COMMEMORATING 200TH ANNIVERSARY OF ERIE CANAL

(Ms. TENNEY asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. TENNEY. Mr. Speaker, I rise today to commemorate the 200th anniversary of the Erie Canal. Construction first began in 1817 in Rome, New York, with the first completed portion connecting two cities in the 22nd Congressional District, Rome and Utica.

The Erie Canal was transformative in establishing New York as the Empire State. The canal opened the interior of our Nation, allowing westward expansion and the free flow of goods. With a drastic 90 percent reduction in shipping costs, the canal established our region as a hub of economic activity in the early 20th century and made New York the busiest port in the entire Nation.

In addition to the vast economic impact, the Erie Canal had an important cultural effect. Nearly 80 percent of upstate New York's population lives

within 25 miles of the canal. From Albany to Buffalo, today, the Erie Canal is designated as a National Heritage Area, continuing its rich legacy.

This Saturday, a first dig celebration in Rome, New York, will recognize this historic and monumental achievement in both New York's and our Nation's history.

In the words of the famous Erie Canal song: “You'll always know your neighbor, and you'll always know your pal, if you've ever navigated on the Erie Canal.”

HOMELESSNESS

(Mr. LANGEVIN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. LANGEVIN. Mr. Speaker, today, homeless advocates from Rhode Island, including from Crossroads Rhode Island and from Rhode Island Housing, came to visit my office.

Mr. Speaker, it is difficult to express in words how important their work is. These groups take care of the least among us. They provide shelter for the working poor and those affected by the opioid crisis, and they assist those not working because of age, infirmity, or disability. They help keep lives together. They help keep families together.

Mr. Speaker, we must continue to provide strong funding for these programs in our appropriations bills. We still have not fully emerged from the financial crisis and people are still trying to make ends meet. Foster youth are particularly vulnerable, with as many as 40 percent who age out of the system becoming homeless.

Mr. Speaker, social services organizations and nonprofits can only do so much on their own. They need support to keep our vulnerable brothers and sisters from falling off a cliff. We can do better and we deserve to support them.

RECOGNIZING THE PADUCAH AREA CHAMBER OF COMMERCE

(Mr. COMER asked and was given permission to address the House for 1 minute.)

Mr. COMER. Mr. Speaker, I rise today to recognize the Paducah Area Chamber of Commerce for their designation as the 2017 Chamber of the Year by the Association of Chamber of Commerce Executives. This national honor was awarded at the ACCE National Convention in Nashville, Tennessee, on July 18.

This is the second win for the Paducah Area Chamber of Commerce in the last 6 years, and is national recognition of the area's national business leaders whose community contributions are unparalleled. Ranking among the top 10 percent of Chambers nationwide, their mission of promotion, advocacy, and education develops well-
