Tribe is operating its vineyards on a sustainable basis and is working toward certification of sustainability.

(15) No gaming shall be conducted on the lands to be taken into trust by this Act.

(16) No gaming shall be conducted on any lands taken into trust on behalf of the Tribe in Sonoma County after the date of the enactment of this Act north of a line that runs in a cardinal east and west direction from the point where Highway Route 12 crosses Highway 101 as they are physically on the ground and used for transportation on January 1, 2016, and extending to the furthest extent of Sonoma County.

(17) Any agreement, now or in the future, regarding gaming restrictions between Sonoma County and the Tribe will be effective without further review by the Bureau of Indian Affairs.

(18) By directing that these lands be taken into trust, the United States will ensure that the Lytton Rancheria will finally have a permanently protected homeland on which they can once again live communally and plan for future generations. This action is necessary to fully restore the Tribe to the status it had before it was wrongfully terminated in 1961.

(19) The Tribe and County of Sonoma have entered into a Memorandum of Agreement in

which the County agrees to the lands in the County being taken into trust for the benefit of the Tribe in consideration for commitments made by the Tribe.

SEC. 3. DEFINITIONS.

For the purpose of this Act, the following definitions apply:

(1) COUNTY.—The term "County" means Sonoma County, California.

(2) SECRETARY.—The term "Secretary" means the Secretary of the Interior.

(3) TRIBE.—The term "Tribe" means the Lytton Rancheria of California.

SEC. 4. LANDS TO BE TAKEN INTO TRUST.

(a) IN GENERAL.—The land owned by the Tribe and generally depicted on the map titled "Lytton Fee Owned Property to be Taken into Trust" and dated May 1, 2015, is hereby taken into trust for the benefit of the Tribe, subject to valid existing rights, contracts, and management agreements related to easements and rights-of-way.

(b) LANDS TO BE MADE PART OF THE RESERVATION.—Lands taken into trust under subsection (a) shall be part of the Tribe's reservation and shall be administered in accordance with the laws and regulations generally applicable to property held in trust by the United States for an Indian tribe.

SEC. 5. GAMING.

(a) LANDS TAKEN INTO TRUST UNDER THIS ACT.—Lands taken into trust for the benefit of the Tribe under section 4 shall not be eligible for gaming under the Indian Gaming Regulatory Act (25 U.S.C. 2701 et seq.).

(b) OTHER LANDS TAKEN INTO TRUST.—

(1) TIME-LIMITED PROHIBITION.—Lands taken into trust for the benefit of the Tribe in Sonoma County after the date of the enactment of this Act shall not be eligible for gaming under the Indian Gaming Regulatory Act (25 U.S.C. 2710 et seq.) until after March 15, 2037.

(2) PERMANENT PROHIBITION.—Notwithstanding paragraph (1), lands located north of a line that runs in a cardinal east and west direction and is defined by California State Highway Route 12 as it crosses through Sonoma County at Highway 101 as they are physically on the ground and used for transportation on January 1, 2016, and extending to the furthest extent of Sonoma County shall not be eligible for gaming under the Indian Gaming Regulatory Act (25 U.S.C. 2710 et seq.).

SEC. 6. APPLICABILITY OF CERTAIN LAW.

Notwithstanding any other provision of law, the Memorandum of Agreement entered into by the Tribe and the County concerning taking land in the County into trust for the benefit of the Tribe, which was approved by the County Board of Supervisors on March 10, 2015, and any addenda and supplement thereto, is not subject to review or approval of the Secretary in order to be effective, including review or approval under section 2103 of the Revised Statutes (25 U.S.C. 81).

The SPEAKER pro tempore. Pursuant to the rule, the gentleman from Illinois (Mr. LAHOOD) and the gentleman from California (Mr. PANETTA) each will control 20 minutes.

The Chair recognizes the gentleman from Illinois.

GENERAL LEAVE

Mr. LAHOOD. Mr. Speaker, I ask unanimous consent that all Members have 5 legislative days to revise and extend their remarks and include extraneous materials on the bill currently under consideration.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Illinois?

There was no objection.

Mr. LAHOOD. Mr. Speaker, I yield myself such time as I may consume.

H.R. 597, sponsored by the gentleman from California (Mr. DENHAM), my colleague, would take into trust approximately 511 acres of land of noncontiguous fee land owned by the Lytton Rancheria. The land is adjacent to the town of Windsor, in Sonoma County, California. Under the bill, gaming under the Indian Gaming Regulatory Act is prohibited on these lands.

In 2009, the Tribe applied to the Department of the Interior to place title to approximately 127 acres of lands acquired in this area in trust. The application is still pending with the Department of the Interior.

The Tribe has testified that it intends to use a portion of the lands for Tribal housing, while the rest would support a diverse range of economic development, including plans for a future resort and winery.

I want to thank the sponsor of the legislation for his hard work on this bill, and I urge adoption of the measure.

Mr. Speaker, I reserve the balance of my time.

Mr. PANETTA. Mr. Speaker, I yield myself such time as I may consume.

Along with dozens of other California Tribes, the Lytton Band of Pomo Indians had its relationship with the Federal Government terminated in 1958. That resulted in the loss of its Federal status and all of its Tribal lands.

The Tribe's federally recognized status was eventually restored, but their reservation lands were not. As a result, with the exception of a small parcel of land that Congress provided for gaming in San Pablo, the Tribe has been left essentially landless and without a reservation since it was terminated.

This bill will take approximately 511 acres in Sonoma County into trust as part of the reservation of the Lytton Rancheria. By directing these lands into trust, the United States will ensure that the Lytton Rancheria will finally have a permanently protected homeland on which they can, once again, live communally and plan for future generations.

I commend Representative DENHAM, my neighbor to the east, for this bipartisan legislation, and I urge quick adoption of this legislation.

Mr. Speaker, I yield back the balance of my time.

Mr. LAHOOD. Mr. Speaker, I urge adoption of the legislation, and I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Illinois (Mr. LAHOOD) that the House suspend the rules and pass the bill, H.R. 597.

The question was taken; and (two-thirds being in the affirmative) the rules were suspended and the bill was passed.

A motion to reconsider was laid on the table.

The SPEAKER pro tempore. Pursuant to clause 12(a) of rule I, the Chair declares the House in recess until approximately 6:30 p.m. today.

Accordingly (at 5 o'clock and 29 minutes p.m.), the House stood in recess.

□ 1830
