

2018 Fulbright scholarship. I am proud to represent them in Congress.

FIX IT, DON'T NIX IT

(Mr. O'HALLERAN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. O'HALLERAN. Mr. Speaker, Arizonans I have spoken with are stressed and anxious as they watch politicians in Washington threaten to take away their health coverage.

While the Senate's misguided repeal and replace proposal has been defeated, we cannot rest. The newest repeal plan is irresponsible and will endanger the health and well-being of my constituents. It will send premiums and coverage costs skyrocketing and slash funding for rural and Tribal health clinics, forcing them to close.

There are 1.9 million Arizonans who rely on Medicaid and could be at risk of losing their coverage. Of those, more than 45,000 are Arizona veterans. More than 1 million Arizonans with pre-existing conditions would lose vital protections that ensure they have access to affordable coverage.

Mr. Speaker, these are our children, our loved ones, our families, and our friends. We cannot stand here and play politics with their health. We must work together to stabilize the insurance markets and develop a long-term solution that improves our healthcare system. We need to include the public in this discussion. We owe them a better plan.

I urge my colleagues on both sides of the aisle to fix it, not nix it.

MEDICARE FRAUD

(Mr. BILIRAKIS asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. BILIRAKIS. Mr. Speaker, I rise today to shed light on the issue of fraud and abuse in the Medicare program.

Medicare is absolutely critical for seniors in my district and across the country. Not only is Medicare fraud an affront to hardworking taxpayers, it hurts the millions of seniors who rely on the program.

Last week, the HHS inspector general announced the largest healthcare fraud takedown in history: 412 defendants were charged nationwide, including more than 80 cases in Florida, for Medicare fraud totaling about \$1.3 billion in losses. That is why I introduced much-needed legislation to strengthen penalties against those who commit fraud in the Medicare program.

The Medicare Civil and Criminal Penalties Update Act, H.R. 3245, cracks down on Medicare fraud and abuse by increasing civil and criminal fines. We must ensure the Medicare program is strong and sustainable for today's and tomorrow's beneficiaries.

LET'S FIX HEALTHCARE TOGETHER

(Mr. KILDEE asked and was given permission to address the House for 1 minute.)

Mr. KILDEE. Mr. Speaker, the Republican healthcare plan, TrumpCare, has fallen apart in the Senate, naturally.

After 7 months in office attempting to govern exclusively on their own, Republicans have shown once again that they can't govern. They control the House, the Senate, and the White House.

Repealing the Affordable Care Act is their primary goal and signature achievement. They can't do it. Why? Because the American people get in the way. They said "no," and enough Members of the Senate have responded to that.

But now the Republican plan looks like it is to simply repeal the Affordable Care Act with no replacement. It will take us back to a time where you could have an annual or lifetime cap and could not get insurance if you had a preexisting condition. Thirty-two million people would lose their healthcare coverage overnight.

That is the Republican plan?

We need to work together. We need to come together and fix the problems that we see and not make this such a partisan issue.

WELL-DESERVED HALL OF FAME INDUCTEE

(Mr. EMMER asked and was given permission to address the House for 1 minute.)

Mr. EMMER. Mr. Speaker, I rise today to congratulate my friend Chris Coborn on his recent induction into the Minnesota Business Hall of Fame.

Every year, Twin Cities Business honors successful businessmen and -women in Minnesota who have displayed strong leadership and a unique vision.

During his time as president and CEO of Coborn's, Chris Coborn has helped build this family business, which was established in 1921, to 54 full-service supermarkets across Minnesota and North Dakota, in addition to their 70 convenience and liquor stores.

Proving himself a true visionary, Chris expanded Coborn's even more when he obtained an online grocery delivery business. While, at the time, it was seen as a controversial move, Chris had the foresight to go where the market was going for his customers. Decisions like this are exactly why Chris has been selected to join the Minnesota Business Hall of Fame.

Chris Coborn is a business leader in Minnesota and beyond. He truly deserves this recognition and honor.

RETIREMENT OF CHIEF MASTER SERGEANT JOSEPHINE YENKE

(Ms. GABBARD asked and was given permission to address the House for 1 minute.)

Ms. GABBARD. Mr. Speaker, today I rise to recognize Chief Master Sergeant Josephine Yenke's retirement, after 28 years of honorable service to our Nation in the United States Air Force, Air Force Reserves, and Air National Guard, to her home in Hawaii.

Chief Yenke began her service in Hawaii with Headquarters Pacific Air Forces in 1998 and has contributed significantly, making a long-lasting impact on our troops, servicemembers, and country, including mobilizing support for deploying troops through our country's long period in conflict.

Chief Yenke recently retired as the headquarters individual reservist readiness and integration organization detachment two superintendent at Joint Base Pearl Harbor-Hickam, Hawaii, where she served as the key senior enlisted adviser, assisting the commander with managing and directing personnel resource activities for over 400 reservists.

Chief Yenke has given many years of her life in the service of our country and embodies the skills and expertise that our Reserve component servicemembers bring to our total force.

Our grateful Nation thanks Josephine for her and her family's service and sacrifice, and we wish her the very best as she begins this new chapter in her life.

HONORING THE MEMORY OF WEST VIRGINIA CIRCUIT COURT JUDGE JOHN YODER

(Mr. MOONEY of West Virginia asked and was given permission to address the House for 1 minute.)

Mr. MOONEY of West Virginia. Mr. Speaker, I rise today to honor the life and memory of West Virginia's Circuit Court Judge John Yoder, who passed away on June 7, 2017.

Judge Yoder served on the 23rd Judicial Circuit, which included Berkeley, Jefferson, and Morgan Counties in the eastern panhandle of the Second Congressional District, which I represent. He practiced law in Harpers Ferry, West Virginia, for 23 years.

Judge Yoder earned a bachelor of arts degree at Chapman University, and then studied law at the University of Kansas. He also obtained an MBA at the University of Chicago.

John Yoder was appointed by President Ronald Reagan in 1983 to serve as the director of the asset forfeiture office for the U.S. Department of Justice. He continued his distinguished career as a public servant, including two stints as a West Virginia State senator before being elected as circuit court judge.

Judge Yoder is one of the early pioneers of State drug courts and was well known for his big heart and compassion. I join all West Virginians in keeping Judge Yoder's family and friends in our prayers. He will truly be missed.
