The SPEAKER pro tempore. Pursuant to the rule, the gentleman from Tennessee (Mr. ROE) and the gentleman from Minnesota (Mr. WALZ) each will control 20 minutes.

The Chair recognizes the gentleman from Tennessee.

GENERAL LEAVE

Mr. ROE of Tennessee. Mr. Speaker, I ask unanimous consent that all Members have 5 legislative days in which to revise and extend their remarks and include additional material.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Tennessee?

There was no objection.

Mr. ROE of Tennessee. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I rise today in support of the Secretary to personally approve of a reassignment of VA's approximately 350 SES employees. It would also require VA to report to Congress identifying those employees who are reassigned and the cost associated with the reassignment.

I thank Representative TAYLOR for his thoughtful legislation. And with that, Mr. Speaker, I urge all of my colleagues to join me in supporting H.R. 2772.

Mr. WALZ. Mr. Speaker, I reserve the balance of my time.

Mr. WALZ. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker. I rise in support of H.R. 2772, the VA Senior Executive Accountability Act. Mr. Speaker, this is a commonsense bill that has received bipartisan support as it moved through regular order of our committee.

This bill requires that any reassignment of a senior executive at the VA have the Secretary's written approval. It also requires an annual report to Congress to help us in our oversight ability.

I have dealt with this issue myself in Minnesota and know firsthand how important this is.

Mr. Speaker, I would like to thank Mr. TAYLOR and our vice ranking member, Mr. TAKANO, for developing this legislation. I support and encourage Members to join in its support.

Mr. Speaker. I reserve the balance of my time.

Mr. ROE of Tennessee. Mr. Speaker, I yield 2 minutes to the gentleman from Virginia (Mr. TAYLOR), the author of this bill and a Navy SEAL.

Mr. TAYLOR. Mr. Speaker, I rise in support of my bill, H.R. 2772, the VA Senior Executive Accountability Act.

This bipartisan bill brings transparency and accountability to senior VA leadership.

Mr. Speaker, my area has the fastest growing veterans population in the Nation. Our OIF, our OEF, and our women's veterans population is rapidly growing.

Recently, our main VA hospital was rated at a one-star out of a five-star rating. In making a change, the VA simply swapped out the underperforming leadership with another VA hospital.

This, Mr. Speaker, is unacceptable.

My bill would require the VA to issue reports on any reassignment of VA leadership and how much the cost is. Additionally, the Secretary of the VA would have to personally sign off on the reassignment.

Mr. Speaker, veterans need to trust that they are getting the best care possible. They need to trust that they will have transparency. They need to trust that there will be accountability.

I want to thank the chairman, the ranking member, and all those on the committee for their work, their dedication, and their commitment to upholding our sacred responsibility of care for those who upheld their own sacred responsibility to our Nation.

Mr. WALZ. Mr. Speaker, I have no further speakers, and I am prepared to close at this time.

Mr. Speaker, again, commonsense bill, bipartisan, does the right thing, and, as the gentleman so clearly expressed, providing that trust to our veterans is absolutely critical. I believe this will do that. I urge my colleagues to support passage of H.R. 2772.

Mr. Speaker, I yield back the balance of my time.

Mr. ROE of Tennessee. Mr. Speaker, once again, I encourage all Members to support this legislation.

Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Tennessee (Mr. ROE) that the House suspend the rules and pass the bill, H.R. 2772, as amended.

The question was taken; and (two-thirds being in the affirmative) the rules were suspended and the bill, as amended, was passed.

A motion to reconsider was laid on the table.

GROW OUR OWN DIRECTIVE: PHYSICIAN ASSISTANT EMPLOYMENT AND EDUCATION ACT OF 2017

Mr. ROE of Tennessee. Mr. Speaker, I move to suspend the rules and pass the bill (H.R. 3262) to require the Secretary of Veterans Affairs to carry out a pilot program to provide educational assistance to certain former members of the Armed Forces for education and training as physician assistants of the Department of Veterans Affairs, to establish pay grades and require competitive pay for physician assistants of the Department, and for other purposes, as amended.

The SPEAKER pro tempore. Pursuant to the rule, the gentleman from Tennessee (Mr. ROE) and the gentleman from Minnesota (Mr. WALZ) each will control 20 minutes.

The Chair recognizes the gentleman from Tennessee.

Mr. ROE of Tennessee. Mr. Speaker, I ask unanimous consent that all Members have 5 legislative days in which to revise and extend their remarks and include extraneous material.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Tennessee?

There was no objection.

Mr. ROE of Tennessee. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I rise today in support of H.R. 3262, as amended, the Grow Our Own Directive—or GOOD—Physician Assistant Employment and Education Act of 2017.

The PA profession has a long and storied connection with veterans as the first class of PAs was primarily composed of Army medics and Navy corpsmen who served in the Vietnam war. And I might add, when I did basic training at San Antonio, Texas, at Fort Sam, one of the first PA classes was there.

Today, the Department of Veterans Affairs is the single largest employer of PAs in the country. Nevertheless, PAs are consistently identified as one of the top five professions where VA is experiencing the largest staff shortages.

H.R. 3262, as amended, would help solve that by creating a pilot program to provide assistance to veterans who want to pursue education and training to become a PA and to serve their fellow veterans by working at VA medical facilities.

I am grateful to Congresswoman ANN KUSTER for sponsoring this legislation and shepherding it through the legislative process, and I am confident that it will go a long way in resolving existing PA recruitment and retention issues, ensuring that VA medical facilities are appropriately staffed with high-quality PAs and, in turn, increasing access to care for veteran patients.

Mr. Speaker, I urge all of my colleagues to join me in supporting H.R. 3262, as amended, and I reserve the balance of my time.

Mr. WALZ. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I, too, rise in support of H.R. 3262, as amended, the GOOD Act of 2017, which was introduced by a good friend, someone who has proven herself to be a dogged champion of veterans, the ranking member of the Oversight and Investigations Subcommittee, Ms. KUSTER. This important piece of legislation will allow veterans who served as medics and corpsmen in the military to receive scholarships to train as physician assistants.

The VA has over 45,000 provider vacancies to fill so that veterans are not waiting too long for care. In the United States, we face a provider shortage in general, especially in our rural communities, where most veterans live. This bill will help address these critical shortages by providing veterans with an incredible opportunity to aid their communities and their fellow veterans.

Ms. KUSTER’s hard work on this legislation and on behalf of veterans is admirable, and I urge my colleagues to support this bill.

Mr. Speaker, I reserve the balance of my time.

Ms. KUSTER of New Hampshire. Mr. Speaker, it is my privilege to yield 2 minutes to the gentleman from Michigan (Mr. BERGMAN), who is the chairman of the Subcommittee on Oversight and Investigations on the full Veterans’ Affairs Committee.

Mr. BERGMAN. Mr. Speaker, for years, the Department of Veterans Affairs has seen many of its medical personnel leave to pursue opportunities outside of the VA health care system, resulting in fewer healthcare providers and, ultimately, less access to care for our veterans. In the First District of Michigan, which I represent, we are largely a rural district, and our district veterans have suffered more than most on this.

The GOOD Act utilizes a two-pronged approach to address VA’s continuing struggles in recruiting and retaining their physician assistant workforce. This bill creates a pilot program to provide that pathway for veterans to receive the education necessary to become a PA while, simultaneously, requiring the VA to establish a national strategic plan to recruit and retain a robust and long-term medical staff.

Our veterans have given so much for our country at exceptional costs, and they deserve access to timely and high-quality healthcare from skilled professionals. I am proud to join Ranking Member KUSTER from our Oversight and Investigations Subcommittee in supporting this bipartisan legislation on behalf of our Nation’s veterans.

Mr. Speaker, I urge all of my colleagues to support the bill, H.R. 3262.

Ms. KUSTER. Mr. Speaker, I rise to join my colleague, General BERGMAN, in support of our bill, H.R. 3262, the Grow Our Own Directive: Physician Assistant Employment and Education Act of 2017. The Department of Veterans Affairs and the entire Nation are experiencing a shortage of quality physicians and healthcare providers. For doctors
The final provision in my bill was included in the Choice funding bill we debated last year. The VA chose to provide PA scholarships in order to address the critical shortage of Primary Care Physician Assistants (PCPAs). This bill would also help veterans with medical training in the workforce and with good-paying jobs. It is crucial that we help our veterans find excellent career paths that utilize the skills they learned while in the military service, and it is an added bonus that these veterans get to take care of their brothers and sisters in arms.
