

Officer Joseph DelSole of the Port Authority Police Department heard radio calls regarding an active shooter in a stolen vehicle in the Knoxville Area. Based on Sergeant Faulds' report on his location, Officer DelSole, working the South Zone of the Port Authority service area, proceeded from the South Busway and took up a firing position on Route 51.

At the same time, City of Pittsburgh Police Sergeant James Vogel stopped traffic on Route 51, trapping the suspect in the traffic jam. Then, Sergeant Vogel made his way on foot through the stopped vehicles and confronted the suspect, who was still sitting in the stolen car. The suspect fired at him using the semi-automatic rifle.

City of Pittsburgh Detectives William Friburger and David Honick, along with City of Pittsburgh Sergeant Anthony Palermo approached the suspect's vehicle on foot. Officer DelSole, Sergeant Vogel, Detectives Friburger and Honick, and Sergeant Palermo fired at the vehicle in order to neutralize the suspect, who was firing at them. The officers and suspect continued to exchange shots from close range until the suspect was hit and succumbed to his injuries.

Mr. Speaker, I think we can all appreciate the courage and dedication it takes to consciously place oneself in danger by entering a hostile gunman's field of fire. Not one, not two, but six law enforcement officers in our county did so that day, and continued to risk their lives until the gunman posed no further threat to the community. I can't begin to express my deep respect and admiration for these brave law enforcement officers or my gratitude to them for their exemplary actions that day. I also want to point out that they, like all of our first responders, go to work each day not knowing what challenges they will face or what risks they will run. The fact that they get up and go to work every day despite the risks inherent in the job speaks volumes about the depth of the commitment they have to protecting their community. They are outstanding public servants, and they deserve recognition here in our Nation's Capital.

I'm very proud of Sergeant Faulds, Officer DelSole, Sergeant Vogel, Detective Friburger, Detective Honick, and Sergeant Palermo, and I want my colleagues and the Nation to take comfort in the knowledge that real heroes still live among us. I hope their actions that day will be an inspiration to all of us to always do what's right, no matter what the cost.

HONORING LT. T. JAMES CROTTY,
USCG

HON. BRIAN HIGGINS

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 7, 2017

Mr. HIGGINS of New York. Mr. Speaker, today I rise to honor the life and heroism of Lt. Thomas J. Crotty of the United States Coast Guard. A decorated veteran of the Second World War, Lt. Crotty will finally be laid to rest in the hallowed grounds of Arlington National Cemetery, 75 years after going missing in action in the Pacific Theater.

Lt. Crotty was born in Buffalo, New York in the year 1912, and grew up on the city's South Side. The youngest of seven siblings, Crotty stood out as a natural athlete and lead-

er. In 1929, he coached his American Legion baseball team to a national championship.

After graduating high school, Crotty applied to the United States Coast Guard Academy. A standout cadet, Crotty excelled at basketball, football, and served as class president during his tenure. In 1944, the United States Coast Guard Academy honored Lt. Crotty's legacy by dedicating their football season to his memory.

Upon graduation in 1934, Lt. Crotty went into active duty with the United States Coast Guard, quickly demonstrating his leadership capabilities and skills. He became the Coast Guard's leading expert on demolition, explosives, and mines. In 1941, his unique skillset earned him orders to report to the Philippines to assist with defensive efforts, a decision that would put Lt. Crotty on a crash course with history.

On December 10th, Japanese forces overran the Philippines just days after their surprise attack on Pearl Harbor. Under brutal assault from air and land, Lt. Crotty helped assemble a resistance with his fellow servicemen. Together, they launched daring raids in broad daylight against Japanese forces in order to secure supplies, ammunition, and fuel. His rag-tag band of heroes was instrumental in the defense of Manila, Corregidor, and American supply lines.

At the Battle of Bataan, Lt. Crotty served with distinction. Manning the artillery against oncoming forces, he fought until American forces were eventually surrounded on April 9th, 1942. From there, Lt. Crotty was made a prisoner of war in the infamous Cambatuan prison camp. It was there, after so many months of sacrifice, that he tragically fell ill to disease. On July 19, 1942, his brothers-in-arms administered last rites. He was then buried outside the camp; it was there in an unmarked grave that his remains laid for three-quarters of a century.

In coordination with the United States Coast Guard, we were able to locate Lt. Crotty and bring him back home to the United States. Lt. Crotty exemplified the qualities and virtues of heroism and service. His service need not be forgotten.

Mr. Speaker, I am happy to honor Lt. Thomas J. Crotty and help bring his family some amount of closure. I ask that my colleagues join me in honoring and remembering the countless American men and women who answered the call to duty. We must do whatever we can to support families who have loved ones missing in action by assisting in efforts to bring our heroes home.
