

held the school record in the 4X100 meter for six years. CPT Miller graduated from high school in 1988. In 1993, CPT Miller graduated from Virginia Military Institute where he earned a bachelor's degree in electrical engineering. He was commissioned Second Lieutenant upon graduation and was transferred to the Michigan Army National Guard. In January 2005, CPT Miller volunteered with the 1–155th Infantry Regiment, McComb, Mississippi in order to deploy to Iraq. At the time of his deployment, CPT Miller was employed as an electrical engineer for Yazaki North America, Inc.

CPT Miller's father, Lowell Thomas, wrote about his son's death on a memorial website. "It was a night mission that they said was too dangerous for American soldiers and they called on the group of Iraqi soldiers he had been training for six weeks," Mr Miller wrote. "He didn't want them to go alone, so he went with them. He was a soldier's soldier. He always took care of his men and never gave a thought for his own safety."

CPT Miller was remembered by a fellow soldier on a memorial website. "My brother in arms, you were more than just an officer, more than just a soldier, and more than just a leader," Specialist (SPC) Rickland L. Scholz, II wrote. "You were a true friend. I will never forget the missions we had been on together nor the long conversations and sound advice that you have given me. You will never be forgotten and I will always remember the time in Egypt that we were able to have long discussions. Rest in peace now, my fallen brother."

During the funeral service, at the Swartz Funeral Home in Flint, Michigan, Eric Leszczynski, CPT Miller's supervisor at Yazaki North America, Inc., said he was a man who knew how to get his coworkers motivated. "If you gave him something to do, it would get done," Leszczynski said.

In September 2005, family and friends attended the burial service at the Arlington National Cemetery Columbarium Complex in Arlington, Virginia. During the service, an honor guard held an American flag over the urn containing CPT Miller's ashes. A folded flag was presented to his wife, Angela.

CPT Miller is survived by his wife, Angela; his daughters, Danielle and Alexandra; his siblings, Patrick and Jennie; and his parents, Lowell and Linda Miller.

CPT Miller's commitment to protect America earned him the Bronze Star medal, the Purple Heart medal, the National Defense Service medal, and the Armed Forces Expeditionary medal. His sacrifice will not be forgotten.

HONORING DR. KENNETH K. LEE

HON. F. JAMES SENSENBRENNER, JR.

OF WISCONSIN

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 7, 2017

Mr. SENSENBRENNER. Mr. Speaker, I rise today to honor Dr. Kenneth K. Lee, a combat-injured Operation Iraqi Freedom and Army veteran, who has been named by Disabled American Veterans (DAV) as its 2017 Outstanding Disabled Veteran of the Year.

Dr. Lee, who deployed as the commander of the Army's Company B, 118th Area Support Medical Battalion, was injured in November 2004 by a suicide car bomber in Iraq. The ex-

plosion resulted in an open head traumatic brain injury and severe shrapnel wounds to his legs, leading to his evacuation back to the states, where he would later be diagnosed with post-traumatic stress disorder.

While recovering from his injuries, Dr. Lee, a rehabilitation specialist, saw how long and difficult recovery could be, often leaving lasting changes. Dr. Lee, who resides in Brookfield, Wisconsin, is a volunteer physician at the National Disabled Veterans Winter Sports Clinic, which the Department of Veterans Affairs and DAV co-host, so he was no stranger to using adaptive sports as therapy. Through his own recovery, Dr. Lee propelled himself into the world of adaptive sports to help him deal with the psychological and physiological effects that can often times cause an individual to hit bottom.

Within a year of Dr. Lee's retirement in 2013, he formed the Milwaukee Wheelchair Lacrosse team and is now the president of the Wisconsin Adaptive Sports Association, which runs numerous adaptive sports programs.

On July 29, 2017, DAV National Commander David W. Riley presented Dr. Lee with the Outstanding Disabled Veteran of the Year award at the organization's 96th National Convention.

In his statement, Riley praised Dr. Lee as a shining example of everything that is good about our nation and its veterans. He noted that the compassion Dr. Lee shows for other veterans and his work to help them find success is truly the hallmark of the award, and DAV is very proud of what he's doing for this community. Given the importance and therapeutic effectiveness of adaptive sports, it is vital to have experienced leaders like Dr. Lee involved and carving out a path forward.

Despite his injuries and the constant pain in his lower extremities, Dr. Lee speaks with gratitude about his time in the Army. He will tell you that he got a lot more from the Guard than he put into it, and that he joined the military with his eyes wide open and has no regrets.

Dr. Lee and his wife Kate currently live in Brookfield with their two children. In 2014, his daughter Leah earned a \$10,000 scholarship by volunteering for the DAV at the Milwaukee VA Medical Center. On the same day that Dr. Lee was honored as DAV's Outstanding Disabled Veteran of the Year, his son Jonathan earned the charity's largest scholarship of \$20,000, and was honored the same morning. They both hope ultimately to serve veterans as physicians through the VA.

HON. KEN BUCK

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 7, 2017

Mr. BUCK. Mr. Speaker, I rise today to recognize the service and sacrifice made by Marine Corporal David Sonka.

Corporal David Sonka was a devoted son, husband, and Marine. He grew up in Parker, Colorado and knew at a young age he wanted to serve his country. Corporal Sonka enlisted in the United States Marine Corps immediately following his high school graduation in 2008.

He completed Military Police school, K9 School, and in 2012 was selected to become a dog handler for the Marine Special Operations Command (MARSOC) at Camp Lejeune, North Carolina where he was paired with his faithful canine companion, Flex.

On March 31, 2013, Corporal Sonka and Flex were deployed with Marine Special Operations Team 8223 to Farah Province, Afghanistan. While on watch during a meeting between Afghan military personnel and Marine Special Operations Forces on May 4, 2013, an Afghan soldier opened fire and fatally injured both Corporal Sonka and Flex. Corporal Sonka has since been recognized for his bravery and sacrifice. He received a Combat Action Ribbon, the Marine Corps Good Conduct Medal, the Marine Corps Achievement Medal, and the Purple Heart. Additionally, the town of Parker, Colorado named their dog park after Corporal Sonka as did the MARSOC K9 Training Facility in Camp Lejeune.

Our nation owes no greater debt of gratitude than the one we owe our veterans. It is the heroic bravery and incredible sacrifices made by individuals like Corporal Sonka that have helped secure the freedoms that we as Americans hold dear. On behalf of the 4th Congressional District of Colorado, I extend my deepest gratitude to Corporal Sonka for his service and sacrifice for our nation.

Mr. Speaker, it is an honor to recognize Marine Corporal David Sonka for his sacrifice in defending the United States of America.
