

U.S.S. *Quincey* as an electronics chief during World War II. His ship was located off of the French coast during the D-Day invasion of Normandy in 1944 and was anchored in Sagami Wan during the signing of the Japanese Instrument of Surrender in 1945.

Following his service, Harold returned to Montana to continue building Wilcoxson's Ice Cream. Amidst long hours of building the family business, Harold also enjoyed racecars. His love and passion for fast cars lasted a lifetime.

From cleaning cream cans as a boy to fixing electrical issues and managing new plant projects, Harold ensured Wilcoxson's Ice Cream shop would continue in its legacy of gourmet ice cream and service to Montanans for generations. Harold Dean Wilcoxson, beloved businessowner and mentor, brought much to the Livingston community through his quiet leadership and commitment to service and will be missed by many.●

RECOGNIZING THE FOSTER GRANDPARENT PROGRAM

● Mr. DAINES. Mr. President, today I have the honor of recognizing the administrators and volunteers of the Western Montana Area VI Agency on Aging Foster Grandparent Program. Based in the small town of Polson, MT, the program covers six mainly rural western Montana counties and the area's lone Indian reservation. Every year, the lives of dozens of children across Montana are changed for the better by the Foster Grandparent program, and dozens of senior citizens are able to use their time and skills to make a difference in the life of a child.

Foster grandparents are able to volunteer in many different settings, including schools, afterschool programs, Head Start programs, teen mentorship programs, and correctional facilities. With many communities in western Montana facing high unemployment, as well as meth and opioid drug crises, the Foster Grandparent program has a particular focus on at-risk children. Foster grandparents support children who have been abused or neglected, provide mentorship to teens, and help children with disabilities.

This week, community members and the Western Montana Area VI Agency on Aging are gathering to honor foster grandparents. Included in that group is Navy veteran Karl Paddock, who is receiving a special award for his service to the program. Our communities need more people like Karl and all of the foster grandparents who are willing to step up and make a difference in the lives of our most precious resource: our children.

It is my hope that the Western Montana Area VI Agency on Aging Foster Grandparent Program will continue to grow in the years to come. I congratulate everyone involved in its success and the difference it is making for the communities of western Montana.●

REMEMBERING BRYAN A. STRONG

● Ms. DUCKWORTH. Mr. President, today I wish to commemorate the life of Bryan A. Strong, a caring husband, loving father, and dedicated police officer with the Chicago Police Department.

Mr. Strong passed away from a heart attack on March 27, 2014. We remember him for his compassion, sympathy, and love of life. As a policeman, Mr. Strong put the needs of others above his own. He served his community with pride, selflessness, and honor.

Mr. Strong leaves an admirable legacy in his community and family. His son, Brian, and wife, Janette, remember him as their adventurous best friend who filled their lives—and many others—with excitement and love.

I am grateful for Mr. Strong's service. May his life and legacy serve as an inspiration to all.

Thank you.●
