

a party, he stole his buddy's good-looking date, Miss Colette Martin. They were wed on Oct. 7, 1967. Their beautiful life together brought them two daughters who were the lights of his life. He worked tirelessly to provide for them and set an amazing example of hard work and dedication.

Ralph formerly served as a zoning inspector for the city of Girard. He was a true patriot who belonged to both the American Legion and the V.F.W., as well as having served as a Democratic precinct committeeman. He was politically active and was involved in many local campaigns throughout the years.

In his spare time, Ralph enjoyed gardening, collecting antiques, complaining, Youngstown State University football, anything related to Cleveland sports, cheering for whatever team his son-in-law, Pat was currently coaching, and watching John Wayne movies with a fresh box of cheese crackers and a cold beer. He was a true Civil War buff and spent his most enjoyable hours dressing in costume and teaching others about the Civil War, particularly Ulysses S. Grant. He especially enjoyed taking part in the school tours at the Girard Historical Society Barnhisel House Museum, where he also played an instrumental role in the museum's restoration.

Those who will carry on his legacy include his loving wife of almost 50 years; his daughter, Erin (Pat) Meyer of Huntington Beach, Calif., and his daughter, Shawna Chuey and Quentin Miles of Washington, DC; three grandchildren, Chris, Emma, and Sophia; his brother, Tom (Pat) Chuey of Poland, and many nieces and nephews.

The family would especially like to thank Dan Hromyak and Leslie "Dani" Diana for their support and devotion to their Uncle Ralph. Ralph will be laid to rest at Girard City Cemetery, with military honors. I extend my deepest condolences to his family and friends.

**HONORING TOWER ONE/TOWER EAST ON THE CELEBRATION OF THEIR 50TH ANNIVERSARY**

---

**HON. ROSA L. DeLAURO**

OF CONNECTICUT

IN THE HOUSE OF REPRESENTATIVES

Monday, September 25, 2017

Ms. DELAUBRO. Mr. Speaker, it is with great pleasure that I rise today to extend my heartfelt congratulations to Tower One/Tower East in New Haven, Connecticut as they mark their 50th Anniversary—a remarkable milestone for this special organization.

Committed to its mission "to provide older persons of varying means with high quality living arrangements and services based upon Jewish values and traditions," the Towers has been a place of care and solace to hundreds of residents over the last half century. The organization is led by a dedicated staff and outstanding Board of Directors made up of leaders from across the community. The staff and Board have worked hard over the years to meet the changing needs of their residents and, in doing so, have created a unique environment in which their seniors are assured an affordable place to live with dignity and security in their golden years.

Designed by renowned architect Charles Moore and located on the southern edge of New Haven's downtown, Tower One opened

its doors in 1971 and was followed a decade later by Tower East. Today, the Towers are comprised of 328 apartments that offer safe, affordable independent and assisted living as well as a full schedule of social, enrichment, and cultural programs. The Towers has been recognized both locally and nationally with multiple best practice awards from the U.S. Department of Housing and Urban Development and Connecticut Assisted Living Association.

The Towers have always been a special place to me. When my mother, Luisa, served on the City's Board of Aldermen, she was fortunate enough to have been invited to attend and speak at the opening ceremony and ribbon-cutting at the Towers. As an elected official, she focused much of her attention on seniors. She visited the various senior centers and housing facilities to talk with the residents. She continued those visits on my behalf after I was elected to Congress. The Towers, its residents and staff alike, always welcomed her with open arms and have extended that same warmth to me over the years.

The Towers are so much more than a group of buildings—it is a community. I am honored to have this opportunity to rise today to extend my sincere thanks and heartfelt congratulations to the Board of Directors and staff, past and present, of Tower One/Tower East as they mark their 50th Anniversary. Mazel Tov.
