IN THE COMMITTEE OF THE WHOLE

Accordingly, the House resolved itself into the Committee of the Whole House on the state of the Union for the consideration of the bill (H.R. 3354) making appropriations for the Department of the Interior, environment, and related agencies for the fiscal year ending September 30, 2018, and for other purposes, with Mr. COLLINS of New York in the chair.

The Clerk read the title of the bill.

The CHAIR. Pursuant to the rule, the bill is considered read the first time.

The gentleman from New Jersey (Mr. FRELINGHUYSEN) and the gentlewoman from New York (Mrs. LOWEY) each will control 1 hour.

The Chair recognizes the gentleman from New Jersey.

Mr. FRELINGHUYSEN. Mr. Chair, I yield myself such time as I may consume.

Mr. Chair, I rise today to present H.R. 3354, the Make America Secure and Prosperous Appropriations Act. This legislation moves Congress one step closer to completing its critical work on our fiscal year 2018 appropriations bills ahead of the end of the fiscal year on September 30.

Our bill respects the American people, their priorities for our Nation, and their hard-earned tax dollars, and it will help move our great country forward to a more stable and prosperous future.

This funding, totaling \$1.2 trillion, supports important domestic and international programs that keep our people safe and help our economy grow and thrive, protects us from terrorists and those who want to do us harm, and assures that America has a critical role across the globe both militarily and diplomatically.

Most importantly, this bill continues the work started with the national security funding package that passed the House in July, the Make America Secure Appropriations Act, and it prioritizes the safety of the American people, targeting funding towards critical law enforcement programs, securing our borders and our cyber networks, fighting terrorism, combating opioid abuse, and stemming the flow of illegal drugs and goods.

Other funds are directed to programs that provide the greatest national benefit, including those that keep our food and drug supplies safe, that support public health preparedness, fight devastating wildfires, invest in critical infrastructure, and otherwise protect and support our economy and economic freedom.

All of these investments are made responsibly. In each of our bills within this package, we have found savings, gotten rid of waste, fraud, and duplication, and increased oversight to ensure that no taxpayer dollar is misspent, but we still have more work to do. This is the next step in the process, but it is not the end.

We must also address new needs arising from terrible flooding and damage
