

RECOGNIZING BARBARA CLELAND

HON. MIKE COFFMAN

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 19, 2017

Mr. COFFMAN. Mr. Speaker, I rise today to express my gratitude for Barbara Cleland, the Aurora City Councilwoman at-large, for her extraordinary work and dedication to the city of Aurora for the past three decades. Her leadership has contributed to many of Aurora's most successful programs and initiatives.

Barb Cleland has made the decision to retire from politics so that she may spend more time with her family and five grand-children. Her tenure in local politics was one that brought positive change and development to a city that has experienced great growth since she was first elected.

Throughout her tenure, Councilwoman Cleland has sought to advance this city to its greatest potential. From relocating the University of Colorado Health Center, to putting stop signs on a street, her work is as meticulous as it is beneficial to the community around her. Despite retiring from the City Council, she will continue serving on the board for the Aurora Housing Authority, the Colorado State Housing Board, and as the Legislative and Community Relations director at Aurora Mental Health. Her focus on Public Safety, Courts, and Civil Service during her decades of dedicated service on the City Council for the City of Aurora reveals her commitment to her constituents and to their well-being.

Barb Cleland has enhanced the quality of life for every citizen in the City of Aurora. Her leadership during the last 28 years have made the City of Aurora the great place it is today.

Mr. Speaker, a great nation cannot exist without great representatives in local government. I believe that Ms. Barbara Cleland is among the very best and I am very grateful for her unyielding dedication to public service.

INTRODUCTION OF HOUSE RESOLUTION SUPPORTING THE DEVELOPMENT OF PROGRAMS THAT PREPARE STUDENTS FOR CAREERS IN CYBERSECURITY

HON. J. LUIS CORREA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 19, 2017

Mr. CORREA. Mr. Speaker, today, I am introducing a House Resolution supporting the development of programs that prepare students for careers in cybersecurity.

As a Member of the Committee on Homeland Security, I have come to understand that we need to invest in our nation's students to make sure our country is prepared to combat the cyber challenges of the 21st century. It is critical that the United States develop cybersecurity programs that allow students to keep up with the demands of rapidly evolving technology and to address the risks associated with cyber threats.

The United States faces a critical shortage of trained cybersecurity professionals, a shortage that includes an estimated 10,000 cybersecurity employment openings in the Federal Government alone. This number is likely to

grow to as many as one million unfilled positions throughout the United States by 2019. Educating and training our students is vital to bolster the cyber capabilities of our government, military, and private sector.

By encouraging students to develop cyber skills, we can begin to work towards building robust cybersecurity education. It is well known that early exposure to skills such as computer programming and ethical hacking increases accessibility to higher education and can encourage students to pursue a career in cybersecurity.

Over the years, the United States has become a target of a growing number of malicious cyber attacks, including large-scale breaches that compromise the personal identities and personal information of millions of Americans. These cyber threats pose a significant risk to the protection of our critical infrastructure, privacy, and national security.

It is essential that our country continues to support the development of cybersecurity education programs to ensure the United States is protected from cyber attacks. Our students are the key to the future, and we must do everything we can to make sure they are equipped with the skills necessary to combat the cyber challenges of the 21st century.

H.R. 2810, THE NATIONAL DEFENSE AUTHORIZATION ACT FOR FISCAL YEAR 2018

HON. PETER A. DeFAZIO

OF OREGON

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 19, 2017

Mr. DeFAZIO. Mr. Speaker, last Friday, I voted against H.R. 2810, the National Defense Authorization Act for Fiscal Year (FY) 2018.

The legislation includes several provisions that I strongly support, including giving servicemen and women a well-deserved raise of 2.4 percent. Those who serve in uniform have made extraordinary sacrifices for our country and have earned and deserve a pay raise. It also includes funding for Ukraine and Eastern Europe security initiatives to counter Russia's heightened military provocations and annexation of Crimea.

Despite these important initiatives, I have strong concerns with H.R. 2810. This legisla-

tion authorizes more than \$688.3 billion, which is \$70.4 billion more than the FY 2017 authorized level and \$28.5 billion more than the president's request. This includes \$74.6 billion to the Overseas Contingency Operations (OCO) fund, an account which is not counted in the budget and is not paid for. It adds to the deficit and is used as a slush fund by the Pentagon.

Unlike every other federal agency, the Department of Defense (DOD) refuses to complete a financial audit so taxpayers know how the biggest bureaucracy in the federal government spends their money. In fact, a shocking report released last December exposed \$125 billion in administrative waste that the Pentagon tried to bury from being viewed by the public.

I refuse to support increased bureaucratic waste at the expense of American taxpayers and our men and women in uniform. A more accountable and transparent department would ensure taxpayer dollars are directed towards the needs of our troops and the benefits they deserve, rather than buying unnecessary weapon systems, sustaining a Cold War era military force, and giving the president a blank check to fund wars Congress hasn't authorized.

I have always advocated for maintaining Congress's constitutionally-confirmed prerogative to declare war under the War Powers Act and limiting the President's authority to engage in armed conflict without the consent of Congress. I strongly oppose the NDAA's continued authorization of spending for wars that are not congressionally approved. The Pentagon uses the 2001 Authorization of Use of Military Force (AUMF) to continue to justify the 16 years our troops have been fighting in the Middle East. In his short time in office, President Trump has already sent troops to Iraq, Syria and elsewhere without seeking a new Authorization of Use of Military Force (AUMF), a violation of the War Powers Act.

Additionally, the bill prohibits the closing of Guantanamo Bay, which costs more than \$100 million each year to house 41 prisoners and has been used as a top recruiting tool by terrorists. Frankly, the prison at Guantanamo Bay has been a black eye for the United States, has eroded relationships with our allies, undermined U.S. missions abroad, and put U.S. citizens and our troops at risk of retaliation.

Congress can make responsible cuts to our defense budget without jeopardizing the safety of our troops or undermining our national security. Fiscal responsibility and accountability at the Pentagon would allow for funds to be better spent supporting the basic needs of our troops, meeting our obligations to veterans of past wars, and ensuring our true defense needs are prioritized.

RECOGNIZING THE LIFE OF
LOUISE LITTLE

HON. DOUG COLLINS

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 19, 2017

Mr. COLLINS of Georgia. Mr. Speaker, I rise today to recognize the life of Louise Little, a native of Morganton who passed away on June 30.

Louise was born and raised in our home of northeast Georgia. After graduating from Sacred Heart College, she moved back to the area to care for her friends and loved ones as a lab technician at the Rockford Clinic.

With a passion for service, Louise used her time away from work to immerse herself in her community. She was actively involved in the Lions Club, where she received numerous awards for her dedication and selflessness towards others.

On the political front, Louise was a leader who encouraged women to get more involved in politics. Her commitment to women earned her the position of president at her local chapter of the National Federation of Republican Women.

Between that and her work with the local Republican party, she encouraged others to speak out and share their ideas. She believed that every voice matters and that every individual has the power to make a difference.

Mr. Speaker, northeast Georgia is grateful for Louise Little. This woman lived a life committed to helping others. She was determined to make her community and country a better place for everyone.

While I'm sad to see the story of such an outstanding woman come to a close, I am thankful that Mrs. Little's legacy will carry on among her neighbors.

HONORING THE LIFE OF MARION
WALSINGHAM

HON. NEAL P. DUNN

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 19, 2017

Mr. DUNN. Mr. Speaker, I rise today to honor the memory of Marion Walsingham, a pillar of the Bay County, Florida community who recently passed away at the age of 94.

Marion and her husband, Alvin, opened "Alvin's 5 and Dime" in St. Andrews in 1950. The store later became "Alvin's Island Stores," with locations on Panama City Beach, Destin, Fort Walton, Pensacola Beach, Orange Beach, Alabama, and Gulf Shores, Alabama.

Marion was an active member of St. Andrew United Methodist Church, the founding member of the Panama City Beach Women's Club, and a member of the first Library Committee to bring a Public Library to Panama City Beach. She was instrumental in starting the first Chapter of the Order of the Eastern Star in Panama City Beach, working her way through the leadership within the Chapter, and eventually serving as the Chairman of the Cancer Fund from 2009 to 2010.

Aside from her work in the community, Marion enjoyed spending time traveling with her grandchildren and supporting her great-grandchildren at local events.

Mr. Speaker, please join me in honoring a life well-lived. Marion Walsingham dedicated her life to the Bay County community and we will forever be grateful.

INTRODUCTION OF THE
BIKESHARE TRANSIT ACT OF 2017

HON. EARL BLUMENAUER

OF OREGON

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 19, 2017

Mr. BLUMENAUER. Mr. Speaker, America is in the middle of a bikeshare revolution. More than 100 communities have bikeshare systems, supporting a network of 4,800 stations and over 42,000 bikes. Since 2010, riders have taken more than 88 million trips, with the number of trips and systems increasing each year.

Today, my community is celebrating the one-year anniversary of its BIKETOWN bikeshare launch. In the last year, more than 75,000 Portlanders and visitors have taken hundreds of thousands of trips, covering more than half a million miles and removing untold numbers of automobiles from city streets. The system's success has already led to its expansion, giving more communities access to efficient, carbon-free transportation.

The increased commercial investment around bikeshare stations and networks is driving economic development across the country. Systems are opening in communities of all sizes from Los Angeles and Cleveland to Topeka and Birmingham. While some existing bikeshare programs received federal dollars to develop their systems, the lack of an established funding source has proved an impediment to many other projects. Since the term "bikeshare" is not defined in U.S. code or described by law as a form of transit, existing bikeshare systems and departments of transportation are forced to operate in a gray area, creating challenges for funding, maintaining, and administering these programs.

Today, I am introducing the Bikeshare Transit Act, legislation that will eliminate this gray area by defining bikeshare in statute and making bikeshare systems eligible to receive funding to enhance related public transportation service or transit facilities. The bill allows federal funding to be used for acquiring or replacing bikeshare-related equipment and constructing bikeshare facilities. Bikeshare systems will also be listed as eligible projects under the Congestion Mitigation and Air Quality (CMAQ) Improvement Program.

The Bikeshare Transit Act will remove significant barriers facing new and existing bikeshare projects applying for federal funding while underscoring that bikeshare programs drive economic development and are an important part of bringing choice and adding value to America's transportation system.

RECOGNIZING THE ACHIEVEMENTS
OF RACHEL HECK

HON. STEVE COHEN

OF TENNESSEE

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 19, 2017

Mr. COHEN. Mr. Speaker, I rise today to recognize Rachel Heck who made Memphis proud over the weekend at the U.S. Women's Golf Open. At 15 years of age, Rachel was the youngest player in the 2017 U.S. Women's Open field.

Rachel Heck is a sophomore at St. Agnes Academy with a stellar 4.7 GPA and has already committed to attend Stanford University. She was selected to be the USA Today high school golfer of the year and The Commercial Appeal's High School Golfer of the Year. Rachel qualified for the U.S. Women's Open on her first attempt, taking one of two spots in the Braselton, Ga., sectional qualifier.

Last September, Rachel won the TSSAA Division II-AA girls state title. In June, she won the 2017 Rolex Girls Junior Championship. She's No. 3 in the Golfweek/Sagarin Junior Rankings and is ranked second by the American Junior Golf Association.

Rachel Heck finished her first appearance at the U.S. Women's Open at 2-over-290. Overall, Rachel posted rounds of 72-74-72-72 while battling difficult conditions throughout, including heavy rains on Thursday and Friday. She finished 33rd in a six-way tie and placed 3rd amongst amateurs.

Rachel Heck is one of the greatest, if not the greatest, Memphis golfers ever. Dr. Carey Middlecoff (born in Hall, TN) won the U.S. Open Championship in 1949 and the Masters Tournament in 1955 and Shaun Micheel (born in Orlando, FL) won the PGA Championship in 2003, but Rachel is a native, born and raised in Memphis.

I joined thousands of Memphians watching Rachel, who had one of the best human interest stories of the tournament. I wish her the
